VEVOR®

TOUGH TOOLS, HALF PRICE

Technical Support and E-Warranty Certificate www.vevor.com/support

Rugby Net

We continue to be committed to provide you products with competitive price. "Save Half", "Half Price" or any other similar expressions used by us only represents an estimate of savings you might benefit from buying certain products with us compared to the major top brands and does not necessarily mean to cover all categories of products offered by us. You are kindly reminded to verify carefully when you are placing an order with us if you are actually saving half in comparison with the top major brands.

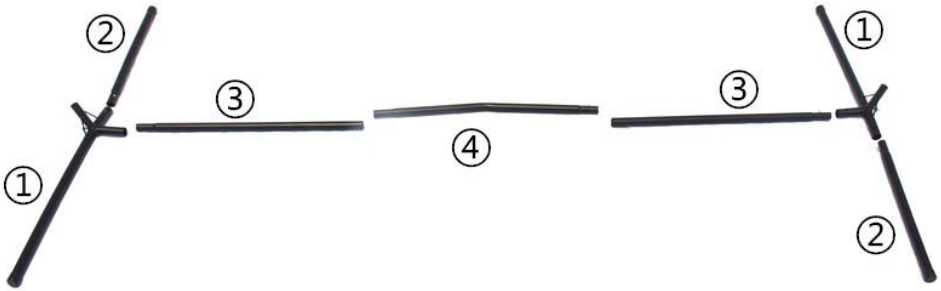
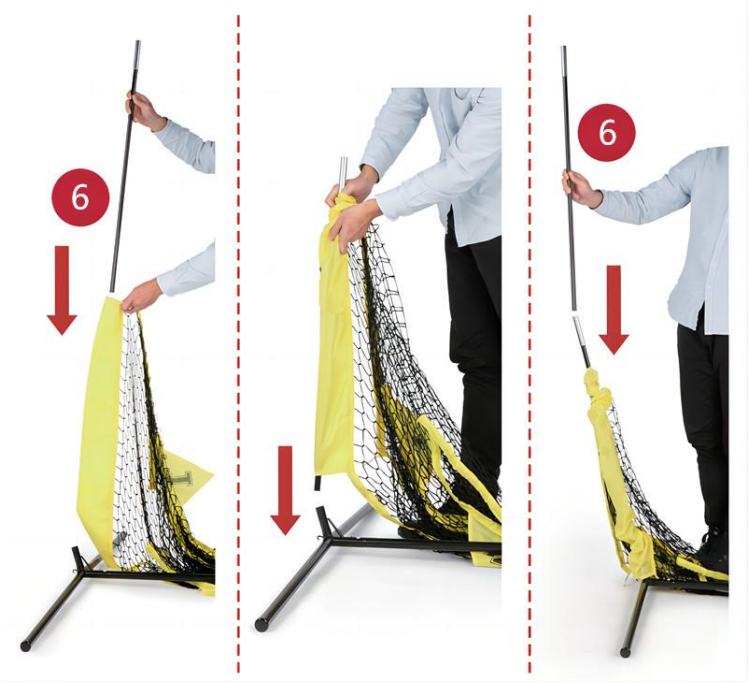
Installation Steps

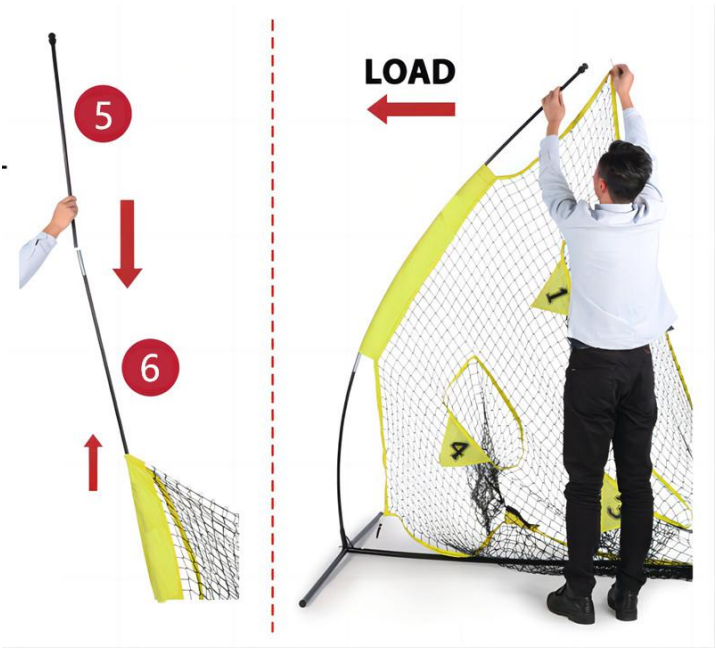
STEP 1： Connect all the bottom metal tubes together number by number in order & snap into place



STEP 2： Slip one side net sleeve over one of the fiberglass poles. Insert the the same side's base leg post.



STEP3： Insert the upper pole into the fiberglass pole. Stand by the net on one side and slide sleeve up.Pull one 45 upper pole towards yourself by tilting the frame and hook the white loop on the net around the notch.
*Repeat this step for the opposite side.
WARNING: Don't stand in direction of the pole's load when bending as the pole may snap back and cause injury.



STEP4： Velcro over the middle bars. Hook the bottom loops on the hooks on both sides

Installation complete!
