Download

If you choose “Screen,” go to section 8-1. If you choose “Text file,” go to section 8-2. If you choose “PDF file,” go to section 8-3.

Attention!

As with the students’ registry, you can obtain real-time information on how many have registered for your class, but you need to confirm finalized data by contacting the faculty or graduate school concerned (the department in charge of academic/student affairs) after the registration period ends. Please download finalized data after such confirmation.

8-1. Downloading data to view it on the screen

If you choose “Screen” (from the download choices) and click on [Download](#), the following screen will appear.

[When you choose “Screen,” the following screen will appear.]

8-3. Downloading data in the form of a PDF file

* Viewing a PDF file requires Adobe® Reader™ (available free of charge) to be installed in your computer. You need to install the program by yourself.

- (1) If you choose “PDF file” (from the download choices) and click on **Download**, the following screen will appear.

- (2) Clicking on **Open with** will start Adobe® Reader™, displaying numerical/categorical data on students who registered for your class.
- Clicking on **Save as** will enable you to save the PDF file under a name given by you.
- (3) When your computer is connected to a printer, you can print a file from the Adobe® Reader™ program.
