Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon.

It also analyzes reviews to verify trustworthiness. Please try again later. K. Williams 5.0 out of 5 stars I have seen how it works and I plan on getting me one. She has really enjoyed the way it works and is very happy with it. I found the bad to be nonexistent. Though it has been used a minimal amount of time, this fax has been up to Canon's high standards. The only drawbacks are that the remote control is only good on the phone connected directly to the machine and the user guide is a huge download from Canon. You get a quick start guide and a user manual in the box. No, the user manual and user guide are not the same. At first, I thought I was only going to use it as a fax machine, but my desktop went on the blink and I replaced it with a notebook running Windows 7 starter edition. It prints very quickly much more so than the HP LaserJet 6P I have. They are very sturdy and easy to maintain, change the toner cartridge. Print quality is great! Quiet and energy efficient. Automatically ignores nonfax calls. So far, very reliable, with no problems. Toner cartridge cost is reasonable. In order to navigate out of this carousel please use your heading shortcut key to navigate to the next or previous heading. You may find documents other than just I can not send or receive a fax.
