Cordless Desktop® Wave Pro™

Our highest level of comfort.

- **Innovative Wave keyboard**
- **Elegantly contoured laser mouse**
- **3-year keyboard battery life, USB rechargeable mouse**
- **Hyper-fast scrolling**
- **Logitech's advanced 2.4 GHz wireless**

The Logitech® Cordless Desktop® Wave Pro™ keyboard and mouse conform to you naturally to provide our highest level of comfort. The innovative Wave keyboard cradles your hands for improved comfort. And the elegantly contoured laser mouse naturally fits your hand. For high-performance enthusiasts, Logitech's state-of-the-art laser technology delivers exceptional precision and control. The 3-year keyboard battery life and USB rechargeable mouse minimise the hassle of changing batteries, the mouse lasting up to two months on a full charge. In addition, hyper-fast scrolling lets you fly through documents and Web pages. Logitech's advanced 2.4 GHz wireless technology provides a powerful, reliable connection. A built-in 128-bit AES keyboard encryption ensures a secure keyboard link.
