Highlights

SteelPrecision blades

Powerful yet gentle, the 45 self-sharpening SteelPrecision blades on this Philips shaver complete up to 90,000 cutting actions per minute, cutting more hair per stroke** for a clean, comfortable finish.

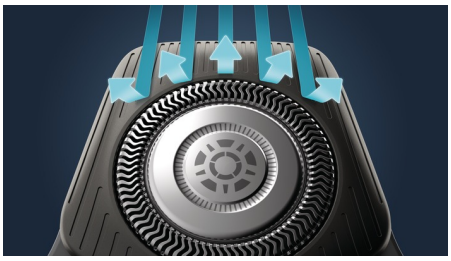
Power Adapt sensor

The electric shaver has intelligent facial-hair sensor that reads hair density 125 times per second. The technology auto-adapts cutting power for an effortless and gentle shave.

360-D Flexing heads

Designed to follow the contours of your face, this Philips electric shaver has fully flexible heads that turn 360° for a thorough and comfortable shave.

Hair-Guide precision heads



This new shape precision shaver is enhanced with hair guiding channels for optimal cutting and skin comfort.

One-touch open

Clean your electric shaver with the touch of a button. Simply flip open the shaver head and rinse with water.

Shave wet or dry

A wet and dry shaver that adapts to your preference. Choose a convenient dry shave, or pair with your favourite foam or gel for a refreshing wet shave.

Pop-up trimmer

Refine and define your mustache and sideburns with the pop-up trimmer—and complete your look with ease.

Beard styler attachment

With the choice of 5 different length settings, the beard styler attachment can create anything from the a perfect stubble to a short, neatly trimmed beard. It's also useful for a pre-shave trim.

60 minutes of cordless shaving

A shaver for at home or on-the-go. Get 60 minutes of shaving time from a 1-hour charge, or plug it in for instant and continuous power.
