TOUCH. CONNECT. PERSONALISE.

Lexmark's myTouch is a 4.3" LCD touch screen with an intuitive design that makes it easier than ever to get the most out of your All-in-One with fax. You can create 1-touch apps customised to your specific business needs, and to help you easily eliminate wasted resources, such as paper and ink! In the whirlwind of business, efficiency wins.

FEATURES & BENEFITS

Low Black Ink Cost! Print 510 pages for a great low price to help lower printing costs on the documents professional users need most[3]!

Rely on your printer With our unmatched protection guarantee featuring a 5 year guarantee and lifetime priority phone support [1].

Print from multiple computers Locate your device virtually anywhere with Ethernet or wireless networking - now faster with 802.11n [4].

Change paper less frequently With the 150-sheet maximum input capacity. An optional second tray allows 2 types of media to be loaded simultaneously.

Print fast, professional text and graphics Speeds up to 33 ppm black and 30 ppm colour [5].

Reduce paper usage By up to 50% with automatic 2-sided printing.

Efficiently handle large jobs Scan, copy, and fax using the 50-sheet automatic document feeder.

Save time Included business card scanning software synchronises with popular contact management applications [6].

Save money Individual ink cartridges allow you to replace only the colour you need.

CARTRIDGE COMPATIBILITY
