

# Prinoth Online - Instruction manual

Welcome to the Internet platform of Prinoth. Here you will find technical information on operating instructions as well as maintenance instructions, spare part catalogues and additional documents on snow groomers and tracked utility vehicles.

This instruction manual will make you acquainted step by step with the world of Prinoth Online.  
Have fun!

## Where do I find Prinoth Online:

Copy the following link to your Internet browser. Prinoth online can be opened with all popular browsers (Internet Explorer, Mozilla Firefox, Google Chrome etc.).

Link: <http://online.prinoth.com>

Alternatively you can also access Prinoth Online through our home page [www.prinoth.com](http://www.prinoth.com) as follows:

Service and parts (1) - snow groomer service (2) service for utility vehicles (3) - at the bottom on the right - **PRINOTH ONLINE** (4).

The screenshot displays the Prinoth website interface. At the top left is the Prinoth logo. To its right, the text 'RAPTOR 800' is shown above the 'AHWI Prinoth' logo. Further right, there is a 'LOGIN' button and language selection options for 'DE', 'IT', 'EN', and 'FR'. Below this is a horizontal navigation menu with items: HOME, SNOW GROOMERS, UTILITY VEHICLES, SERVICE & PARTS (marked with a '1'), USED VEHICLES, COMPANY, CONTACT, CAREERS, and SHOP. A secondary menu is overlaid on the main image, containing 'SNOW GROOMER SERVICE' (marked with a '2') and 'SERVICE FOR UTILITY VEHICLES' (marked with a '3'). The main image shows a snow groomer operating on a snowy mountain slope. Below the image, the text 'Service Snow Groomers' is visible. On the right side of the page, there is a section titled 'RAPTOR 800' with the subtext 'Find out more about the AHWI-PRINOTH RAPTOR 800'. At the bottom right, there is a 'PRINOTH ONLINE' button circled in white, marked with a '4'. The bottom left of the page features the 'SNOW GROOMER SERVICE' section with the heading 'PRINOTH Service – Competent and Always Reachable' and a paragraph: 'By maintaining daily contact and with the continuing training of our service partners throughout the world, we guarantee our customers competent support and technical assistance with maintenance and service.'
