Since I had the OEM install, I did not use the media provided with the code. But I now have a fully registered version of Office 2016 for a low price. It takes forever to download without CDs, but it's way cheaper. I am happy with my office product.

It is the Office package that I wanted. This software is absolutely amazing. I was concerned with it not coming with a CD but the instructions are very easy to understand and I had it loaded in approx. 10 mins total time. I have been wanting Office Professional Plus for awhile and when I found this deal I went for it. I rarely write reviews, but this is as good as it gets with price and ease of installing. Thank you! What a great company. Very happy customer here. Instalation is quick supporting 32bit as 64bit system. Key is correct. I was waiting to get product more than mention in email because some system error and get suspicious but techsupport respond and deliver this product. Recommend!
