

West Elm Work Collection Specification Guide

Availability

Electronic price list updated with release 190.B (U.S.) and 151.B (Canada), dated June 17, 2019.

Spec News is available on village.steelcase.com. Search Steelcase Marketing Resources (Adstock) and download the current release's Spec News.

Tip: Steelcase Marketing Resources is a new global platform for ordering Steelcase marketing materials that replaces Adstock.

View or download Steelcase Specification Guides at [https://www.steelcase.com/resources/documents?tax-\[doctype\]=spec-guide](https://www.steelcase.com/resources/documents?tax-[doctype]=spec-guide).

Transitional products in this specification guide are **maintained for existing customers only** and are likely to be phased out over time. These products are indicated with a . Products that are scheduled to be culled are indicated with an , followed by the last order entry date.

Surface Materials

The surface materials team has announced the launch of the Finish Library, found at <http://finishlibrary.steelcase.com>.

► For a list of all trademarks, refer to the last page of this specification guide.

© 2019 Steelcase Inc.

For Canadian Pricing

Canadian factor can be found at steelcase.com/CADpricing.

Calculate in the following order to avoid rounding errors:

- Multiply the base price and each option by the Canadian factor.
- Round each to the nearest dollar.
- Add base and options for total list price.

Ten Tips: How to Get the Most Out of This Book

Tip 1

Watch the tabs on the right-hand edges of the pages. They'll always indicate which chapter you are in.

Tip 2

Use the Statement of Line pages for an overview of the available components, their sizes, and page references for additional information. Each *Understanding* chapter includes a statement of line after the table of contents.

Tip 3

Find cross references by looking for page numbers flagged with an arrow.

Tip 4

Study the product detail pages in the *Understanding* section to learn everything an expert knows about specific products. Each product detail page in this section contains the following features, where applicable:

- Product Drawing
- Actual Dimensions
- Product Details
- Connections
- Wiring and Cabling
- Surface Materials
- Application Topics

Product Drawing

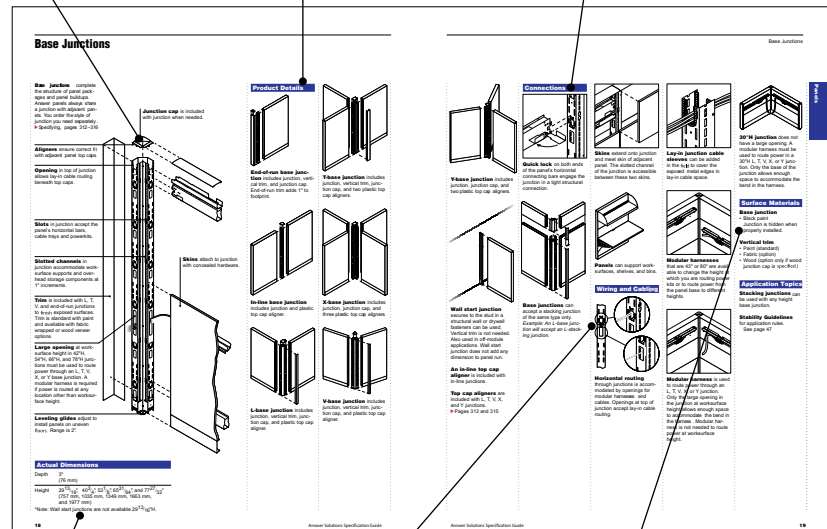

shows you what the product looks like and points out important features.

Product Details

gives specific information on the product and how it is used.

Connections

describes how the product is assembled or how it attaches to another product.

Actual Dimensions table lists the dimensions of the product.

Wiring and Cabling details the power and cable-management and cable routing capabilities of the product.

Surface Materials lists what material is used for each part of the product.

Tip 5

Refer to the specifying pages for all the information needed to order a product. Each product specifying page contains a variety of elements to help you complete a specification:

- Product Drawing
- Standard Includes
- Required to Specify
- Options
- Related Products
- Specification Information
 - Dimensions
 - Style Number
 - Price

Standard Includes

Standard includes
(under the red or dark grey band) provides a list of what comes standard with the product.

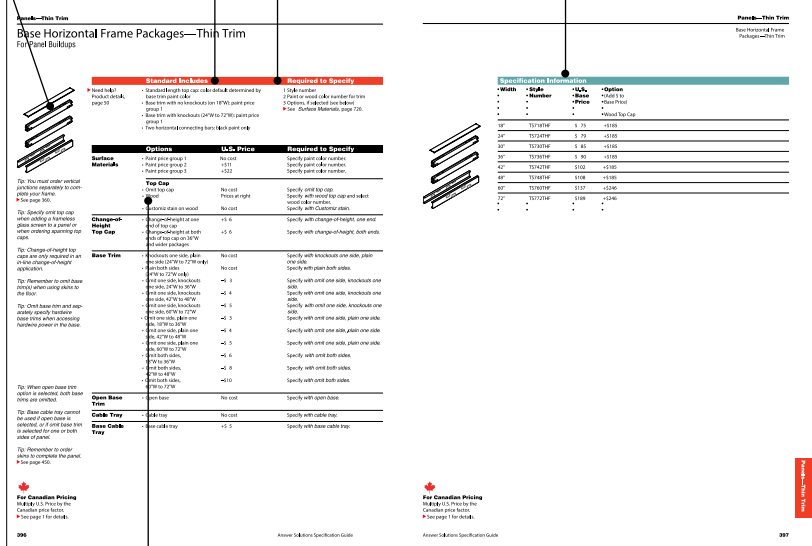

Required to Specify

(under the red or dark grey band) itemizes the information that you must provide to order the standard product and the preferred sequence for specification.

Specification Information

(under the teal or light grey band) provides product dimensions, style numbers, and prices for the standard product and any surface material choices that are available.

Product Drawing
shows you what the
product looks like.

Tip 6

Required to Specify

Specify with Customiz Stain

Italic t

Italic typeface on specifying pages usually identifies wording that you should use in your order.

Tip 7

To determine how many skins are needed to complete a panel, consult the table at the right.

Tip: Remember to order skins for both sides of the panel buildup.

Watch for tips throughout the text that give you explanations and helpful instructions.

Tip 8

Learn what you cannot do by looking for drawings crossed out with an “X.”

Tip 9

Use the surface materials listings in the Surface Materials section of this book to find surface material color numbers.

Tip 10

Style Number	Page
TS7042BL	130
TS7042S	130
TS7048BL	131
TS7048S	130
TS7060BL	131
TS7060S	130
TS7072BL	131

Refer to the style number index when you know a style number and you need to find the page that has more details about the product.

Options

(under the black band) lists all the options that apply to the product, their price, and what is required to specify.

Related Products

provide specification information for products that are directly related.

Additional Resources

The West Elm Work

Collection is supported with an array of informational materials, tools, and software to help you plan and install efficiently.

Surface Materials

West Elm Work

Collection Materials

Swatches Individual swatches, larger memo samples, and family group swatch cards are available by contacting Ad Stock at 1.800.784.0358 or by ordering electronically at village.steelcase.com.

Computer Tools

Digital Publications

You can access these digital publications at www.steelcase.com or village.steelcase.com.

Electronic Catalog

Accurate sales quotations and purchase orders for turnstone products are created with specification software that uses turnstone Electronic Catalog data. Use the data to specify and price style numbers and options for every turnstone product. The data is updated bimonthly by Steelcase and provided to software programs like the Hedberg Business System, 20-20 CAP Studio.

Furniture Symbol Graphic Data

Steelcase creates 2D and 3D furniture symbols (with attributes) for planning and initially specifying Steelcase products. This data is incorporated into several add-on software packages that work in either a Microstation or an AutoCAD drafting environment.

For more information about these and other software tools to help you plan effective work environments, please email fsl@steelcase.com.

Support

Steelcase Capabilities

Steelcase products are distributed, installed, and serviced through a network of more than 600 dealers worldwide. Steelcase is also represented with offices and corporate showrooms in 26 U.S. cities, 4 Canadian cities, and in France, Germany, Great Britain, and Japan. Every Steelcase product meets our exceptionally high standards of quality and durability and comes with the Steelcase assurance of excellence in service.

For ordering or product assistance,

call your local dealer, the Steelcase Solutions Resource Team, or the Steelcase Solutions Fulfillment Team at 1.888.STEELCASE or send an e-mail to lineone@steelcase.com.

Call the Steelcase Solutions Resource Team prior to placing an order, when working on a bid, or when you need information about product applications and specifications.

Call the Steelcase Solutions Fulfillment Team if you have submitted an order to Steelcase and you need to speak to your Solutions Fulfillment Team Representative about the order. Also call if you have any post-shipment quality concerns or service parts questions.

For warranty information, please go to <http://www.steelcase.com/warranty/>.

Outside the U.S.A., Canada, Mexico, Puerto Rico, and the U.S. Virgin Islands, call 1.616.247.2500.

Sterling Seating

Sterling is a family of seating inspired by classic mid-century design. The style and generous sit brings retro-inspired comfort to the office. Hardwood legs or a classic aluminum base and arm options make the Sterling collection relevant across the floor plan.

Casters have hard, dual-wheels that roll smoothly on carpets. Soft casters for use on hard floors are available as an option.

Pneumatic cylinder is always black.

Glides are polyethylene for superior durability on carpeted and hard floors.

Arms are optional and always upholstered.

Seat height adjusts 5", from 16¹/₂"H to 21¹/₂"H, with a pneumatic adjustment mechanism.

Five-star base is aluminum and available polished or in painted finishes.

Wood leg is beech hardwood and available in several stain colors.

Product Details

Five-star and four-leg chairs are available with and without arms.

360° adjustable height swivel mechanism is standard on five-star base models.

Sterling ships fully assembled and cartoned.

Adjustment Features

Adjustability instructions are included with every swivel-base chair. Instructions can also be found at www.steelcase.com.

Seat Adjustments

Seat height adjusts pneumatically. To lower, pull lever up while seated. To raise, pull lever up and keep your weight off the chair.

Other features

Soft wheel casters for hard floors on five-star base models are available for specific applications.

Surface Materials

► See surface materials on page 78 for specific availability.

*Overall width does not include the base.
The diameter of the chair with the five-arm base is 26".

Mesa Lounge Seating

Mesa lounge seating adds style to any work-space with its modern form and tapered legs. Modular pieces can easily create common areas of any size.

Connector brackets are standard with all lounges and ottomans.

Lounge units are available in two-seat lounge, right- and left-hand two-seat chaise, and corner lounge.

Chaise lounges are available in left-hand or right-hand configurations.

Frame is a unibody construction with finger jointed plywood.

Lounge units can be connected together to create an L- or U-configuration.

Upholstered seat and back cushions are attached.

Tapered legs are cast aluminum and coated in WE01 Antique Bronze.

Ottoman can be freestanding or connected to other lounge units.

Product Details

Lounge seating features five fully upholstered, complementary models: two-seater lounge, right-hand two-seater chaise, left-hand two-seater chaise, corner lounge, and ottoman. All models feature a four-leg, cast aluminum base with a powder coat painted finish.

Two-seater chaise lounge can be specified in a right- or left-hand configuration.

Integrated ganging device is included and keeps units aligned.

Mesa Lounge Seating

Mesa

Greenpoint private office collection blends performance with a residential aesthetic and unique finishes.

Square tube steel legs are flush with the outside of the desk and are offered in a range of powder coat finishes.

Three box drawers open their full depth using ball-bearing suspensions.

A power cutout can be specified in the center, the left, or the right side of the desk worksurface. The desk power unit is ordered separately.

Worksurfaces are standard 1 1/8" thick. They can be specified with either wood veneer or High-Pressure Laminate.

Desk returns are available for private desks and can be specified with a leg or pedestal support.

Product Details

Credenzas come in two configurations—storage and filing. Storage credenzas have two sets of doors with adjustable shelves. Filing credenzas have two filing drawers and a set of doors with adjustable shelves.

Executive desks are available in 30"D and 36"D. Executive desks come standard with three pencil drawers. Modesty panels are also available.

Desk returns are used with private desks to form L-shape configurations, where everything is in reach. Specify with leg or pedestal support.

Private desks are available in a range of sizes and come standard with two legs. Desk returns and modesty panels are also available.

Under-worksurface pedestals are available 18"D and 24"D for desk returns. Pedestals are available in box/box/file or file/file configurations.

Box drawer and file drawer fronts are available in wood veneer.

Letter

Legal

File drawers open their full depth for total access to the contents. File drawers have heavy-duty ball-bearing suspensions. They accommodate letter-size filing front to back and legal-size filing side to side.

Rails adjust outward for letter-size.

Side-to-side legal
Steel lateral file drawers accommodate front-to-back filing of letter-size and legal-size hanging file folder frames and side-to-side filing of legal-size hanging file folder frames.

Steel mobile pedestals are 18"D. Drawer fronts are available in wood veneer.

Integral pull

Wide integral pull is standard on all drawers and doors.

Storage

Tall Open

Low Short Open

Narrow Open

Bookcases, shipped fully assembled, are available in several different configurations. The shelf inside the storage bookcase is adjustable.

Steel bases are standard on all credenzas, bookcases, and wood lateral files.

Storage bookcases align with executive desks, private desks, and credenzas.

Lock and Keying

Optional locks are available on all metal storage. Lock is standard keyed random and controls all of the drawers. Specific keying options are available. Lock cylinders must be specified separately. Product ships with a lock face ring and removable plastic plug to accommodate a lock cylinder installed on site.

► Page 81

Connections

Desk returns can be used with private desks. Specify with leg or pedestal supports.

Wiring and Cabling

2 1/2" grommet, ordered separately, provides wire and cable management for workspaces.

Work surface power modules are available on executive and private desks. Cutouts can be specified for left, center, and right locations.

Power modules are available in three simplex and two simplex/USB configurations. The one-touch retractable door allows easy access.

Application Topics

When a power cutout has been specified, modesty panel must be mounted flush to front of desk.

Greenpoint Directional Laminate and Edge Profile Detail

The appearance of laminate may change slightly depending on the angle from which it is viewed. This natural phenomenon is called polarization, and it can be seen on natural veneer, and to a lesser extent on composite veneer. Polarization is often noticed on worksurfaces installed at a 90° angle with each other. Please refer to the following illustrations for an understanding of grain direction on your installation.

Wood

Forest Stewardship Council (FSC) certified wood (veneer and core) is available on most Steelcase wood products through the Specials RFQ process.

All wood products will darken with age and exposure to ultraviolet light. We recommend that desk accessories be rearranged periodically to ensure even aging of wood surfaces.

When storing your wood furniture, please follow the following guidelines:

- Do not store products in trailers
- Store products in areas that simulate office temperatures (60°F to 90°F)
- Store products in areas that maintain constant, office-like humidity levels
- Keep product away from light. Cover products to make sure they are not exposed to light.

Applies to:

- Sterling guest chairs

Lock and Keying for Greenpoint Storage Products

All locking products are standard with factory-installed, keyed-random locks. Consecutive, specific, and random keying are available as field-installed options. *Exception: Individual locking drawers are only available with field-installed locks.*

Locks consist of a factory- or field-installed lock cylinder and a factory-installed lock face ring.

Two types of locks are available — the standard keying system (FR series) and the master keying system (XF series). All the locks in the XF series can be opened with a single master key.

Factory-Installed Keying

Factory-installed locks are always key random (standard) or master key random (option). Key random means that the locks will be assigned arbitrarily at the factory with key numbers ranging from FR305 to FR454 (Master keying numbers: XF1001 to XF1150). All locks within a unit will be keyed alike.

Tip: Random keying can mean that different furniture units will have the same key number. If you must have all locks keyed differently, you should specify field-installed, key specific or key consecutive lock cylinders.

► See below.

Key Random

Required to Specify

Master key random +\$27 Specify with master key random.

Field-Installed Keying

Field-installed locks are only available on products that include factory-installed lock mechanisms.

Specify "plug" when specifying furniture, and the product will ship with a plastic plug in place of the lock cylinder.

Front-removable lock cylinders must be specified separately. You must also order a special lock tool to install or remove lock cylinders in the field.

Tip: Lock tools are reusable. You do not need to order additional lock tools with every furniture order.

Lock cylinders will be shipped separately so that you can install the locks when you are ready.

Three keying choices are available for field installation—random (standard), specific, and consecutive. All three are also available with master keying, which means that all locks can be opened with a single master key.

Key random means that the locks will be assigned arbitrarily at the factory with key numbers ranging from FR305 to FR454 (Master keying numbers: XF1001 to XF1150). *Tip: Random keying can mean that different furniture units will have the same key number. If you must have all locks keyed differently, you should specify key specific or key consecutive lock cylinders.*

Key Random

Key specific means that you can specify any key number from FR305 to FR454 (Master keying numbers: XF1001 to XF1150). This option can be used to key all the furniture units in a workstation or department the same. *Tip: Designate the quantity per key number in your specification.*

► See example at right.

Key Specific

Key consecutive means that you can specify lock numbers in a consecutive order to ensure that no two locks have the same key number until the key sequence repeats. You must select a beginning key number from FR305 to FR454 (Master keying numbers: XF1001 to XF1150).

Key Consecutive

Example of a typical lock cylinder specification is shown below:

10	LOCK9201FR FR320
5	LOCK9201FR FR350
15	LOCK9201XF XF1100
30	Total
1	877102003SR standard lock tool
1	877102002SR master lock tool

Field-Installed Lock Cylinders

Tip: Lock price is included in price of furniture with locks.

Tip: For replacement lock cylinders, refer to Service Parts.
