Components

USB wall chargers **NOT** included.
Use the USB wall chargers that come with your Samsung Galaxy Tab Active 8.0" .

ENGLISH

Tools Needed

- NOTES:
1. Only for use with Zip 12 Charging Wall Cabinet.
 2. Product is designed to work best with Samsung provided case installed.

- 1** a. Remove two screws on left side. Save screws for reattaching cover.
b. Unlock door by turning key 180° clockwise, then turning door knob 180° clockwise.

- 2** a. Slide door to the left and remove these 3 screws. Save screws for reattaching cover.
b. Remove left cover.

- 3** Remove snap clips from tablet tray edges.
Save for future use. Not needed with Easy Charge Kit.

- 4** Place Easy Charge tray into tablet tray with the curved side towards the outer wall and cables on the left side. Press into place and listen for snaps to engage. Feed cables through holes in side wall.

- 5** Pull USB cables through outer wall. Make sure cables are positioned one per slot and attach to USB wall chargers.

- 6** Plug in USB wall chargers. Face USB jacks towards each other.

11

Tie up excess cable with velcro cable ties.

NOTE: Keep cables away from power system components that might get hot during operation.

ENGLISH

12

Insert Samsung Galaxy Active Tab 8.0" into charging tray, screen facing outwards, pins on bottom.

13

- a. Attach left cover with 2 screws saved from removal of cover.
- b. Open door and attach 3 inside screws saved from removal of left cover

14

- a. Close door.
