

Konica Minolta Punch-out User Guide

If you're using Internet Explorer as your internet browser, you must answer "NO" to the security warning when first accessing the catalog.

! Important! Please work with your Konica Sales Representative to determine the correct machine and accessories needed to satisfy the department requirements, before placing any order.

To begin shopping for your new Konica Machine select one of the two available rental terms. Konica machines can be rented for a period of 3 or 5 years (36 months & 60 months)

Konica Minolta Punch-out User Guide

After selecting the rental contract terms, you'll be directed to the next page where you'll select the type of machine you'll be using: Either Black & White only, or Black/White/Color Combination.

Konica Minolta Punch-out User Guide

The next page will show the machine you've selected along with a listing of available accessories. Each accessory will include an "add" or "decline" radio button. You'll need to work with your Konica Minolta sales representative to determine the needs of the department and the accessories required to meet those needs. You'll notice that the first two accessory selections are for copier usage. These buttons will remain checked as they represent the copy usage lines that will pass to your CU M@arketplace purchase order. As the machine in this example is a color machine, two usage lines will be present. With the B&W only 1 will be present.

- ☒ Decline
- ☐ Add - PC-207 Paper Feed Cassette (500x2) (+\$10.86000)

Each accessory listing will include a brief description along with the associated monthly cost. To add an accessory, simply click on the "add" radio button. If you are unsure of the accessories your machine will need, or you are unsure about an accessory's description, please contact your Konica Minolta Sales representative. For a listing of current Konica Minolta sales representatives visit the PSC website https://www.cu.edu/psc/traininghelp/learningresources/cu_marketplace/ and select CU Marketplace Catalog Supplier Information Matrix on the right hand side.

Konica Minolta Punch-out User Guide

If you're renting a color copier, you'll need to repeat this procedure for the color estimated copy line.

You can determine your estimated usage by looking at invoices for existing or old machines. If this is the first machine for your department, we usually suggest a base number of 2000 per month for B&W and 500 for color. This number can be adjusted during the life of the purchase order by sending an email to changeorder@cusys.edu, requesting the quantity changes needed.

After you've reviewed your machine and added in the estimated copy usage for the rental period. You can finish and return your order back to your CU M@rketplace by selecting the checkout button.

Line	Description	EA /	Quantity	Action	Price
	BizHub C220 Usage - Estimated # of copies (black/white or color depending on machine) to be used over the encumbrance period of the PO.	\$0.00980	12,000	☒ Update	\$0.00980
Subtotal					\$4,673.59720

Your order is almost complete. Now that you are back in your CU M@rketplace shopping cart, you can review your order, add speedtype(s), select your shipping address, and submit for final processing. Please note this amount will not encumber against the speedtype(s).
