Packaging contents

- 1 x USB Data Transfer Cable
- 1 x Instruction Manual
- 1 x Driver CD

System requirements

- Available USB port on Source and Destination computers
- Windows® XP SP2 or SP3 (32/64-bit), Windows Vista® (32/64-bit), Windows® 7 (32/64-bit), Windows 8 (32/64-bit)
- Supported transfer modes:
    - Windows XP to Windows Vista
    - Windows XP to Windows 7
    - Windows XP to Windows 8
    - Windows Vista to Windows Vista
    - Windows Vista to Windows 7
    - Windows Vista to Windows 8
    - Windows 7 to Windows 7
    - Windows 7 to Windows 8
    - Windows 8 to Windows 8

Note: In Windows 8.1, Microsoft removed support for cables from the Windows Easy Transfer software. As such, Windows 8.1 and later doesn't support the USB2Link cable.

Installation

Note: The Windows Easy Transfer software doesn't support transferring files from a 64-bit operating system to a 32-bit operating system.

1. To transfer files from Windows XP (source) to Windows Vista (destination), download the Windows Easy Transfer (WET) software from the Microsoft website and install the software onto the XP computer:
   http://www.microsoft.com/downloads/details.aspx?FamilyId=2B6F1631-973A-45C7-A4EC-4928FA173266&displaylang=en.
   To transfer files from Windows XP/ Windows Vista (source) to Windows 7/ 8 (destination), first run the Windows Easy Transfer software on the Windows 7/ 8 computer and follow the instructions to copy the software onto the older operating system.

2. Once the proper version of Windows Easy Transfer is installed on both computers, connect the USB Transfer cable between the two computers.

3. Windows may automatically prompt you to run the Windows Easy Transfer software. If not, then launch the software on both computers and follow the instructions provided by the software.

4. PCLinq3 software is included in the CD and can be used to transfer files between two Windows PCs. The location of the software is: /USB2LINK/Prolific/PL25A1/PCLinq3.

Manual Revision: 03/31/2015

FCC Compliance Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Use of Trademarks, Registered Trademarks, and other Protected Names and Symbols

This manual may make reference to trademarks, registered trademarks, and other protected names and/or symbols of third-party companies not related in any way to StarTech.com. Where they occur these references are for illustrative purposes only and do not represent an endorsement of a product or service by StarTech.com, or an endorsement of the product(s) to which this manual applies by the third-party company in question. Regardless of any direct acknowledgement elsewhere in the body of this document, StarTech.com hereby acknowledges that all trademarks, registered trademarks, service marks, and other protected names and/or symbols contained in this manual and related documents are the property of their respective holders.

Technical Support

StarTech.com's lifetime technical support is an integral part of our commitment to provide industry-leading solutions. If you ever need help with your product, visit www.startech.com/support and access our comprehensive selection of online tools, documentation, and downloads.

Warranty Information

This product is backed by a two year warranty.
In addition, StarTech.com warrants its products against defects in materials and workmanship for the periods noted, following the initial date of purchase. During this period, the products may be returned for repair, or replacement with equivalent products at our discretion. The warranty covers parts and labor costs only. StarTech.com does not warrant its products from defects or damages arising from misuse, abuse, alteration, or normal wear and tear.

Limitation of Liability

In no event shall the liability of StarTech.com Ltd. and StarTech.com USA LLP (or their officers, directors, employees or agents) for any damages (whether direct or indirect, special, punitive, incidental, consequential, or otherwise), loss of profits, loss of business, or any pecuniary loss, arising out of or related to the use of the product exceed the actual price paid for the product. Some states do not allow the exclusion or limitation of incidental or consequential damages. If such laws apply, the limitations or exclusions contained in this statement may not apply to you.
