To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. It also analyzes reviews to verify trustworthiness. See All Buying Options Add to Wish List Disabling it will result in some disabled or missing features. You can still see all customer reviews for the product. We received the TV and it didnt work at all. None of the functions worked volume, channel, menu, input, etc. I contacted Amazon and decided to try another TV. The same problem with the one as well, it didnt work. I contacted Starlight for customer support and the lady on the phone who was very nice! said she didnt even have a manual in her records for the model number I gave her to help me. She said they stopped making this TV in 2011 so it probably was just too old and defective. Ive returned both televisions now and have a very disappointed little boy. Please try again later. Please try again later. shuauwsb 5.0 out of 5 stars It looks great and has worked for a year now without a problem. I also like the fact it turns itself off after the show is over, so that electricity is not wasted as we sleep.Please try again later. Please try again later. Chris McCombs 5.0 out of 5 stars Please try again later. Please try again later. Carmen 4.0 out of 5 stars Loved the easy access to the tv buttons, menu, and remote. My child was able to use without difficulty. We were able to connect a Vtech computer system without difficulty. Great product!Please try again later. Please try again later. Jo H McFarling 4.0 out of 5 stars Please try again later. Please try again later. JCreasey 4.0 out of 5 stars Sound quality is great, the video quality is perfect, and it is simple for a toddler to control. We use it for mostly DVDs and have a DVD hooked up to it and it works great. The ONLY issue weve come across, very minor, but every time we turn the tv off, the TV Input changes back to cable, even tho when we turned it off the Input was on the DVD input.so every time we have to reset it. A tad bit annoying but minor for a cute, fun, good working TV.Please try again later. Please try again later. Nancy 4.0 out of 5 stars Hes still a little young to operate it by himself, but loves watching it. Was leery of purchase after reading some of the other reviews. Works so far.Please try again later.
