Compact Keyboard K300

Control your media. Smarten up your space.

- Stylish, backlit media controls
- Space-saving design with full-size keys
- Integrated full-size number pad
- Ultra-flat profile
- Easy setup

Control your media and smarten up your space with the Logitech® Compact Keyboard K300. Its stylish, backlit media controls provide an elegant and easy way to access to your music, videos and e-mail, with keys that blend cleanly into the streamlined styling. The K300 features a space-saving design with full-size keys that frees up space on your desk – and makes the keyboard easy to store or take with you. A full-size, integrated number pad makes data entry fast and effortless. The ultra-flat profile helps you type comfortably with keys move quietly and feel great, shifting your wrists toward a more neutral position. Plus, setup is easy: the K300 works right out of the box, with no software to install.
