About This Coverage Manual

Contract

This coverage manual describes your rights and responsibilities under your group health plan. You and your covered dependents have the right to request a copy of this coverage manual, at no cost to you, by contacting your employer or group sponsor.

Please note: Your employer or group sponsor has the authority to terminate, amend, or modify the coverage described in this coverage manual at any time. Any amendment or modification will be in writing and will be as binding as this coverage manual. If your contract is terminated, you may not receive benefits.

You should familiarize yourself with the entire manual because it describes your benefits, payment obligations, provider networks, claim processes, and other rights and responsibilities.

This group health plan consists of medical benefits and prescription drug benefits. The medical benefits are called Alliance Select. The prescription drug benefits are called Blue Rx Complete. This coverage manual will indicate when the service, supply or drug is considered medical benefits or drug benefits by using sections, headings, and notes when necessary.

Charts

Some sections have charts, which provide a quick reference or summary but are not a complete description of all details about a topic. A particular chart may not describe some significant factors that would help determine your coverage, payments, or other responsibilities. It is important for you to look up details and not to rely only upon a chart. It is also important to follow any references to other parts of the manual. (References tell you to “see” a section or subject heading, such as, “See *Details – Covered and Not Covered*.” References may also include a page number.)

Complete Information

Very often, complete information on a subject requires you to consult more than one section of the manual. For instance, most information on coverage will be found in these sections:

- At a Glance – Covered and Not Covered
- Details – Covered and Not Covered
- General Conditions of Coverage, Exclusions, and Limitations

However, coverage might be affected also by your choice of provider (information in the *Choosing a Provider* section), certain notification requirements if applicable to your group health plan (the *Notification Requirements and Care Coordination* section), and considerations of eligibility (the *Coverage Eligibility and Effective Date* section).

Even if a service is listed as covered, benefits might not be available in certain situations, and even if a service is not specifically described as being excluded, it might not be covered.

Read Thoroughly

You can use your group health plan to the best advantage by learning how this document is organized and how sections are related to each other. And whenever you look up a particular topic, follow any references, and read thoroughly.

Your coverage includes many services, treatments, supplies, devices, and drugs. Throughout the coverage manual, the words *services or supplies* refer to any services, treatments, supplies, devices, or drugs, as applicable in the context, that may be used to diagnose or treat a condition.

Grandfathered Health Plan Status

This group health plan was in effect on March 23, 2010 and is being categorized as a “grandfathered health plan” under the Patient Protection and Affordable Care Act (the “Affordable Care Act”).

As permitted under the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when the law was enacted and does not have to include certain consumer protections that apply to non-grandfathered health plans, such as coverage of preventive health services without any cost-sharing obligation. (Certain other consumer protections such as the elimination of lifetime limits on benefits apply to all group health plans, regardless of their status as a grandfathered health plan.)

For questions regarding which consumer protections apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status contact your employer or group sponsor.

You may also contact the *U.S. Department of Health and Human Services (HHS)* at www.hhs.gov.

Questions

If you have questions about your group health plan, or are unsure whether a particular service or supply is covered, call the Customer Service number on your ID card.

1. What You Pay

This section is intended to provide you with an overview of your payment obligations under this group health plan. This section is not intended to be and does not constitute a complete description of your payment obligations. To understand your complete payment obligations you must become familiar with this entire coverage manual, especially the *Factors Affecting What You Pay* and *Choosing a Provider* sections.

Provider Network

Under the medical benefits of this plan, your network of providers consists of PPO and Participating providers. All other providers are Out-of-Network Providers. Which provider type you choose will affect what you pay.

PPO Providers. These providers participate with Alliance Select or with a Blue Cross and/or Blue Shield PPO network in another state or service area. You typically pay the least for services received from these providers. Throughout this policy we refer to these providers as PPO Providers.

Participating Providers. These providers participate with a Blue Cross and/or Blue Shield network in another state or service area, but not with a PPO network. You typically pay more for services from these providers than for services from PPO Providers. Throughout this policy we refer to these providers as Participating Providers.

Out-of-Network Providers. Out-of-Network Providers do not participate with Wellmark or any other Blue Cross and/or Blue Shield Plan. You typically pay the most for services from these providers.

Payment Details

Medical

Deductible

This is a fixed dollar amount you pay for covered services in a benefit year before medical benefits become available.

The family deductible amount is reached from amounts accumulated on behalf of any combination of covered family members.

Deductible amounts you pay for PPO Provider services also apply toward meeting the Participating and Out-of-Network deductible. However, deductible amounts you pay for Participating and Out-of-Network provider services do not apply toward meeting the PPO deductible.

Once you meet the deductible, then coinsurance applies.

Deductible amounts you pay during the last three months of a benefit year carry over as credits to meet your deductible for the next benefit year. These credits do not apply toward your out-of-pocket maximum.

Common Accident Deductible. When two or more covered family members are involved in the same accident and they receive covered services for injuries related to the accident, only one deductible amount will be applied to the accident-related services for all family members involved. However, you still need to satisfy the family (not the per person) out-of-pocket maximum.

Deductible amounts are waived for some services. See *Waived Payment Obligations* later in this section.

Copayment

This is a fixed dollar amount that you pay each time you receive certain covered services.

Office Visit Copayment.

The office visit copayment:

- applies to covered office services received from PPO practitioners.
- is taken once per date of service.

Related laboratory services received from a PPO independent lab are subject to coinsurance and not this copayment.

Urgent Care Center Copayment.

The urgent care center copayment:

- applies to covered urgent care services received from:
 - PPO Providers in Iowa or South Dakota classified by Wellmark as Urgent Care Centers.
 - PPO urgent care facilities or clinics outside of Iowa or South Dakota.
- is taken once per date of service.

Please note: If you receive care at a facility in Iowa or South Dakota that is not classified by Wellmark as an Urgent Care Center, you may be responsible for your deductible and coinsurance (as applicable) instead of the urgent care center copayment. Therefore, before receiving any urgent care services, you should determine if the facility is classified by Wellmark as an Urgent Care Center. See the Wellmark Provider Directory at *Wellmark.com* or call the Customer Service number on your ID card to determine whether a facility is classified by Wellmark as an Urgent Care Center.

Copayment amount(s) are waived for some services. See *Waived Payment Obligations* later in this section.

Coinsurance

Coinsurance is an amount you pay for certain covered services. Coinsurance is calculated by multiplying the fixed percentage(s) shown earlier in this section times Wellmark's payment arrangement

amount. Payment arrangements may differ depending on the contracting status of the provider and/or the state where you receive services. For details, see *How Coinsurance is Calculated*, page 51. Coinsurance amounts apply after you meet the deductible.

Coinsurance amounts are waived for some services. See *Waived Payment Obligations* later in this section.

Out-of-Pocket Maximum

The out-of-pocket maximum is the maximum amount you pay, out of your pocket, for most covered services in a benefit year. Many amounts you pay for covered services during a benefit year accumulate toward the out-of-pocket maximum. These amounts include:

- Deductible.
- Coinsurance.

The family out-of-pocket maximum is reached from applicable amounts paid on behalf of any combination of covered family members.

Out-of-pocket maximum amounts you pay for PPO Provider services also apply toward meeting the Participating and Out-of-Network out-of-pocket maximum. However,

out-of-pocket maximum amounts you pay for Participating and Out-of-Network provider services do not apply toward meeting the PPO out-of-pocket maximum.

However, certain amounts do not apply toward your out-of-pocket maximum.

- Amounts representing any general exclusions and conditions. See *General Conditions of Coverage, Exclusions, and Limitations*, page 33.
- Difference in cost between the provider's amount charged and our maximum allowable fee when you receive services from an Out-of-Network Provider.
- Office visit copayments.
- Urgent care center copayments.

These amounts continue even after you have met your out-of-pocket maximum.

Benefits Maximums

Benefits maximums are the maximum benefit amounts that each member is eligible to receive.

Benefits maximums are accumulated from benefits under this medical benefits plan and prior medical benefits plans sponsored by your employer or group sponsor and administered by Wellmark Blue Cross and Blue Shield of Iowa.

In an emergency situation, if you cannot reasonably reach a PPO Provider, covered services will be reimbursed as though they were received from a PPO Provider. Drugs that are Covered

The Wellmark Blue Rx Complete Drug List

The Wellmark Blue Rx Complete Drug List is a reference list that includes generic and brand-name prescription drugs that have been approved by the U.S. Food and Drug Administration (FDA) and are covered under your Blue Rx Complete prescription drug benefits. The Drug List is updated on a quarterly basis, or when new drugs become available, and as discontinued drugs are removed from the marketplace.

To determine if a drug is covered, you must consult the Wellmark Blue Rx Complete Drug List. You are covered for drugs listed on the Wellmark Blue Rx Complete Drug List. If a drug is not on the Wellmark Blue Rx Complete Drug List, it is not covered.

If you need help determining if a particular drug is on the Drug List, ask your physician or pharmacist, visit our website, *Wellmark.com*, or call the Customer Service number on your ID card and request a copy of the Drug List.

New drugs will not be added to the Drug List until they have been evaluated by Wellmark. We will periodically update the list to reflect these evaluations and to reflect the changing drug market in general. Revisions to the list will be distributed to providers who participate with Wellmark, and pharmacies that participate with the network used by this prescription drug plan.

The Drug List is subject to change.

Tobacco Dependency Drugs

Prescription drugs and devices used to treat nicotine dependence are covered.

Where to Purchase Prescription Drugs

Participating Pharmacies. You must purchase prescription drugs from participating pharmacies.

If you purchase drugs from nonparticipating pharmacies, you are responsible for the entire cost of the drug. To determine if a pharmacy is participating, ask the pharmacist, consult the directory of participating pharmacies, visit our website at *Wellmark.com*, or call the Customer Service number on your ID card. Our directory also is available upon request by calling the Customer Service number on your ID card.

Limits on Prescription Drug Coverage

We may exclude, discontinue, or limit coverage for any drug by removing it from the Drug List or by moving a drug to a different tier on the Drug List for any of the following reasons:

- New drugs are developed.
- Generic drugs become available.
- Over-the-counter drugs with similar properties become available or a drug's active ingredient is available in a similar strength in an over-the-counter product or as a nutritional or dietary supplement product available over the counter.
- There is a sound medical reason.
- Scientific evidence does not show that a drug works as well and is as safe as other drugs used to treat the same or similar conditions.
- A drug receives FDA approval for a new use.

Drugs that are Not Covered

Drugs and items that are not covered under your prescription drug benefits include but are not limited to:

- Drugs not listed on the Wellmark Blue Rx Complete Drug List.
- Drugs purchased from nonparticipating pharmacies.
- Drugs in excess of a quantity limitation. See *Quantity Limitations* later in this section.

- The prescription drug would require a written prescription by a licensed practitioner if prescribed in the U.S.
- You provide acceptable documentation that you received a covered service from a practitioner or hospital and the practitioner or hospital prescribed the prescription drug.

Quantity Limitations

Most prescription drugs are limited to a maximum quantity you may receive in a single prescription.

Federal regulations limit the quantity that may be dispensed for certain medications. If your prescription is so regulated, it may not be available in the amount prescribed by your physician.

In addition, coverage for certain drugs is limited to specific quantities per month, benefit year, or lifetime. Amounts in excess of quantity limitations are not covered.

4. General Conditions of Coverage, Exclusions, and Limitations

The provisions in this section describe general conditions of coverage and important exclusions and limitations that apply generally to all types of services or supplies.

Conditions of Coverage

Medically Necessary

A key general condition in order for you to receive benefits is that the service, supply, device, or drug must be medically necessary. Even a service, supply, device, or drug listed as otherwise covered in *Details - Covered and Not Covered* may be excluded if it is not medically necessary in the circumstances. Unless otherwise required by law, Wellmark determines whether a service, supply, device, or drug is medically necessary, and that decision is final and conclusive. Even though a provider may recommend a service or supply, it may not be medically necessary.

A medically necessary health care service is one that a provider, exercising prudent clinical judgment, provides to a patient for the purpose of preventing, evaluating, diagnosing or treating an illness, injury, disease or its symptoms, and is:

- Provided in accordance with generally accepted standards of medical practice. Generally accepted standards of medical practice are based on:
 - Credible scientific evidence published in peer-reviewed medical literature generally recognized by the relevant medical community;
 - Physician Specialty Society recommendations and the views of physicians practicing in the relevant clinical area; and
 - Any other relevant factors.
- Clinically appropriate in terms of type, frequency, extent, site and duration, and

considered effective for the patient's illness, injury or disease.

- Not provided primarily for the convenience of the patient, physician, or other health care provider, and not more costly than an alternative service or sequence of services at least as likely to produce equivalent therapeutic or diagnostic results as to the diagnosis or treatment of the illness, injury or disease.

An alternative service, supply, device, or drug may meet the criteria of medical necessity for a specific condition. If alternatives are substantially equal in clinical effectiveness and use similar therapeutic agents or regimens, we reserve the right to approve the least costly alternative.

If you receive services that are not medically necessary, you are responsible for the cost if:

- You receive the services from an Out-of-Network Provider; or
- You receive the services from a PPO or Participating provider in the Wellmark service area and:
 - The provider informs you in writing before rendering the services that Wellmark determined the services to be not medically necessary; and
 - The provider gives you a written estimate of the cost for such services and you agree in writing, before receiving the services, to assume the payment responsibility.

If you do not receive such a written notice, and do not agree in writing to assume the payment responsibility for services that Wellmark determined are not medically necessary, the PPO or

Participating provider is responsible for these amounts.

- You are also responsible for the cost if you receive services from a provider outside of the Wellmark service area that Wellmark determines to be not medically necessary. This is true even if the provider does not give you any written notice before the services are rendered.

Member Eligibility

Another general condition of coverage is that the person who receives services must meet requirements for member eligibility. See *Coverage Eligibility and Effective Date*, page 59.

General Exclusions

Even if a service, supply, device, or drug is listed as otherwise covered in *Details - Covered and Not Covered*, it is not eligible for benefits if any of the following general exclusions apply.

Investigational or Experimental

You are not covered for a service, supply, device, or drug that is investigational or experimental. A treatment is considered investigational or experimental when it has progressed to limited human application but has not achieved recognition as being proven effective in clinical medicine.

To determine investigational or experimental status, we may refer to the technical criteria established by the Blue Cross and Blue Shield Association, including whether a service, supply, device, or drug meets these criteria:

- It has final approval from the appropriate governmental regulatory bodies.
- The scientific evidence must permit conclusions concerning its effect on health outcomes.
- It improves the net health outcome.
- It is as beneficial as any established alternatives.

- The health improvement is attainable outside the investigational setting.

These criteria are considered by the Blue Cross and Blue Shield Association's Medical Advisory Panel for consideration by all Blue Cross and Blue Shield member organizations. While we may rely on these criteria, the final decision remains at the discretion of our Medical Director, whose decision may include reference to, but is not controlled by, policies or decisions of other Blue Cross and Blue Shield member organizations. You may access our medical policies, with supporting information and selected medical references for a specific service, supply, device, or drug through our website, *Wellmark.com*.

If you receive services that are investigational or experimental, you are responsible for the cost if:

- You receive the services from an Out-of-Network Provider; or
- You receive the services from a PPO or Participating provider in the Wellmark service area and:
 - The provider informs you in writing before rendering the services that Wellmark determined the services to be investigational or experimental; and
 - The provider gives you a written estimate of the cost for such services and you agree in writing, before receiving the services, to assume the payment responsibility.

If you do not receive such a written notice, and do not agree in writing to assume the payment responsibility for services that Wellmark determined to be investigational or experimental, the PPO or Participating provider is responsible for these amounts.

- You are also responsible for the cost if you receive services from a provider outside of the Wellmark service area that Wellmark determines to be investigational or experimental. This is

true even if the provider does not give you any written notice before the services are rendered.

Complications of a Noncovered Service

You are not covered for a complication resulting from a noncovered service, supply, device, or drug. However, this exclusion does not apply to the treatment of complications resulting from:

- Smallpox vaccinations when payment for such treatment is not available through workers' compensation or government-sponsored programs; or
- A noncovered abortion.

Nonmedical Services

You are not covered for telephone consultations, charges for missed appointments, charges for completion of any form, or charges for information. You are also not covered for services delivered to you by a provider via interactive audio only, audio-visual technology, or web-based mobile device or similar electronic-based communication network.

Personal Convenience Items

You are not covered for items used for your personal convenience, such as:

- Items not primarily and customarily manufactured to serve a medical purpose or which can be used in the absence of illness or injury (including, but not limited to, air conditioners, dehumidifiers, ramps, home remodeling, hot tubs, swimming pools); or
- Items that do not serve a medical purpose or are not needed to serve a medical purpose.

Provider Is Family Member

You are not covered for a service or supply received from a provider who is in your immediate family (which includes yourself, parent, child, or spouse or domestic partner).

Covered by Other Programs or Laws

You are not covered for a service, supply, device, or drug if:

- Someone else has the legal obligation to pay for services or without this group health plan, you would not be charged.
- You require services or supplies for an illness or injury sustained while on active military status.

Workers' Compensation

You are not covered for services or supplies that are compensated under workers' compensation laws, including services or supplies applied toward satisfaction of any deductible under your employer's workers' compensation coverage. You are also not covered for any services or supplies that could have been compensated under workers' compensation laws if you had complied with the legal requirements relating to notice of injury, timely filing of claims, and medical treatment authorization.

For treatment of complications resulting from smallpox vaccinations, see *Complications of a Noncovered Service* earlier in this section.

Benefit Limitations

Benefit limitations refer to amounts for which you are responsible under this group health plan. These amounts are not credited toward your out-of-pocket maximum. In addition to the exclusions and conditions described earlier, the following are examples of benefit limitations under this group health plan:

- A service or supply that is not covered under this group health plan is your responsibility.
- If a covered service or supply reaches a benefit maximum, it is no longer eligible for benefits. (A maximum may renew at the next benefit year.) See *Details – Covered and Not Covered*, page 15.
- If you receive benefits that reach a lifetime benefits maximum applicable to any specific service, then you are no

longer eligible for benefits for that service under this group health plan. See *Benefits Maximums*, page 7, and *At a Glance—Covered and Not Covered*, page 11.

- If you do not obtain precertification for certain medical services, benefits can be reduced or denied. You are responsible for benefit reductions if you receive the services from an Out-of-Network Provider. You are responsible for benefit denials only if you are responsible (not your provider) for notification. A PPO Provider in Iowa or South Dakota will handle notification requirements for you. If you see a PPO Provider outside Iowa or South Dakota, you are responsible for notification requirements. See *Notification Requirements and Care Coordination*, page 43.
- If you do not obtain prior approval for certain medical services, benefits will be denied on the basis that you did not obtain prior approval. Upon receiving an Explanation of Benefits (EOB) indicating a denial of benefits for failure to request prior approval, you will have the opportunity to appeal (see the *Appeals* section) and provide us with medical information for our consideration in determining whether the services were medically necessary and a benefit under your medical benefits. Upon review, if we determine the service was medically necessary and a benefit under your medical benefits, benefits for that service will be provided according to the terms of your medical benefits.

You are responsible for these benefit denials only if you are responsible (not your provider) for notification. A PPO Provider in Iowa or South Dakota will handle notification requirements for you. If you see a PPO Provider outside Iowa or South Dakota, you are responsible for notification requirements. See *Notification*

Requirements and Care Coordination, page 43.

- If you do not obtain prior authorization for certain prescription drugs, benefits can be reduced or denied. See *Notification Requirements and Care Coordination*, page 43.
- The type of provider you choose can affect your benefits and what you pay. See *Choosing a Provider*, page 37, and *Factors Affecting What You Pay*, page 51. Examples of charges that depend on the type of provider include but are not limited to:
 - Any difference between the provider's amount charged and our amount paid is your responsibility if you receive services from an Out-of-Network Provider.

5. Choosing a Provider

Medical

Provider Network

Under the medical benefits of this plan, your network of providers consists of PPO and Participating providers. All other providers are Out-of-Network Providers.

Your medical benefits are called Alliance Select.

It relies on a preferred provider organization (PPO) network, which consists of providers that participate directly with Alliance Select and providers that participate with other Blue Cross and/or Blue Shield preferred provider organizations (PPOs). These PPO Providers offer services to members of contracting medical benefits plans at a reduced cost, which usually results in the least expense for you.

Non-PPO providers are either Participating or Out-of-Network. If you are unable to utilize a PPO Provider, it is usually to your advantage to visit what we call a *Participating Provider*. Participating Providers participate with a Blue Cross and/or Blue Shield Plan in another state or service area, but not with a PPO.

Other providers are considered Out-of-Network, and you will usually pay the most for services you receive from them.

See *What You Pay*, page 3 and *Factors Affecting What You Pay*, page 51.

To determine if a provider participates with this medical benefits plan, ask your provider, refer to our online provider

directory at *Wellmark.com*, or call the Customer Service number on your ID card.

Providers are independent contractors and are not agents or employees of Wellmark Blue Cross and Blue Shield of Iowa. For types of providers that may be covered under your medical benefits, see *Hospitals and Facilities*, page 20 and *Physicians and Practitioners*, page 25.

Please note: Even though a facility may be PPO or Participating, particular providers within the facility may not be PPO or Participating providers. Examples include Out-of-Network physicians on the staff of a PPO or Participating hospital, home medical equipment suppliers, and other independent providers. Therefore, when you are referred by a PPO or Participating provider to another provider, or when you are admitted into a facility, always ask if the providers contract with a Blue Cross and/or Blue Shield Plan.

Always carry your ID card and present it when you receive services. Information on it, especially the ID number, is required to process your claims correctly.

Pharmacies that contract with our pharmacy benefits manager are considered Participating Providers. Pharmacies that do not contract with our pharmacy benefits manager are considered Out-of-Network Providers. See *Choosing a Pharmacy* later in this section. To determine if a pharmacy contracts with our pharmacy benefits manager, ask the pharmacist or call the Customer Service number on your ID card.

Services Outside the Wellmark Service Area

BlueCard Program

This program ensures that members of any Blue Plan have access to the advantages of PPO Providers throughout the United States. Participating Providers have a contractual agreement with the Blue Cross or Blue Shield Plan in their home state ("Host Blue"). The Host Blue is responsible for contracting with and generally handling all interactions with its Participating Providers.

The BlueCard Program is one of the advantages of your coverage with Wellmark Blue Cross and Blue Shield of Iowa. It provides conveniences and benefits outside the Wellmark service area similar to those you would have within our service area when you obtain covered medical services from a PPO Provider. Always carry your ID card (or BlueCard) and present it to your provider when you receive care. Information on it, especially the ID number, is required to process your claims correctly.

PPO Providers may not be available in some states. In this case, when you receive covered services from a non-PPO provider (i.e., a Participating or Out-of-Network provider), you will receive many of the same advantages as when you receive covered services from a PPO Provider. However,

because we do not have contracts with Out-of-Network Providers and they may not accept our payment arrangements, you are responsible for any difference between the amount charged and our amount paid for a covered service.

PPO Providers contract with the Blue Cross and/or Blue Shield preferred provider organization (PPO) in their home state.

When you receive covered services from PPO or Participating providers outside the Wellmark service area, all of the following statements are true:

- Claims are filed for you.
- These providers agree to accept payment arrangements or negotiated prices of the Blue Cross and/or Blue Shield Plan with which the provider contracts. These payment arrangements may result in savings.
- The group health plan payment is sent directly to the providers.

Typically, when you receive covered services from PPO or Participating providers outside the Wellmark service area, you are responsible for notification requirements. See *Notification Requirements and Care Coordination*, page 43. However, if you are admitted to a BlueCard facility outside the Wellmark service area, any PPO or Participating provider should handle notification requirements for you.

We have a variety of relationships with other Blue Cross and/or Blue Shield Licensees. Generally, these relationships are called “Inter-Plan Arrangements.” These Inter-Plan Arrangements work based on rules and procedures issued by the Blue Cross Blue Shield Association (“Association”). Whenever you access healthcare services outside the Wellmark service area, the claim for those services may be processed through one of these Inter-Plan Arrangements. The Inter-Plan Arrangements are described in the following paragraphs.

When you receive care outside of our service area, you will receive it from one of two kinds of providers. Most providers (“Participating Providers”) contract with the local Blue Cross and/or Blue Shield Plan in that geographic area (“Host Blue”). Some providers (“Out-of-Network Providers”) don’t contract with the Host Blue. In the following paragraphs we explain how we pay both kinds of providers.

Inter-Plan Arrangements Eligibility – Claim Types

All claim types are eligible to be processed through Inter-Plan Arrangements, as described previously, except for all dental care benefits (except when paid as medical benefits), and those prescription drug benefits or vision care benefits that may be administered by a third party contracted by us to provide the specific service or services.

BlueCard® Program

Under the BlueCard® Program, when you receive covered services within the geographic area served by a Host Blue, we will remain responsible for doing what we agreed to in the contract. However, the Host Blue is responsible for contracting with and generally handling all interactions with its Participating Providers.

When you receive covered services outside Wellmark’s service area and the claim is processed through the BlueCard Program, the amount you pay for covered services is calculated based on the lower of:

- The billed charges for covered services; or
- The negotiated price that the Host Blue makes available to us.

Often, this “negotiated price” will be a simple discount that reflects an actual price that the Host Blue pays to your healthcare provider. Sometimes, it is an estimated price that takes into account special arrangements with your healthcare provider or provider group that may include types of settlements, incentive payments and/or other credits or charges. Occasionally, it may be an average price, based on a discount that results in expected average savings for similar types of healthcare providers after taking into account the same types of transactions as with an estimated price.

Estimated pricing and average pricing also take into account adjustments to correct for over- or underestimation of modifications of past pricing of claims, as noted previously. However, such adjustments will not affect the price we have used for your claim because they will not be applied after a claim has already been paid.

Inter-Plan Programs: Federal/State Taxes/Surcharges/Fees

Federal or state laws or regulations may require a surcharge, tax, or other fee that applies to insured accounts. If applicable, we will include any such surcharge, tax, or other fee as part of the claim charge passed on to you.

Out-of-Network Providers Outside the Wellmark Service Area

Your Liability Calculation. When covered services are provided outside of our service area by Out-of-Network Providers, the amount you pay for such services will normally be based on either the Host Blue’s Out-of-Network Provider local payment or the pricing arrangements required by applicable state law. In these situations, you may be responsible for the difference between the amount that the Out-of-Network Provider bills and the payment we

will make for the covered services as set forth in this coverage manual. Federal or state law, as applicable, will govern payments for Out-of-Network emergency services.

In certain situations, we may use other payment methods, such as billed charges for covered services, the payment we would make if the healthcare services had been obtained within our service area, or a special negotiated payment to determine the amount we will pay for services provided by Out-of-Network Providers. In these situations, you may be liable for the difference between the amount that the Out-of-Network Provider bills and the payment we will make for the covered services as set forth in this coverage manual.

Care in a Foreign Country

For covered services you receive in a country other than the United States, payment level assumes the provider category is Out-of-Network except for services received from providers that participate with Blue Cross Blue Shield Global.

Blue Cross Blue Shield Global™ Program

If you are outside the United States, the Commonwealth of Puerto Rico, and the U.S. Virgin Islands (hereinafter "BlueCard service area"), you may be able to take advantage of the Blue Cross Blue Shield Global Program when accessing covered services. The Blue Cross Blue Shield Global Program is unlike the BlueCard Program available in the BlueCard service area in certain ways. For instance, although the Blue Cross Blue Shield Global Program assists you with accessing a network of inpatient, outpatient, and professional providers, the network is not served by a Host Blue. As such, when you receive care from providers outside the BlueCard service area, you will typically have to pay the providers and submit the claims yourself to obtain reimbursement for these services.

If you need medical assistance services (including locating a doctor or hospital) outside the BlueCard service area, you should call the Blue Cross Blue Shield Global Service Center at **800-810-BLUE** (2583) or call collect at **804-673-1177**, 24 hours a day, seven days a week. An assistance coordinator, working with a medical professional, can arrange a physician appointment or hospitalization, if necessary.

Inpatient Services. In most cases, if you contact the Blue Cross Blue Shield Global Service Center for assistance, hospitals will not require you to pay for covered inpatient services, except for your deductibles, coinsurance, etc. In such cases, the hospital will submit your claims to the Blue Cross Blue Shield Global Service Center to begin claims processing. However, if you paid in full at the time of service, you must submit a claim to receive reimbursement for covered services. **You must contact us to obtain precertification for non-emergency inpatient services.**

Outpatient Services. Physicians, urgent care centers and other outpatient providers located outside the BlueCard service area will typically require you to pay in full at the time of service. You must submit a claim to obtain reimbursement for covered services. See *Claims*, page 67.

Submitting a Blue Cross Blue Shield Global Claim

When you pay for covered services outside the BlueCard service area, you must submit a claim to obtain reimbursement. For institutional and professional claims, you should complete a Blue Cross Blue Shield Global International claim form and send the claim form with the provider's itemized bill(s) to the Blue Cross Blue Shield Global Service Center (the address is on the form) to initiate claims processing. Following the instructions on the claim form will help ensure timely processing of your claim. The claim form is available from us, Blue Cross Blue Shield Global Service Center or online at www.bluecardworldwide.com. If you

need assistance with your claim submission, you should call the Blue Cross Blue Shield Global Service Center at **800-810-BLUE** (2583) or call collect at **804-673-1177**, 24 hours a day, seven days a week.

Whenever possible, before receiving services outside the Wellmark service area, you should ask the provider if he or she participates with a Blue Cross and/or Blue Shield Plan in that state. To locate PPO Providers in any state, call **800-810-BLUE**, or visit www.bcbs.com.

Iowa and South Dakota comprise the Wellmark service area.

Laboratory services. You may have laboratory specimens or samples collected by a PPO Provider and those laboratory specimens may be sent to another laboratory services provider for processing or testing. If that laboratory services provider does not have a contractual relationship with the Blue Plan where the specimen was drawn,* that provider will be considered an Out-of-Network Provider and you will be responsible for any applicable Out-of-Network Provider payment obligations and you may also be responsible for any difference between the amount charged and our amount paid for the covered service.

*Where the specimen is drawn will be determined by which state the referring provider is located.

Home/durable medical equipment. If you purchase or rent home/durable medical equipment from a provider that does not have a contractual relationship with the Blue Plan where you purchased or rented the equipment, that provider will be considered an Out-of-Network Provider and you will be responsible for any applicable Out-of-Network Provider payment obligations and you may also be responsible for any difference between the amount charged and our amount paid for the covered service.

If you purchase or rent home/durable medical equipment and have that

equipment shipped to a service area of a Blue Plan that does not have a contractual relationship with the home/durable medical equipment provider, that provider will be considered Out-of-Network and you will be responsible for any applicable Out-of-Network Provider payment obligations and you may also be responsible for any difference between the amount charged and our amount paid for the covered service. This includes situations where you purchase or rent home/durable medical equipment and have the equipment shipped to you in Wellmark's service area, when Wellmark does not have a contractual relationship with the home/durable medical equipment provider.

Orthotics and prosthetic devices. If you purchase orthotics or prosthetic devices from a provider that does not have a contractual relationship with the Blue Plan where you purchased the orthotics or prosthetic devices, that provider will be considered an Out-of-Network Provider and you will be responsible for any applicable Out-of-Network Provider payment obligations and you may also be responsible for any difference between the amount charged and our amount paid for the covered service.

If you purchase orthotics or prosthetic devices and have that equipment shipped to a service area of a Blue Plan that does not have a contractual relationship with the provider, that provider will be considered Out-of-Network and you will be responsible for any applicable Out-of-Network Provider payment obligations and you may also be responsible for any difference between the amount charged and our amount paid for the covered service. This includes situations where you purchase orthotics or prosthetic devices and have them shipped to you in Wellmark's service area, when Wellmark does not have a contractual relationship with the provider.

Talk to your provider. Whenever possible, before receiving laboratory services, home/durable medical equipment,

orthotics, or prosthetic devices, ask your provider to utilize a provider that has a contractual arrangement with the Blue Plan where you received services, purchased or rented equipment, or shipped equipment, or ask your provider to utilize a provider that has a contractual arrangement with Wellmark.

To determine if a provider has a contractual arrangement with a particular Blue Plan or with Wellmark, call the Customer Service number on your ID card or visit our website, *Wellmark.com*.

See *Out-of-Network Providers*, page 53.

Prescription Drugs

Choosing a Pharmacy

Your prescription drug benefits are called Blue Rx Complete. Pharmacies that participate with the network used by Blue Rx Complete are called participating pharmacies. Pharmacies that do not participate with the network are called nonparticipating pharmacies.

You must purchase prescription drugs from participating pharmacies. If you purchase drugs from nonparticipating pharmacies, you are responsible for the entire cost of the drug.

To determine if a pharmacy is participating, ask the pharmacist, consult the directory of participating pharmacies, visit our website at *Wellmark.com*, or call the Customer Service number on your ID card. Our directory also is available upon request by calling the Customer Service number on your ID card.

Always Present Your ID Card

If you do not have your ID card with you when you fill a prescription at a participating pharmacy, the pharmacist may not be able to access your benefit information. In this case:

- You must pay the full amount charged at the time you receive your prescription, and the amount we reimburse you may be less than what you paid. You are responsible for this difference.
- You must file your claim to be reimbursed. See *Claims*, page 67.

Mail Order Drug Program

You must purchase mail order drugs through the mail order drug program. You are not covered for mail order drugs purchased outside the mail order drug program.

You must register as a mail service user in order to fill your prescriptions through the mail order drug program. For information on how to register, visit our website, *Wellmark.com*, or call the Customer Service number on your ID card.

Mail order pharmacy providers outside our mail order program are considered nonparticipating pharmacies. You are not covered for drugs purchased from nonparticipating mail order pharmacies.

See *Participating vs. Nonparticipating Pharmacies*, page 56.

6. Notification Requirements and Care Coordination

Medical

Many services require a notification to us or a review by us. If you do not follow notification requirements properly, you may have to pay for services yourself, so the information in this section is critical. For a complete list of services subject to notification or review, visit Wellmark.com or call the Customer Service number on your ID card.

Providers and Notification Requirements

PPO or Participating providers in Iowa and South Dakota should handle notification requirements for you. If you are admitted to a PPO or Participating facility outside Iowa or South Dakota, the PPO or Participating provider should handle notification requirements for you.

If you receive any other covered services (i.e., services unrelated to an inpatient admission) from a PPO or Participating provider outside Iowa or South Dakota, you or someone acting on your behalf are responsible for notification requirements.

More than one of the notification requirements and care coordination programs described in this section may apply to a service. Any notification or care coordination decision is based on the medical benefits in effect at the time of your request. If your coverage changes for any reason, you may be required to repeat the notification process.

You or your authorized representative, if you have designated one, may appeal a denial or reduction of benefits resulting from these notification requirements and care coordination programs. See *Appeals*, page 75. Also see *Authorized Representative*, page 79.

Precertification

Purpose	Precertification helps determine whether a service or admission to a facility is medically necessary. Precertification is required; however, it does not apply to maternity or emergency services.
Applies to	For a complete list of the services subject to precertification, visit Wellmark.com or call the Customer Service number on your ID card.

Person Responsible for Obtaining Precertification	<p>You or someone acting on your behalf are responsible for obtaining precertification if:</p> <ul style="list-style-type: none"> ■ You receive services subject to precertification from an Out-of-Network Provider; or ■ You receive non-inpatient services subject to precertification from a PPO or Participating provider outside Iowa or South Dakota; <p>Your Provider should obtain precertification for you if:</p> <ul style="list-style-type: none"> ■ You receive services subject to precertification from a PPO Provider in Iowa or South Dakota; or ■ You receive inpatient services subject to precertification from a PPO or Participating provider outside Iowa or South Dakota. <p>Please note: If you are ever in doubt whether precertification has been obtained, call the Customer Service number on your ID card.</p>
Process	<p>When you, instead of your provider, are responsible for precertification, call the phone number on your ID card before receiving services.</p> <p>Wellmark will respond to a precertification request within:</p> <ul style="list-style-type: none"> ■ 72 hours in a medically urgent situation; ■ 15 days in a non-medically urgent situation. <p>Precertification requests must include supporting clinical information to determine medical necessity of the service or admission.</p> <p>After you receive the service(s), Wellmark may review the related medical records to confirm the records document the services subject to the approved precertification request. The medical records also must support the level of service billed and document that the services have been provided by the appropriate personnel with the appropriate level of supervision.</p>

Importance	<p>If you choose to receive services subject to precertification, you will be responsible for the charges as follows:</p> <ul style="list-style-type: none"> ■ If you receive services subject to precertification from an Out-of-Network Provider and we determine that the procedure was not medically necessary you will be responsible for the full charge. ■ If you receive non-inpatient services from a PPO or Participating provider in another state or service area and we determine the procedure is medically necessary and otherwise covered, without precertification, benefits can be reduced by 50% of the maximum allowable fee, after which we subtract your applicable payment obligations. ■ If you are admitted to a PPO or Participating inpatient facility, the provider, not you, will be responsible for any reduction for failure to complete the precertification process. Please note: It is important that you are aware of precertification requirements to help ensure that they are met. ■ If you receive the services from an Out-of-Network Provider and we determine the procedure is medically necessary and otherwise covered, without precertification, benefits can be reduced by 50% of the maximum allowable fee, after which we subtract your applicable payment obligations. The maximum reduction will not exceed \$500 per admission. This reduction maximum does not apply to home health services. See <i>Maximum Allowable Fee</i>, page 53. You are subject to this benefit reduction only if you receive the services from an Out-of-Network Provider. <p>Reduced or denied benefits that result from failure to follow notification requirements are not credited toward your out-of-pocket maximum. See <i>What You Pay</i>, page 3.</p>
------------	---

Notification

Purpose	Notification of most facility admissions and certain services helps us identify and initiate discharge planning or care coordination. Notification is required.
Applies to	For a complete list of the services subject to notification, visit <i>Wellmark.com</i> or call the Customer Service number on your ID card.
Person Responsible	<p>PPO Providers in the states of Iowa and South Dakota perform notification for you. However, you or someone acting on your behalf are responsible for notification if:</p> <ul style="list-style-type: none"> ■ You receive services subject to notification from a provider outside Iowa or South Dakota; ■ You receive services subject to notification from a Participating or Out-of-Network provider.

Process	When you, instead of your provider, are responsible for notification, call the phone number on your ID card before receiving services, except when you are unable to do so due to a medical emergency. In the case of an emergency admission, you must notify us within one business day of the admission or the receipt of services or as soon as reasonably possible thereafter.

Prior Approval

Purpose	Prior approval helps determine whether a proposed treatment plan is medically necessary and a benefit under your medical benefits. Prior approval is required.
Applies to	For a complete list of the services subject to prior approval, visit <i>Wellmark.com</i> or call the Customer Service number on your ID card.
Person Responsible for Obtaining Prior Approval	<p>You or someone acting on your behalf are responsible for obtaining prior approval if:</p> <ul style="list-style-type: none"> ■ You receive services subject to prior approval from an Out-of-Network Provider; or ■ You receive non-inpatient services subject to prior approval from a PPO or Participating provider outside Iowa or South Dakota; <p>Your Provider should obtain prior approval for you if:</p> <ul style="list-style-type: none"> ■ You receive services subject to prior approval from a PPO Provider in Iowa or South Dakota; or ■ You receive inpatient services subject to prior approval from a PPO or Participating provider outside Iowa or South Dakota. <p>Please note: If you are ever in doubt whether prior approval has been obtained, call the Customer Service number on your ID card.</p>
Process	<p>When you, instead of your provider, are responsible for requesting prior approval, call the number on your ID card to obtain a prior approval form and ask the provider to help you complete the form.</p> <p>Wellmark will determine whether the requested service is medically necessary and eligible for benefits based on the written information submitted to us. We will respond to a prior approval request in writing to you and your provider within:</p> <ul style="list-style-type: none"> ■ 72 hours in a medically urgent situation. ■ 15 days in a non-medically urgent situation. <p>Prior approval requests must include supporting clinical information to determine medical necessity of the services or supplies.</p>

Importance	<p>If your request is approved, the service is covered provided other contractual requirements, such as member eligibility and benefit maximums, are observed. If your request is denied, the service is not covered, and you will receive a notice with the reasons for denial.</p> <p>If you do not request prior approval for a service, the benefit for that service will be denied on the basis that you did not request prior approval.</p> <p>Upon receiving an Explanation of Benefits (EOB) indicating a denial of benefits for failure to request prior approval, you will have the opportunity to appeal (see the <i>Appeals</i> section) and provide us with medical information for our consideration in determining whether the services were medically necessary and a benefit under your medical benefits. Upon review, if we determine the service was medically necessary and a benefit under your medical benefits, the benefit for that service will be provided according to the terms of your medical benefits.</p> <p>Approved services are eligible for benefits for a limited time. Approval is based on the medical benefits in effect and the information we had as of the approval date. If your coverage changes for any reason (for example, because of a new job or new medical benefits), an approval may not be valid. If your coverage changes before the approved service is performed, a new approval is recommended.</p> <p>Note: When prior approval is required, and an admission to a facility is required for that service, the admission also may be subject to notification or precertification. See <i>Precertification</i> and <i>Notification</i> earlier in this section.</p>

Concurrent Review

Purpose	Concurrent review is a utilization review conducted during a member's facility stay or course of treatment at home or in a facility setting to determine whether the place or level of service is medically necessary. This care coordination program occurs without any notification required from you.
Applies to	For a complete list of the services subject to concurrent review, visit <i>Wellmark.com</i> or call the Customer Service number on your ID card.
Person Responsible	Wellmark
Process	<p>Wellmark may review your case to determine whether your current level of care is medically necessary.</p> <p>Responses to Wellmark's concurrent review requests must include supporting clinical information to determine medical necessity as a condition of your coverage.</p>
Importance	Wellmark may require a change in the level or place of service in order to continue providing benefits. If we determine that your current facility setting or level of care is no longer medically necessary, we will notify you, your attending physician, and the facility or agency at least 24 hours before your benefits for these services end.

Case Management

Purpose	Case management is intended to identify and assist members with the most severe illnesses by collaborating with members, members' families, and providers to develop individualized care plans.
Applies to	<p>A wide group of members including those who have experienced potentially preventable emergency room visits; hospital admissions/readmissions; those with catastrophic or high cost health care needs; those with potential long term illnesses; and those newly diagnosed with health conditions requiring life-time management. Examples where case management might be appropriate include but are not limited to:</p> <p>Brain or Spinal Cord Injuries</p> <p>Cystic Fibrosis</p> <p>Degenerative Muscle Disorders</p> <p>Hemophilia</p> <p>Pregnancy (high risk)</p> <p>Transplants</p>
Person Responsible	You, your physician, and the health care facility can work with Wellmark's case managers. Wellmark may initiate a request for case management.
Process	Members are identified and referred to the Case Management program through Customer Service and claims information, referrals from providers or family members, and self-referrals from members.
Importance	Case management is intended to identify and coordinate appropriate care and care alternatives including reviewing medical necessity; negotiating care and services; identifying barriers to care including contract limitations and evaluation of solutions outside the group health plan; assisting the member and family to identify appropriate community-based resources or government programs; and assisting members in the transition of care when there is a change in coverage.

Prescription Drugs

Prior Authorization of Drugs

Purpose	Prior authorization allows us to verify that a prescription drug is part of a specific treatment plan and is medically necessary.
Applies to	Consult the Drug List to determine if a particular drug requires prior authorization. You can locate this list by visiting <i>Wellmark.com</i> . You may also check with your pharmacist or practitioner to determine whether prior authorization applies to a drug that has been prescribed for you.
Person Responsible	You are responsible for prior authorization.
Process	<p>Ask your practitioner to call us with the necessary information. If your practitioner has not provided the prior authorization information, participating pharmacists usually ask for it, which may delay filling your prescription. To avoid delays, encourage your provider to complete the prior authorization process before filling your prescription. Nonparticipating pharmacists will fill a prescription without prior authorization but you will be responsible for paying the charge.</p> <p>Wellmark will respond to a prior authorization request within:</p> <ul style="list-style-type: none"> ■ 72 hours in a medically urgent situation. ■ 15 days in a non-medically urgent situation. <p>Calls received after 4:00 p.m. are considered the next business day.</p>
Importance	If you purchase a drug that requires prior authorization but do not obtain prior authorization, you are responsible for paying the entire amount charged.

7. Factors Affecting What You Pay

How much you pay for covered services is affected by many different factors discussed in this section.

Medical

Benefit Year

A benefit year is a period of 12 consecutive months beginning on January 1 or beginning on the day your coverage goes into effect. The benefit year starts over each January 1. Your benefit year continues even if your employer or group sponsor changes Wellmark group health plan benefits during the year or you change to a different plan offering mid-benefit year from your same employer or group sponsor.

Certain coverage changes result in your Wellmark identification number changing. In some cases, a new benefit year will start under the new ID number for the rest of the benefit year. In this case, the benefit year would be less than a full 12 months. In other cases (e.g., adding your spouse to your coverage) the benefit year would continue and not start over.

If you are an inpatient in a covered facility on the date of your annual benefit year renewal, your benefit limitations and payment obligations, including your deductible and out-of-pocket maximum, for facility services will renew and will be based on the benefit limitations and payment obligation amounts in effect on the date you were admitted. However, your payment obligations, including your deductible and out-of-pocket maximum, for practitioner services will be based on the payment obligation amounts in effect on the day you receive services.

The benefit year is important for calculating:

- Deductible.
- Coinsurance.
- Out-of-pocket maximum.

- Benefit maximum.

How Coinsurance is Calculated

The amount on which coinsurance is calculated depends on the state where you receive a covered service and the contracting status of the provider.

PPO Providers in the Wellmark Service Area and Out-of-Network Providers

Coinsurance is calculated using the payment arrangement amount after the following amounts (if applicable) are subtracted from it:

- Deductible.
- Amounts representing any general exclusions and conditions. See *General Conditions of Coverage, Exclusions, and Limitations*, page 33.

PPO and Participating Providers Outside the Wellmark Service Area

The coinsurance for covered services is calculated on the lower of:

- The amount charged for the covered service, or
- The negotiated price that the Host Blue makes available to Wellmark after the following amounts (if applicable) are subtracted from it:
 - Deductible.
 - Amounts representing any general exclusions and conditions. See *General Conditions of Coverage, Exclusions, and Limitations*, page 33.

Often, the negotiated price will be a simple discount that reflects an actual price the local Host Blue paid to your provider.

Sometimes, the negotiated price is an estimated price that takes into account special arrangements with your healthcare provider or provider group that may include types of settlements, incentive payments, and/or other credits or charges.

Occasionally, the negotiated price may be an average price based on a discount that results in expected average savings for similar types of healthcare providers after taking into account the same types of transactions as with an estimated price.

Estimated pricing and average pricing, going forward, also take into account adjustments to correct for over- or under-estimation of modifications of past pricing for the types of transaction modifications noted previously. However, such adjustments will not affect the price we use for your claim because they will not be applied retroactively to claims already paid.

Occasionally, claims for services you receive from a provider that participates with a Blue Cross and/or Blue Shield Plan outside of Iowa or South Dakota may need to be processed by Wellmark instead of by the BlueCard Program. In that case, coinsurance is calculated using the amount charged for covered services after the following amounts (if applicable) are subtracted from it:

- Deductible.
- Amounts representing any general exclusions and conditions. See *General Conditions of Coverage, Exclusions, and Limitations*, page 33.

Laws in a small number of states may require the Host Blue Plan to add a surcharge to your calculation. If any state laws mandate other liability calculation methods, including a surcharge, Wellmark will calculate your payment obligation for any covered services according to applicable law. For more information, see *BlueCard Program*, page 38.

Provider Network

Under the medical benefits of this plan, your network of providers consists of PPO and Participating providers. All other providers are Out-of-Network Providers.

PPO Providers

Blue Cross and Blue Shield Plans have contracting relationships with PPO Providers. When you receive services from PPO Providers:

- The PPO payment obligation amounts may be waived or may be less than the Participating and Out-of-Network amounts for certain covered services. See *Waived Payment Obligations*, page 7.
- These providers agree to accept Wellmark's payment arrangements, or payment arrangements or negotiated prices of the Blue Cross and Blue Shield Plan with which the provider contracts. These payment arrangements may result in savings.
- The health plan payment is sent directly to the provider.

Participating Providers

Wellmark and Blue Cross and/or Blue Shield Plans have contracting relationships with Participating Providers. Pharmacies that contract with our pharmacy benefits manager are considered Participating Providers. To determine if a pharmacy contracts with our pharmacy benefits manager, ask the pharmacist or call the Customer Service number on your ID card. When you receive services from Participating Providers:

- These providers agree to accept Wellmark's payment arrangements, or payment arrangements or negotiated prices of the Blue Cross and Blue Shield Plan with which the provider contracts. These payment arrangements may result in savings.
- The health plan payment is sent directly to the provider.

Out-of-Network Providers

Wellmark and Blue Cross and/or Blue Shield Plans do not have contracting relationships with Out-of-Network Providers, and they may not accept our payment arrangements. Pharmacies that do not contract with our pharmacy benefits manager are considered Out-of-Network Providers. Therefore, when you receive services from Out-of-Network Providers:

- You are responsible for any difference between the amount charged and our payment for a covered service. In the case of services received outside Iowa or South Dakota, our maximum payment for services by an Out-of-Network Provider will generally be based on either the Host Blue's Out-of-Network Provider local payment or the pricing arrangements required by applicable state law. In certain situations, we may use other payment bases, such as the amount charged for a covered service, the payment we would make if the services had been obtained within Iowa or South Dakota, or a special negotiated payment, as permitted under Inter-Plan Programs policies, to determine the amount we will pay for services you receive from Out-of-Network Providers. See *Services Outside the Wellmark Service Area*, page 38.
- Wellmark does not make claim payments directly to these providers. You are responsible for ensuring that your provider is paid in full.
- The group health plan payment for Out-of-Network hospitals, M.D.s, and D.O.s in Iowa is made payable to the provider, but the check is sent to you. You are responsible for forwarding the check to the provider (plus any billed balance you may owe).

Amount Charged and Maximum Allowable Fee

Amount Charged

The amount charged is the amount a provider charges for a service or supply, regardless of whether the services or supplies are covered under your medical benefits.

Maximum Allowable Fee

The maximum allowable fee is the amount, established by Wellmark, using various methodologies, for covered services and supplies. Wellmark's amount paid may be based on the lesser of the amount charged for a covered service or supply or the maximum allowable fee.

Payment Arrangements

Payment Arrangement Savings

Wellmark has contracting relationships with PPO Providers. We use different methods to determine payment arrangements, including negotiated fees. These payment arrangements usually result in savings.

The savings from payment arrangements and other important amounts will appear on your Explanation of Benefits statement as follows:

- *Network Savings*, which reflects the amount you save on a claim by receiving services from a Participating or PPO provider. For the majority of services, the savings reflects the actual amount saved on a claim. However, depending on many factors, the amount we pay a provider could be different from the covered charge. Regardless of the amount we pay a Participating or PPO provider, your payment responsibility will always be based on the lesser of the covered charge or the maximum allowable fee.
- *Amount Not Covered*, which reflects the portion of provider charges not covered under your health benefits and for which you are responsible. This amount may include services or supplies not covered;

amounts in excess of a benefit maximum, benefit year maximum, or lifetime benefits maximum; reductions or denials for failure to follow a required precertification; and the difference between the amount charged and the maximum allowable fee for services from an Out-of-Network Provider. For general exclusions and examples of benefit limitations, see *General Conditions of Coverage, Exclusions, and Limitations*, page 33.

- **Amount Paid by Health Plan**, which reflects our payment responsibility to a provider or to you. We determine this amount by subtracting the following amounts (if applicable) from the amount charged:
 - Deductible.
 - Coinsurance.
 - Copayment.
 - Amounts representing any general exclusions and conditions.
 - Network savings.

Payment Method for Services

When you receive a covered service or services that result in multiple claims, we will calculate your payment obligations based on the order in which we process the claims.

Provider Payment Arrangements

Provider payment arrangements are calculated using industry methods, including but not limited to fee schedules, per diems, percentage of charge, capitation, or episodes of care. Some provider payment arrangements may include an amount payable to the provider based on the provider's performance. Performance-based

amounts that are not distributed are not allocated to your specific group or to your specific claims and are not considered when determining any amounts you may owe. We reserve the right to change the methodology we use to calculate payment arrangements based on industry practice or business need. PPO and Participating providers agree to accept our payment arrangements as full settlement for providing covered services, except to the extent of any amounts you may owe.

Pharmacy Benefits Manager Fees and Drug Company Rebates

Wellmark contracts with a pharmacy benefits manager to provide pharmacy benefits management services to its accounts, such as your group. Your group is to pay a monthly fee for such services.

Drug manufacturers offer rebates to pharmacy benefits managers. After your group has had Wellmark prescription drug coverage for at least nine months, the pharmacy benefits manager contracting with Wellmark will calculate, on a quarterly basis, your group's use of drugs for which rebates have been paid. Wellmark receives these rebates. Your group will be credited with rebate amounts forwarded to us by the pharmacy benefits manager unless your group's arrangement with us requires us to reduce such rebated amounts by the amount of any fees we paid to the pharmacy benefits manager for the services rendered to your group. We will not distribute these rebate amounts to you, and rebates will not be considered when determining your payment obligations.

Prescription Drugs

Benefit Year

A benefit year is a period of 12 consecutive months beginning on January 1 or beginning on the day your coverage goes into effect. The benefit year starts over each January 1. Your benefit year continues even if your employer or group sponsor changes Wellmark group health plan benefits during the year or you change to a different plan offering mid-benefit year from your same employer or group sponsor.

Certain coverage changes result in your Wellmark identification number changing. In some cases, a new benefit year will start under the new ID number for the rest of the benefit year. In this case, the benefit year would be less than a full 12 months. In other cases (e.g., adding your spouse to your coverage) the benefit year would continue and not start over.

Wellmark Blue Rx Complete Drug List

Often there is more than one medication available to treat the same medical condition. The Wellmark Blue Rx Complete Drug List ("Drug List") contains drugs physicians recognize as medically effective for a wide range of health conditions.

The Drug List is maintained with the assistance of practicing physicians, pharmacists, and Wellmark's pharmacy department.

To determine if a drug is covered, you or your physician must consult the Drug List. If a drug is not on the Drug List, it is not covered.

If you need help determining if a particular drug is on the Drug List, ask your physician or pharmacist, visit our website, *Wellmark.com*, or call the Customer Service number on your ID card.

Although only drugs listed on the Drug List are covered, physicians are not limited to

prescribing only the drugs on the list. Physicians may prescribe any medication, but only medications on the Drug List are covered. **Please note:** A medication on the Drug List will not be covered if the drug is specifically excluded under your Blue Rx Complete prescription drug benefits, or other limitations apply.

If a drug is not on the Wellmark Blue Rx Complete Drug List and you believe it should be covered, refer to *Exception Requests for Non-Formulary Prescription Drugs*, page 69.

The Wellmark Blue Rx Complete Drug List is subject to change.

Tiers

The Wellmark Blue Rx Complete Drug List also identifies which tier a drug is on:

Tier 1. Most generic drugs and some brand-name drugs that have no generic equivalent. Tier 1 drugs have the lowest payment obligation.

Tier 2. Drugs appear on this tier because they either have no generic equivalent or are considered less cost-effective than Tier 1 drugs. Tier 2 drugs have a higher payment obligation than Tier 1 drugs.

Tier 3. Drugs appear on this tier because they are less cost-effective than Tier 1 or Tier 2 drugs. Tier 3 drugs have a higher payment obligation than Tier 1 or Tier 2 drugs.

Tier 4. Drugs available as combination products or lifestyle drugs. Tier 4 drugs have the same payment obligation as Tier 3 drugs.

Generic and Brand Name Drugs

Generic Drug

Generic drug refers to an FDA-approved "A"-rated generic drug. This is a drug with active therapeutic ingredients chemically

identical to its brand name drug counterpart.

Brand Name Drug

Brand name drug is a prescription drug patented by the original manufacturer. Usually, after the patent expires, other manufacturers may make FDA-approved generic copies.

Sometimes, a patent holder of a brand name drug grants a license to another manufacturer to produce the drug under a generic name, though it remains subject to patent protection and has a nearly identical price. In these cases, Wellmark's pharmacy benefits manager may treat the licensed product as a brand name drug, rather than generic, and will calculate your payment obligation accordingly.

What You Pay

In most cases, when you purchase a brand name drug that has an FDA-approved "A"-rated generic equivalent, Wellmark will pay only what it would have paid for the equivalent generic drug. You will be responsible for your payment obligation for the equivalent generic drug and any remaining cost difference up to the maximum allowed fee for the brand name drug.

Quantity Limitations

Most prescription drugs are limited to a maximum quantity you may receive in a single prescription.

Federal regulations limit the quantity that may be dispensed for certain medications. If your prescription is so regulated, it may not be available in the amount prescribed by your physician.

In addition, coverage for certain drugs is limited to specific quantities per month, benefit year, or lifetime. Amounts in excess of quantity limitations are not covered.

For a list of drugs with quantity limits, check with your pharmacist or physician or consult the Wellmark Blue Rx Complete

Drug List at *Wellmark.com*, or call the Customer Service number on your ID card.

Amount Charged and Maximum Allowable Fee

Amount Charged

The retail price charged by a pharmacy for a covered prescription drug.

Maximum Allowable Fee

The amount, established by Wellmark using various methodologies and data (such as the average wholesale price), payable for covered drugs.

The maximum allowable fee may be less than the amount charged for the drug.

Participating vs. Nonparticipating Pharmacies

You must purchase prescription drugs from participating pharmacies. Purchases from nonparticipating pharmacies are not covered. If you purchase drugs from nonparticipating pharmacies, you are responsible for the cost of the drug.

Your payment obligation for the purchase of a covered prescription drug at a participating pharmacy is the lesser of your copayment, the maximum allowable fee, or the amount charged for the drug.

To determine if a pharmacy is participating, ask the pharmacist, consult the directory of participating pharmacies, visit our website at *Wellmark.com*, or call the Customer Service number on your ID card. Our directory also is available upon request by calling the Customer Service number on your ID card.

Special Programs

We evaluate and monitor changes in the pharmaceutical industry in order to determine clinically effective and cost-effective coverage options. These evaluations may prompt us to offer programs that encourage the use of reasonable alternatives. For example, we may, at our discretion, temporarily waive

your payment obligation on a qualifying prescription drug purchase.

Visit our website at *Wellmark.com* or call us to determine whether your prescription qualifies.

Savings and Rebates

Payment Arrangements

The benefits manager of this prescription drug program has established payment arrangements with participating pharmacies that may result in savings.

Pharmacy Benefits Manager Fees and Drug Company Rebates

Wellmark contracts with a pharmacy benefits manager to provide pharmacy benefits management services to its accounts, such as your group. Your group is to pay a monthly fee for such services.

Drug manufacturers offer rebates to pharmacy benefits managers. After your group has had Wellmark prescription drug coverage for at least nine months, the pharmacy benefits manager contracting with Wellmark will calculate, on a quarterly basis, your group's use of drugs for which rebates have been paid. Wellmark receives these rebates. Your group will be credited with rebate amounts forwarded to us by the pharmacy benefits manager unless your group's arrangement with us requires us to reduce such rebated amounts by the amount of any fees we paid to the pharmacy benefits manager for the services rendered to your group. We will not distribute these rebate amounts to you, and rebates will not be considered when determining your payment obligations.

8. Coverage Eligibility and Effective Date

Eligible Members

You are eligible for coverage if you meet your employer's or group sponsor's eligibility requirements. Your spouse or domestic partner may also be eligible for coverage if spouses or domestic partners are covered under this plan.

If a child is eligible for coverage under the employer's or group sponsor's eligibility requirements, the child must next have one of the following relationships to the plan member or an enrolled spouse or domestic partner:

- A natural child.
- Legally adopted or placed for adoption (that is, you assume a legal obligation to provide full or partial support and intend to adopt the child).
- A child for whom you have legal guardianship.
- A stepchild.
- A foster child.
- A natural child a court orders to be covered.

A child who has been placed in your home for the purpose of adoption or whom you have adopted is eligible for coverage on the date of placement for adoption or the date of actual adoption, whichever occurs first.

Please note: You must notify us or your employer or group sponsor if you enter into an arrangement to provide surrogate parent services: Contact your employer or group sponsor or call the Customer Service number on your ID card.

In addition, a child must be one of the following:

- Under age 26.
- An unmarried full-time student enrolled in an accredited educational institution. Full-time student status continues during:

- Regularly-scheduled school vacations; and
- Medically necessary leaves of absence until the earlier of one year from the first day of leave or the date coverage would otherwise end.

- An unmarried child who is deemed disabled. The disability must have existed before the child turned age 26, or while the child was a full-time student. Wellmark considers a dependent disabled when he or she meets the following criteria:

- Claimed as a dependent on the employee's, plan member's, subscriber's, policy holder's, or retiree's tax return; and
- Enrolled in and receiving Medicare benefits due to disability; or
- Enrolled in and receiving Social Security benefits due to disability.

Documentation will be required.

Please note: In addition to the preceding requirements, eligibility is affected by coverage enrollment events and coverage termination events. See *Coverage Change Events*, page 63.

When Coverage Begins

Coverage begins on the member's effective date. If you have just started a new job, or if a coverage enrollment event allows you to add a new member, ask your employer or group sponsor about your effective date. Services received before the effective date of coverage are not eligible for benefits.

Late Enrollees

A late enrollee is a member who declines coverage when initially eligible to enroll and then later wishes to enroll for coverage. However, a member is not a late enrollee if a qualifying enrollment event allows enrollment as a special enrollee, even if the enrollment event coincides with a late

enrollment opportunity. See *Coverage Change Events*, page 63.

A late enrollee may enroll for coverage at the group's next renewal or enrollment period.

Changes to Information Related to You or to Your Benefits

Wellmark may, from time to time, permit changes to information relating to you or to your benefits. In such situations, Wellmark shall not be required to reprocess claims as a result of any such changes.

Qualified Medical Child Support Order

If you have a dependent child and you or your spouse's employer or group sponsor receives a Medical Child Support Order recognizing the child's right to enroll in this group health plan or in your spouse's benefits plan, the employer or group sponsor will promptly notify you or your spouse and the dependent that the order has been received. The employer or group sponsor also will inform you or your spouse and the dependent of its procedures for determining whether the order is a Qualified Medical Child Support Order (QMCSO). Participants and beneficiaries can obtain, without charge, a copy of such procedures from the plan administrator.

A QMCSO specifies information such as:

- Your name and last known mailing address.
- The name and mailing address of the dependent specified in the court order.
- A reasonable description of the type of coverage to be provided to the dependent or the manner in which the type of coverage will be determined.
- The period to which the order applies.

A Qualified Medical Child Support Order cannot require that a benefits plan provide any type or form of benefit or option not otherwise provided under the plan, except

as necessary to meet requirements of Iowa Code Chapter 252E (2001) or Social Security Act Section 1908 with respect to group health plans.

The order and the notice given by the employer or group sponsor will provide additional information, including actions that you and the appropriate insurer must take to determine the dependent's eligibility and procedures for enrollment in the benefits plan, which must be done within specified time limits.

If eligible, the dependent will have the same coverage as you or your spouse and will be allowed to enroll immediately. You or your spouse's employer or group sponsor will withhold any applicable share of the dependent's health care premiums from your compensation and forward this amount to us.

If you are subject to a waiting period that expires more than 90 days after the insurer receives the QMCSO, your employer or group sponsor must notify us when you become eligible for enrollment. Enrollment of the dependent will commence after you have satisfied the waiting period.

The dependent may designate another person, such as a custodial parent or legal guardian, to receive copies of explanations of benefits, checks, and other materials.

Your employer or group sponsor may not revoke enrollment or eliminate coverage for a dependent unless the employer or group sponsor receives satisfactory written evidence that:

- The court or administrative order requiring coverage in a group health plan is no longer in effect;
- The dependent's eligibility for or enrollment in a comparable benefits plan that takes effect on or before the date the dependent's enrollment in this group health plan terminates; or
- The employer eliminates dependent health coverage for all employees.

The employer or group sponsor is not required to maintain the dependent's coverage if:

- You or your spouse no longer pay premiums because the employer or group sponsor no longer owes compensation; or
- You or your spouse have terminated employment with the employer and have not elected to continue coverage.

9. Coverage Changes and Termination

Certain events may require or allow you to add or remove persons who are covered by this group health plan.

Coverage Change Events

Coverage Enrollment Events: The following events allow you or your eligible child to enroll for coverage. The following events may also allow your spouse or domestic partner to enroll for coverage if spouses or domestic partners are eligible for coverage under this plan. If your employer or group sponsor offers more than one group health plan, the event also allows you to move from one plan option to another.

- Birth, adoption, or placement for adoption by an approved agency.
- Marriage.
- Exhaustion of COBRA coverage.
- You or your eligible spouse or your dependent loses eligibility for creditable coverage or his or her employer or group sponsor ceases contribution to creditable coverage.
- Spouse (if eligible for coverage) loses coverage through his or her employer.
- You lose eligibility for coverage under Medicaid or the Children's Health Insurance Program (CHIP) (the *hawk-i* plan in Iowa).
- You become eligible for premium assistance under Medicaid or CHIP.

The following events allow you to add only the new dependent resulting from the event:

- Dependent child resumes status as a full-time student.
- Addition of a natural child by court order. See *Qualified Medical Child Support Order*, page 60.
- Appointment as a child's legal guardian.
- Placement of a foster child in your home by an approved agency.

Coverage Removal Events: The following events require you to remove the affected family member from your coverage:

- Death.
- Divorce or annulment. Legal separation, also, may result in removal from coverage. If you become legally separated, notify your employer or group sponsor.
- Medicare eligibility. If you become eligible for Medicare, you must notify your employer or group sponsor immediately. If you are eligible for this group health plan other than as a current employee or a current employee's spouse, your Medicare eligibility may terminate this coverage.

In case of the following coverage removal events, the affected child's coverage may be continued until the next group coverage renewal date on or after the date of the event:

- Completion of full-time schooling if the child is age 26 or older.
- Child who is not a full-time student or deemed disabled reaches age 26.
- Marriage of a child age 26 or older.

Reinstatement of Child

Reinstatement Events. A child up to age 26 who was removed from coverage may be reinstated on his or her parent's existing coverage under any of the following conditions:

- Involuntary loss of creditable coverage (including but not limited to group or *hawk-i* coverage).
- Loss of creditable coverage due to:
 - Termination of employment or eligibility.
 - Death of spouse.
 - Divorce.

- Court ordered coverage for spouse or minor children under the parent's health insurance.
- Exhaustion of COBRA or Iowa continuation coverage.
- The plan member is employed by an employer that offers multiple health plans and elects a different plan during an open enrollment period.
- A change in status in which the employee becomes eligible to enroll in this group health plan and requests enrollment. See *Coverage Enrollment Events* earlier in this section.

Reinstatement Requirements. A request for reinstated coverage for a child up to age 26 must be made within 31 days of the reinstatement event. In addition, the following requirements must be met:

- The child must have been covered under the parent's current coverage at the time the child left that coverage to enroll in other creditable coverage.
- The parent's coverage must be currently in effect and continuously in effect during the time the child was enrolled in other creditable coverage.

Requirement to Notify Group Sponsor

You must notify your employer or group sponsor of an event that changes the coverage status of members. Notify your employer or group sponsor within 31 days in case of the following events:

- A birth, adoption, or placement for adoption.
- You lose eligibility for coverage under Medicaid or the Children's Health Insurance Program (CHIP) (the *hawk-i* plan in Iowa).
- You become eligible for premium assistance under Medicaid or CHIP.

For all other events, you must notify your employer or group sponsor within 31 days of the event.

If you do not provide timely notification of an event that requires you to remove an affected family member, your coverage may be terminated.

If you do not provide timely notification of a coverage enrollment event, the affected person may not enroll until an annual group enrollment period.

Coverage Termination

The following events terminate your coverage eligibility.

- You become unemployed when your eligibility is based on employment.
- You become ineligible under your employer's or group sponsor's eligibility requirements for reasons other than unemployment.
- Your employer or group sponsor discontinues or replaces this group health plan.
- We decide to discontinue offering similar coverage plans by giving written notice to you and your employer or group sponsor at least 90 days prior to termination.
- We decide to nonrenew all health benefit plans delivered or issued for delivery to employers in Iowa by giving written notice to your employer or group sponsor and the Director of Insurance at least 180 days prior to termination.

Also see *Fraud or Intentional Misrepresentation of Material Facts*, and *Nonpayment* later in this section.

When you become unemployed and your eligibility is based on employment, your coverage will end at the end of the month your employment ends. When your coverage terminates for all other reasons, check with your employer or group sponsor or call the Customer Service number on your ID card to verify the coverage termination date.

If you receive covered facility services as an inpatient of a hospital or a resident of a nursing facility on the date your coverage

eligibility terminates, payment for the covered facility services will end on the earliest of the following:

- The end of your remaining days of coverage under this benefits plan.
- The date you are discharged from the hospital or nursing facility following termination of your coverage eligibility.
- A period not more than 60 days from the date of termination.

Only facility services will be covered under this extension of benefits provision. Benefits for professional services will end on the date of termination of your coverage eligibility.

Fraud or Intentional Misrepresentation of Material Facts

Your coverage will terminate immediately if:

- You use this group health plan fraudulently or intentionally misrepresent a material fact in your application; or
- Your employer or group sponsor commits fraud or intentionally misrepresents a material fact under the terms of this group health plan.

If your coverage is terminated for fraud or intentional misrepresentation of a material fact, then:

- We may declare this group health plan void retroactively from the effective date of coverage following a 30-day written notice. In this case, we will recover any claim payments made.
- Premiums may be retroactively adjusted as if the fraud or intentionally misrepresented material fact had been accurately disclosed in your application.
- We will retain legal rights, including the right to bring a civil action.

Nonpayment

If you or your employer or group sponsor fail to make required payments to us when due or within the allowed grace period, your coverage will terminate the last day of the month in which the required payments are due.

Coverage Continuation

When your coverage ends, you may be eligible to continue coverage under this group health plan or to convert to another Wellmark health benefits plan pursuant to certain state and federal laws.

COBRA Continuation

The federal Consolidated Omnibus Budget Reconciliation Act (COBRA) applies to most non-governmental employers with 20 or more employees. Generally, COBRA entitles you and eligible dependents to continue coverage if it is lost due to a qualifying event, such as employment termination, divorce, or loss of dependent status. You and your eligible dependents will be required to pay for continuation coverage. Other federal or state laws similar to COBRA may apply if COBRA does not. Your employer or group sponsor is required to provide you with additional information on continuation coverage if a qualifying event occurs.

Continuation for Public Group

Iowa Code Sections 509A.7 and 509A.13 may apply if you are an employee of the State, an Iowa school district, or other public entity supported by public funds. If this law applies to you, you may be entitled to continue participation in this medical benefits plan when you retire.

Continuation Under Iowa Law

Under Iowa Code Chapter 509B, you may be eligible to continue your medical care coverage for up to nine months if:

- You lose the coverage you have been receiving through your employer or group sponsor; and
- You have been covered by your medical benefits plan continuously for the last three months.

Your employer or group sponsor must provide written notice of your right to continue coverage within 10 days of the last day you are considered employed or your coverage ends. You will then have 10 days to give your employer or group sponsor

written notice that you want to continue coverage.

Your right to continue coverage ends 31 days after the date of your employment termination or the date you were given notice of your continuation right, whichever is later.

If you lose your coverage because of divorce, annulment, or death of the employee, you must notify the employer or group sponsor providing the coverage within 31 days.

Benefits provided by continuation coverage may not be identical to the benefits that active employees have and will be subject to different premium rates. You will be responsible for paying any premiums to your employer or group sponsor for continuation coverage.

If you believe the Iowa continuation law applies to you, you may contact your employer or group sponsor for information on premiums and any necessary paperwork.

If you are eligible for coverage continuation under both Iowa law and COBRA, your employer can comply with Iowa law by offering only COBRA continuation.

10. Claims

Once you receive medical services we must receive a claim to determine the amount of your benefits. The claim lets us know the services you received, when you received them, and from which provider.

When to File a Claim

You need to file a claim if you:

- Use a provider who does not file claims for you. Participating and PPO providers file claims for you.
- Purchase prescription drugs from a participating pharmacy but do not present your ID card.
- Pay in full for a drug that you believe should have been covered.

Your submission of a prescription to a participating pharmacy is not a filed claim and therefore is not subject to appeal procedures as described in the *Appeals* section. However, you may file a claim with us for a prescription drug purchase you think should have been a covered benefit.

Wellmark must receive claims within 180 days following the date of service of the claim.

How to File a Claim

All claims must be submitted in writing.

1. Get a Claim Form

Forms are available at *Wellmark.com* or by calling the Customer Service number on your ID card or from your personnel department.

2. Fill Out the Claim Form

Follow the same claim filing procedure regardless of where you received services. Directions are printed on the back of the claim form. Complete all sections of the claim form. For more efficient processing, all claims (including those completed out-of-country) should be written in English.

If you need assistance completing the claim form, call the Customer Service number on your ID card.

Medical Claim Form. Follow these steps to complete a medical claim form:

- Use a separate claim form for each covered family member and each provider.
- Attach a copy of an itemized statement prepared by your provider. We cannot accept statements you prepare, cash register receipts, receipt of payment notices, or balance due notices. In order for a claim request to qualify for processing, the itemized statement must be on the provider's stationery, and include at least the following:
 - Identification of provider: full name, address, tax or license ID numbers, and provider numbers.
 - Patient information: first and last name, date of birth, gender, relationship to plan member, and daytime phone number.
 - Date(s) of service.
 - Charge for each service.
 - Place of service (office, hospital, etc).
 - For injury or illness: date and diagnosis.
 - For inpatient claims: admission date, patient status, attending physician ID.
 - Days or units of service.
 - Revenue, diagnosis, and procedure codes.
 - Description of each service.

Prescription Drugs Covered Under Your Medical Benefits Claim Form.

For prescription drugs covered under your medical benefits (not covered under your Blue Rx Complete prescription drug benefits), use a separate prescription drug claim form and include the following information:

- Pharmacy name and address.
- Patient information: first and last name, date of birth, gender, and relationship to plan member.
- Date(s) of service.
- Description and quantity of drug.
- Original pharmacy receipt or cash receipt with the pharmacist's signature on it.

Blue Rx Complete Prescription Drug Claim Form. For prescription drugs covered under your Blue Rx Complete prescription drug benefits, complete the following steps:

- Use a separate claim form for each covered family member and each pharmacy.
- Complete all sections of the claim form. Include your daytime telephone number.
- Submit up to three prescriptions for the same family member and the same pharmacy on a single claim form. Use additional claim forms for claims that exceed three prescriptions or if the prescriptions are for more than one family member or pharmacy.
- Attach receipts to the back of the claim form in the space provided.

3. Sign the Claim Form

4. Submit the Claim

We recommend you retain a copy for your records. The original form you send or any attachments sent with the form cannot be returned to you.

Medical Claims and Claims for Drugs Covered Under Your Medical Benefits. Send the claim to:

Wellmark Blue Cross and Blue Shield of Iowa
Station 1E238
P.O. Box 9291
Des Moines, IA 50306-9291

Medical Claims for Services Received Outside the United States. Send the claim to the address printed on the claim form.

Blue Rx Complete Prescription Drug Claims. Send the claim to the address printed on the claim form.

We may require additional information from you or your provider before a claim can be considered complete and ready for processing.

Notification of Decision

You will receive an Explanation of Benefits (EOB) following your claim. The EOB is a statement outlining how we applied benefits to a submitted claim. It details amounts that providers charged, network savings, our paid amounts, and amounts for which you are responsible.

In case of an adverse decision, the notice will be sent within 30 days of receipt of the claim. We may extend this time by up to 15 days if the claim determination is delayed for reasons beyond our control. If we do not send an explanation of benefits statement or a notice of extension within the 30-day period, you have the right to begin an appeal. We will notify you of the circumstances requiring an extension and the date by which we expect to render a decision.

If an extension is necessary because we require additional information from you, the notice will describe the specific information needed. You have 45 days from receipt of the notice to provide the information. Without complete information, your claim will be denied.

If you have other insurance coverage, our processing of your claim may utilize coordination of benefits guidelines. See *Coordination of Benefits*, page 71.

Once we pay your claim, whether our payment is sent to you or to your provider, our obligation to pay benefits for the claim is discharged. However, we may adjust a claim due to overpayment or underpayment for up to 18 months after we first process the claim. In the case of Out-of-Network hospitals, M.D.s, and D.O.s located in Iowa, the health plan payment is made payable to the provider, but the check is sent to you. You are responsible for forwarding the check to the provider, plus any difference between the amount charged and our payment.

Exception Requests for Non-Formulary Prescription Drugs

Prescription drugs that are not listed on the Wellmark Blue Rx Complete Drug List are not covered. However, you may submit an exception request for coverage of a non-formulary drug (i.e., a drug that is not included on the Wellmark Blue Rx Complete Drug List). The form is available at *Wellmark.com* or by calling the Customer Service number on your ID card. Your prescribing physician or other provider must provide a clinical justification supporting the need for the non-formulary drug to treat your condition. The provider should include a statement that:

- All covered formulary drugs on any tier have been ineffective; or
- All covered formulary drugs on any tier will be ineffective; or
- All covered formulary drugs on any tier would not be as effective as the non-formulary drug; or
- All covered formulary drugs would have adverse effects.

Wellmark will respond within 72 hours of receiving the Exception Request for Non-Formulary Prescription Drugs form. For

expedited requests, Wellmark will respond within 24 hours.

In the event Wellmark denies your exception request, you and your provider will be sent additional information regarding your ability to request an independent review of our decision. If the independent reviewer approves your exception request, we will treat the drug as a covered benefit for the duration of your prescription. You will be responsible for out-of-pocket costs (for example: deductible, copay, or coinsurance, if applicable) as if the non-formulary drug is on the highest tier of the Wellmark Blue Rx Complete Drug List. Amounts you pay will be counted toward any applicable out-of-pocket maximums. If the independent reviewer upholds Wellmark's denial of your exception request, the drug will not be covered, and this decision will not be considered an adverse benefit determination, and will not be eligible for further appeals. You may choose to purchase the drug at your own expense.

The Exception Request for Non-Formulary Prescription Drugs process is only available for FDA-approved prescription drugs that are not on the Wellmark Blue Rx Complete Drug List. It is not available for items that are specifically excluded under your benefits, such as cosmetic drugs, convenience packaging, non-FDA approved drugs, infused drugs, most over-the-counter medications, nutritional, vitamin and dietary supplements, or antigen therapy. The preceding list of excluded items is illustrative only and is not a complete list of items that are not eligible for the process.

11. Coordination of Benefits

Coordination of benefits applies when you have more than one insurance policy or group health plan that provides the same or similar benefits as this plan. Benefits payable under this plan, when combined with those paid under your other coverage, will not be more than 100 percent of either our payment arrangement amount or the other plan's payment arrangement amount.

The method we use to calculate the payment arrangement amount may be different from your other plan's method.

Other Coverage

When you receive services, you must inform us that you have other coverage, and inform your health care provider about your other coverage. Other coverage includes any of the following:

- Group and nongroup insurance contracts and subscriber contracts.
- HMO contracts.
- Uninsured arrangements of group or group-type coverage.
- Group and nongroup coverage through closed panel plans.
- Group-type contracts.
- The medical care components of long-term contracts, such as skilled nursing care.
- Medicare or other governmental benefits (not including Medicaid).
- The medical benefits coverage of your auto insurance (whether issued on a fault or no-fault basis).

Coverage that is not subject to coordination of benefits includes the following:

- Hospital indemnity coverage or other fixed indemnity coverage.
- Accident-only coverage.
- Specified disease or specified accident coverage.

- Limited benefit health coverage, as defined by Iowa law.
- School accident-type coverage.
- Benefits for non-medical components of long-term care policies.
- Medicare supplement policies.
- Medicaid policies.
- Coverage under other governmental plans, unless permitted by law.

You must cooperate with Wellmark and provide requested information about other coverage. Failure to provide information can result in a denied claim. We may get the facts we need from or give them to other organizations or persons for the purpose of applying the following rules and determining the benefits payable under this plan and other plans covering you. We need not tell, or get the consent of, any person to do this.

Your Participating or PPO provider will forward your coverage information to us. If you have an Out-of-Network Provider, you are responsible for informing us about your other coverage.

Claim Filing

If you know that your other coverage has primary responsibility for payment, after you receive services or obtain a covered prescription drug, a claim should be submitted to your other insurance carrier first. If that claim is processed with an unpaid balance for benefits eligible under this group health plan, you or your provider should submit a claim to us and attach the other carrier's explanation of benefit payment. We may contact your provider or the other carrier for further information.

Rules of Coordination

We follow certain rules to determine which health plan or coverage pays first (as the primary plan) when other coverage provides

the same or similar benefits as this group health plan. Here are some of those rules:

- The primary plan pays or provides benefits according to its terms of coverage and without regard to the benefits under any other plan. Except as provided below, a plan that does not contain a coordination of benefits provision that is consistent with applicable regulations is always primary unless the provisions of both plans state that the complying plan is primary.
- Coverage that is obtained by membership in a group and is designed to supplement a part of a basic package of benefits is excess to any other parts of the plan provided by the contract holder. (Examples of such supplementary coverage are major medical coverage that is superimposed over base plan hospital and surgical benefits and insurance-type coverage written in connection with a closed panel plan to provide Out-of-Network benefits.)

The following rules are to be applied in order. The first rule that applies to your situation is used to determine the primary plan.

- The coverage that you have as an employee, plan member, subscriber, policy holder, or retiree pays before coverage that you have as a spouse or dependent. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the plan covering the person as a dependent and primary to the plan covering the person as other than a dependent (e.g., a retired employee), then the order of benefits between the two plans is reversed, so that the plan covering the person as the employee, plan member, subscriber, policy holder or retiree is the secondary plan and the other plan is the primary plan.
- The coverage that you have as the result of active employment (not laid off or

retired) pays before coverage that you have as a laid-off or retired employee. The same would be true if a person is a dependent of an active employee and that same person is a dependent of a retired or laid-off employee. If the other plan does not have this rule and, as a result, the plans do not agree on the order of benefits, this rule is ignored.

- If a person whose coverage is provided pursuant to COBRA or under a right of continuation provided by state or other federal law is covered under another plan, the plan covering the person as an employee, plan member, subscriber, policy holder or retiree or covering the person as a dependent of an employee, member, subscriber or retiree is the primary plan and the COBRA or state or other federal continuation coverage is the secondary plan. If the other plan does not have this rule and, as a result, the plans do not agree on the order of benefits, this rule is ignored.
- The coverage with the earliest continuous effective date pays first if none of the rules above apply.
- Notwithstanding the preceding rules, when you present your Blue Rx Complete ID card to a pharmacy as the primary payer, your Blue Rx Complete prescription drug benefits are primary for prescription drugs purchased at the pharmacy. If, under the preceding rules, your Blue Rx Complete prescription drug benefits are secondary and you present your Blue Rx Complete ID card to a pharmacy as the secondary payer, your Blue Rx Complete prescription drug benefits are secondary for prescription drugs purchased at the pharmacy.
- If the preceding rules do not determine the order of benefits, the benefits payable will be shared equally between the plans. In addition, this plan will not pay more than it would have paid had it been the primary plan.

Dependent Children

To coordinate benefits for a dependent child, the following rules apply (unless there is a court decree stating otherwise):

- If the child is covered by both parents who are married (and not separated) or who are living together, whether or not they have been married, then the coverage of the parent whose birthday occurs first in a calendar year pays first. If both parents have the same birthday, the plan that has covered the parent the longest is the primary plan.
- For a child covered by separated or divorced parents or parents who are not living together, whether or not they have been married:
 - If a court decree states that one of the parents is responsible for the child's health care expenses or coverage and the plan of that parent has actual knowledge of those terms, then that parent's coverage pays first. If the parent with responsibility has no health care coverage for the dependent child's health care expenses, but that parent's spouse does, that parent's spouse's coverage pays first. This item does not apply with respect to any plan year during which benefits are paid or provided before the entity has actual knowledge of the court decree provision.
 - If a court decree states that both parents are responsible for the child's health care expense or health care coverage or if a court decree states that the parents have joint custody without specifying that one parent has responsibility for the health care expenses or coverage of the dependent child, then the coverage of the parent whose birthday occurs first in a calendar year pays first. If both parents have the same birthday, the plan that has covered the parent the longest is the primary plan.
 - If a court decree does not specify which parent has financial or insurance responsibility, then the coverage of the parent with custody pays first. The payment order for the child is as follows: custodial parent, spouse of custodial parent, other parent, spouse of other parent. A custodial parent is the parent awarded custody by a court decree or, in the absence of a court decree, is the parent with whom the child resides more than one-half of the calendar year excluding any temporary visitation.

If none of these rules apply to your situation, we will follow the Iowa Insurance Division's Coordination of Benefits guidelines to determine this group health plan payment.

Effects on the Benefits of this Plan

In determining the amount to be paid for any claim, the secondary plan will calculate the benefits it would have paid in the absence of other coverage and apply the calculated amount to any allowable expense under its plan that is unpaid by the primary plan. The secondary plan may then reduce its payment by the amount so that, when combined with the amount paid by the primary plan, total benefits paid or provided by all plans for the claim do not exceed the total allowable expense for that claim. In addition, the secondary plan will credit to its applicable deductible any amounts it would have credited to its deductible in the absence of other coverage.

Right of Recovery

If the amount of payments made by us is more than we should have paid under these coordination of benefits provisions, we may recover the excess from any of the persons to or for whom we paid, or from any other person or organization that may be responsible for the benefits or services provided for the covered person. The amount of payments made includes the

reasonable cash value of any benefits provided in the form of services.

Coordination with Medicare

For medical claims only, Medicare is by law the secondary coverage to group health plans in a variety of situations.

The following provisions apply only if you have both Medicare and employer group health coverage under your medical benefits and your employer has the required minimum number of employees.

Medicare Part B Drugs

Drugs paid under Medicare Part B are covered under the medical benefits of this plan.

Working Aged

If you are a member of a group health plan of an employer with at least 20 employees for each working day for at least 20 calendar weeks in the current or preceding year, then Medicare is the secondary payer if the beneficiary is:

- Age 65 or older; and
- A current employee or spouse of a current employee covered by an employer group health plan.

Working Disabled

If you are a member of a group health plan of an employer with at least 100 full-time, part-time, or leased employees on at least 50 percent of regular business days during the preceding calendar year, then Medicare is the secondary payer if the beneficiary is:

- Under age 65;
- A recipient of Medicare disability benefits; and
- A current employee or a spouse or dependent of a current employee, covered by an employer group health plan.

End-Stage Renal Disease (ESRD)

The ESRD requirements apply to group health plans of all employers, regardless of the number of employees. Under these requirements, Medicare is the secondary payer during the first 30 months of Medicare coverage if both of the following are true:

- The beneficiary has Medicare coverage as an ESRD patient; and
- The beneficiary is covered by an employer group health plan.

If the beneficiary is already covered by Medicare due to age or disability and the beneficiary becomes eligible for Medicare ESRD coverage, Medicare generally is the secondary payer during the first 30 months of ESRD eligibility. However, if the group health plan is secondary to Medicare (based on other Medicare secondary-payer requirements) at the time the beneficiary becomes covered for ESRD, the group health plan remains secondary to Medicare.

This is only a general summary of the laws, which may change from time to time. For more information, contact your employer or the Social Security Administration.

12. Appeals

Right of Appeal

You have the right to one full and fair review in the case of an adverse benefit determination that denies, reduces, or terminates benefits, or fails to provide payment in whole or in part. Adverse benefit determinations include a denied or reduced claim or an adverse benefit determination concerning a pre-service notification requirement. Pre-service notification requirements are:

- A precertification request.
- A notification of admission or services.
- A prior approval request.
- A prior authorization request for prescription drugs.

How to Request an Internal Appeal

You or your authorized representative, if you have designated one, may appeal an adverse benefit determination within 180 days from the date you are notified of our adverse benefit determination by submitting a written appeal. Appeal forms are available at our website, *Wellmark.com*. See *Authorized Representative*, page 79.

Medically Urgent Appeal

To appeal an adverse benefit determination involving a medically urgent situation, you may request an expedited appeal, either orally or in writing. Medically urgent generally means a situation in which your health may be in serious jeopardy or, in the opinion of your physician, you may experience severe pain that cannot be adequately controlled while you wait for a decision.

Non-Medically Urgent Appeal

To appeal an adverse benefit determination that is not medically urgent, you must make your request for a review in writing.

What to Include in Your Internal Appeal

You must submit all relevant information with your appeal, including the reason for your appeal. This includes written comments, documents, or other information in support of your appeal. You must also submit:

- Date of your request.
- Your name (please type or print), address, and if applicable, the name and address of your authorized representative.
- Member identification number.
- Claim number from your Explanation of Benefits, if applicable.
- Date of service in question.

For a prescription drug appeal, you also must submit:

- Name and phone number of the pharmacy.
- Name and phone number of the practitioner who wrote the prescription.
- A copy of the prescription.
- A brief description of your medical reason for needing the prescription.

If you have difficulty obtaining this information, ask your provider or pharmacist to assist you.

Where to Send Internal Appeal

Wellmark Blue Cross and Blue Shield of Iowa
Special Inquiries
P.O. Box 9232, Station 5W189
Des Moines, IA 50306-9232

Review of Internal Appeal

Your request for an internal appeal will be reviewed only once. The review will take into account all information regarding the

adverse benefit determination whether or not the information was presented or available at the initial determination. Upon request, and free of charge, you will be provided reasonable access to and copies of all relevant records used in making the initial determination.

The review will not be conducted by the original decision makers or any of their subordinates. The review will be conducted without regard to the original decision. If a decision requires medical judgment, we will consult an appropriate medical expert who was not previously involved in the original decision and who has no conflict of interest in making the decision. If we deny your appeal, in whole or in part, you may request, in writing, the identity of the medical expert we consulted.

Decision on Internal Appeal

The decision on appeal is the final internal determination. Once a decision on internal appeal is reached, your right to internal appeal is exhausted.

Medically Urgent Appeal

For a medically urgent appeal, you will be notified (by telephone, e-mail, fax or another prompt method) of our decision as soon as possible, based on the medical situation, but no later than 72 hours after your expedited appeal request is received. If the decision is adverse, a written notification will be sent.

All Other Appeals

For all other appeals, you will be notified in writing of our decision. Most appeal requests will be determined within 30 days and all appeal requests will be determined within 60 days.

External Review

You have the right to request an external review of a final adverse determination involving a covered service when the determination involved:

- Medical necessity.

- Appropriateness of services or supplies, including health care setting, level of care, or effectiveness of treatment.
- Investigational or experimental services or supplies.
- Concurrent review or admission to a facility. See *Notification Requirements and Care Coordination*, page 43.

An adverse determination eligible for external review does not include a denial of coverage for a service or treatment specifically excluded under this plan.

The external review will be conducted by independent health care professionals who have no association with us and who have no conflict of interest with respect to the benefit determination.

Have you exhausted the appeal process?

Before you can request an external review, you must first exhaust the internal appeal process described earlier in this section. However, if you have not received a decision regarding the adverse benefit determination within 30 days following the date of your request for an appeal, you are considered to have exhausted the internal appeal process.

Requesting an external review. You or your authorized representative may request an external review through the Iowa Insurance Division by completing an External Review Request Form and submitting the form as described in this section. You may obtain this request form by calling the Customer Service number on your ID card, by visiting our website at Wellmark.com, by contacting the Iowa Insurance Division, or by visiting the Iowa Insurance Division's website at www.iid.state.ia.us.

You will be required to authorize the release of any medical records that may be required to be reviewed for the purpose of reaching a decision on your request for external review.

Requests must be filed in writing at the following address, no later than four months

after you receive notice of the final adverse benefit determination:

Iowa Insurance Division
Two Ruan Center
601 Locust, 4th Floor
Des Moines, IA 50309-3738
Fax: 515-281-3059
E-mail:
iid.marketregulation@iid.iowa.gov

How the review works. Upon notification that an external review request has been filed, Wellmark will make a preliminary review of the request to determine whether the request may proceed to external review. Following that review, the Iowa Insurance Division will decide whether your request is eligible for an external review, and if it is, the Iowa Insurance Division will assign an independent review organization (IRO) to conduct the external review. You will be advised of the name of the IRO and will then have five business days to provide new information to the IRO. The IRO will make a decision within 45 days of the date the Iowa Insurance Division receives your request for an external review.

Need help? You may contact the Iowa Insurance Division at **877-955-1212** at any time for assistance with the external review process.

Expedited External Review

You do not need to exhaust the internal appeal process to request an external review of an adverse determination or a final adverse determination if you have a medical condition for which the time frame for completing an internal appeal or for completing a standard external review would seriously jeopardize your life or health or would jeopardize your ability to regain maximum function.

You may also have the right to request an expedited external review of a final adverse determination that concerns an admission, availability of care, concurrent review, or service for which you received emergency

services, and you have not been discharged from a facility.

If our adverse benefit determination is that the service or treatment is experimental or investigational and your treating physician has certified in writing that delaying the service or treatment would render it significantly less effective, you may also have the right to request an expedited external review.

You or your authorized representative may submit an oral or written expedited external review request to the Iowa Insurance Division by contacting the Iowa Insurance Division at **877-955-1212**.

If the Insurance Division determines the request is eligible for an expedited external review, the Division will immediately assign an IRO to conduct the review and a decision will be made expeditiously, but in no event more than 72 hours after the IRO receives the request for an expedited external review.

Legal Action

You shall not start legal action against us until you have exhausted the appeal procedure described in this section.

13. General Provisions

Contract

The conditions of your coverage are defined in your contract. Your contract includes:

- Any application you submitted to us or to your employer or group sponsor.
- Any agreement or group policy we have with your employer or group sponsor.
- Any application completed by your employer or group sponsor.
- This coverage manual and any riders or amendments.

All of the statements made by you or your employer or group sponsor in any of these materials will be treated by us as representations, not warranties.

Interpreting this Coverage Manual

We will interpret the provisions of this coverage manual and determine the answer to all questions that arise under it. We have the administrative discretion to determine whether you meet our written eligibility requirements, or to interpret any other term in this coverage manual. If any benefit described in this coverage manual is subject to a determination of medical necessity, unless otherwise required by law, we will make that factual determination. Our interpretations and determinations are final and conclusive.

There are certain rules you must follow in order for us to properly administer your benefits. Different rules appear in different sections of your coverage manual. You should become familiar with the entire document.

Authority to Terminate, Amend, or Modify

Your employer or group sponsor has the authority to terminate, amend, or modify the coverage described in this coverage

manual at any time. Any amendment or modification will be in writing and will be as binding as this coverage manual. If your contract is terminated, you may not receive benefits.

Authorized Group Benefits Plan Changes

No agent, employee, or representative of ours is authorized to vary, add to, change, modify, waive, or alter any of the provisions described in this coverage manual. This coverage manual cannot be changed except by one of the following:

- Written amendment signed by an authorized officer and accepted by you or your employer or group sponsor.
- Our receipt of proper notification that an event has changed your spouse or dependent's eligibility for coverage. See *Coverage Changes and Termination*, page 63.

Authorized Representative

You may authorize another person to represent you and with whom you want us to communicate regarding specific claims or an appeal. This authorization must be in writing, signed by you, and include all the information required in our Authorized Representative Form. This form is available at *Wellmark.com* or by calling the Customer Service number on your ID card.

In a medically urgent situation your treating health care practitioner may act as your authorized representative without completion of the Authorized Representative Form.

An assignment of benefits, release of information, or other similar form that you may sign at the request of your health care provider does not make your provider an authorized representative. You may authorize only one person as your

representative at a time. You may revoke the authorized representative at any time.

Release of Information

By enrolling in this group health plan, you have agreed to release any necessary information requested about you so we can process claims for benefits.

You must allow any provider, facility, or their employee to give us information about a treatment or condition. If we do not receive the information requested, or if you withhold information, your benefits may be denied. If you fraudulently use your coverage or misrepresent or conceal material facts when providing information, then we may terminate your coverage under this group health plan.

Privacy of Information

Your employer or group sponsor is required to protect the privacy of your health information. It is required to request, use, or disclose your health information only as permitted or required by law. For example, your employer or group sponsor has contracted with Wellmark to administer this group health plan and Wellmark will use or disclose your health information for treatment, payment, and health care operations according to the standards and specifications of the federal privacy regulations.

Treatment

We may disclose your health information to a physician or other health care provider in order for such health care provider to provide treatment to you.

Payment

We may use and disclose your health information to pay for covered services from physicians, hospitals, and other providers, to determine your eligibility for benefits, to coordinate benefits, to determine medical necessity, to obtain payment from your employer or group sponsor, to issue explanations of benefits to the person enrolled in the group health plan in which

you participate, and the like. We may disclose your health information to a health care provider or entity subject to the federal privacy rules so they can obtain payment or engage in these payment activities.

Health Care Operations

We may use and disclose your health information in connection with health care operations. Health care operations include, but are not limited to, determining payment and rates for your group health plan; quality assessment and improvement activities; reviewing the competence or qualifications of health care practitioners, evaluating provider performance, conducting training programs, accreditation, certification, licensing, or credentialing activities; medical review, legal services, and auditing, including fraud and abuse detection and compliance; business planning and development; and business management and general administrative activities.

Other Disclosures

Your employer or group sponsor or Wellmark is required to obtain your explicit authorization for any use or disclosure of your health information that is not permitted or required by law. For example, we may release claim payment information to a friend or family member to act on your behalf during a hospitalization if you submit an authorization to release information to that person. If you give us an authorization, you may revoke it in writing at any time. Your revocation will not affect any use or disclosures permitted by your authorization while it was in effect.

Member Health Support Services

Wellmark may from time to time make available to you certain health support services (such as disease management), for a fee or for no fee. Wellmark may offer financial and other incentives to you to use such services. As a part of the provision of these services, Wellmark may:

- Use your personal health information (including, but not limited to, substance abuse, mental health, and HIV/AIDS information); and
- Disclose such information to your health care providers and Wellmark's health support service vendors, for purposes of providing such services to you.

Wellmark will use and disclose information according to the terms of our Privacy Practices Notice, which is available upon request or at *Wellmark.com*.

Value Added or Innovative Benefits

Wellmark may, from time to time, make available to you certain value added or innovative benefits for a fee or for no fee. Examples include Blue 365, identity theft protections, and discounts on alternative/preventive therapies, fitness, exercise and diet assistance, and elective procedures as well as resources to help you make more informed health decisions. Wellmark may also provide rewards or incentives under this plan if you participate in certain voluntary wellness activities or programs that encourage healthy behaviors. Your employer is responsible for any income and employment tax withholding, depositing and reporting obligations that may apply to the value of such rewards and incentives.

Value-Based Programs

Value-based programs involve local health care organizations that are held accountable for the quality and cost of care delivered to a defined population. Value-based programs can include accountable care organizations (ACOs), patient centered medical homes (PCMHs), and other programs developed by Wellmark, Blue Cross Blue Shield Association, or other Blue Cross Blue Shield health plans ("Blue Plans"). Wellmark and Blue Plans have entered into collaborative arrangements with value-based programs under which the health care providers participating in them are eligible for

financial incentives relating to quality and cost-effective care of Wellmark members. Your claims information may be used by the value-based program and any providers involved in such value-based program.

Nonassignment

Benefits for covered services under this group health plan are for your personal benefit and cannot be transferred or assigned to anyone else without our consent. You are prohibited from assigning any claim or cause of action arising out of or relating to this group health plan. Any attempt to assign this group health plan or rights to payment will be void.

Governing Law

To the extent not superseded by the laws of the United States, the group health plan will be construed in accordance with and governed by the laws of the state of Iowa. Any action brought because of a claim under this plan will be litigated in the state or federal courts located in the state of Iowa and in no other.

Legal Action

You shall not start any legal action against us unless you have exhausted the applicable appeal process and the external review process described in the *Appeals* section.

You shall not bring any legal or equitable action against us because of a claim under this group health plan, or because of the alleged breach of this plan, more than two years after the end of the calendar year in which the services or supplies were provided.

Medicaid Enrollment and Payments to Medicaid

Assignment of Rights

This group health plan will provide payment of benefits for covered services to you, your beneficiary, or any other person who has been legally assigned the right to receive such benefits pursuant to Title XIX of the Social Security Act (Medicaid).

Enrollment Without Regard to Medicaid

Your receipt or eligibility for benefits under Medicaid will not affect your enrollment as a participant or beneficiary of this group health plan, nor will it affect our determination of benefits.

Acquisition by States of Rights of Third Parties

If payment has been made by Medicaid and Wellmark has a legal obligation to provide benefits for those services, Wellmark will make payment of those benefits in accordance with any state law under which a state acquires the right to such payments.

Medicaid Reimbursement

When a PPO or Participating provider submits a claim to a state Medicaid program for a covered service and Wellmark reimburses the state Medicaid program for the service, Wellmark's total payment for the service will be limited to the amount paid to the state Medicaid program. No additional payments will be made to the provider or to you.

Subrogation

Right of Subrogation

If you or your legal representative have a claim to recover money from a third party and this claim relates to an illness or injury for which this group health plan provides benefits, we, on behalf of your employer or group sponsor, will be subrogated to you and your legal representative's rights to recover from the third party as a condition to your receipt of benefits.

Right of Reimbursement

If you have an illness or injury as a result of the act of a third party or arising out of obligations you have under a contract and you or your legal representative files a claim under this group health plan, as a condition of receipt of benefits, you or your legal representative must reimburse us for all benefits paid for the illness or injury from money received from the third party or its insurer, or under the contract, to the extent

of the amount paid by this group health plan on the claim.

Once you receive benefits under this group health plan arising from an illness or injury, we will assume any legal rights you have to collect compensation, damages, or any other payment related to the illness or injury from any of the following:

- The responsible person or that person's insurer.
- Uninsured motorist coverage.
- Underinsured motorist coverage.
- Other insurance coverage, including but not limited to homeowner's, motor vehicle, or medical payments insurance.

You agree to recognize our rights under this group health plan to subrogation and reimbursement. These rights provide us with a priority over any money paid by a third party to you relative to the amount paid by this group health plan, including priority over any claim for non-medical charges, or other costs and expenses. We will assume all rights of recovery, to the extent of payment made under this group health plan, regardless of whether payment is made before or after settlement of a third party claim, and regardless of whether you have received full or complete compensation for an illness or injury.

Procedures for Subrogation and Reimbursement

You or your legal representative must do whatever we request with respect to the exercise of our subrogation and reimbursement rights, and you agree to do nothing to prejudice those rights. In addition, at the time of making a claim for benefits, you or your legal representative must inform us in writing if you have an illness or injury caused by a third party or arising out of obligations you have under a contract. You or your legal representative must provide the following information, by registered mail, within seven (7) days of such illness or injury to us as a condition to receipt of benefits:

- The name, address, and telephone number of the third party that in any way caused the illness or injury or is a party to the contract, and of the attorney representing the third party;
- The name, address and telephone number of the third party's insurer and any insurer of you;
- The name, address and telephone number of your attorney with respect to the third party's act;
- Prior to the meeting, the date, time and location of any meeting between the third party or his attorney and you, or your attorney;
- All terms of any settlement offer made by the third party or his insurer or your insurer;
- All information discovered by you or your attorney concerning the insurance coverage of the third party;
- The amount and location of any money that is recovered by you from the third party or his insurer or your insurer, and the date that the money was received;
- Prior to settlement, all information related to any oral or written settlement agreement between you and the third party or his insurer or your insurer;
- All information regarding any legal action that has been brought on your behalf against the third party or his insurer; and
- All other information requested by us.

Send this information to:

Wellmark Blue Cross and Blue Shield of Iowa
1331 Grand Avenue, Station 5E151
Des Moines, IA 50309-2901

You also agree to all of the following:

- You will immediately let us know about any potential claims or rights of recovery related to the illness or injury.
- You will furnish any information and assistance that we determine we will need to enforce our rights under this group health plan.

- You will do nothing to prejudice our rights and interests including, but not limited to, signing any release or waiver (or otherwise releasing) our rights, without obtaining our written permission.
- You will not compromise, settle, surrender, or release any claim or right of recovery described above, without obtaining our written permission.
- If payment is received from the other party or parties, you must reimburse us to the extent of benefit payments made under this group health plan.
- In the event you or your attorney receive any funds in compensation for your illness or injury, you or your attorney will hold those funds (up to and including the amount of benefits paid under this group health plan in connection with the illness or injury) in trust for the benefit of this group health plan as trustee(s) for us until the extent of our right to reimbursement or subrogation has been resolved.
- In the event you invoke your rights of recovery against a third-party related to the illness or injury, you will not seek an advancement of costs or fees from us.
- The amount of our subrogation interest shall be paid first from any funds recovered on your behalf from any source, without regard to whether you have been made whole or fully compensated for your losses, and the "make whole" rule is specifically rejected and inapplicable under this group health plan.
- We will not be liable for payment of any share of attorneys' fees or other expenses incurred in obtaining any recovery, except as expressly agreed in writing, and the "common fund" rule is specifically rejected and inapplicable under this group health plan.

It is further agreed that in the event that you fail to take the necessary legal action to recover from the responsible party, we shall have the option to do so and may proceed in

its name or your name against the responsible party and shall be entitled to the recovery of the amount of benefits paid under this group health plan and shall be entitled to recover its expenses, including reasonable attorney fees and costs, incurred for such recovery.

In the event we deem it necessary to institute legal action against you if you fail to repay us as required in this group health plan, you shall be liable for the amount of such payments made by us as well as all of our costs of collection, including reasonable attorney fees and costs.

You hereby authorize the deduction of any excess benefit received or benefits that should not have been paid, from any present or future compensation payments.

You and your covered family member(s) must notify us if you have the potential right to receive payment from someone else. You must cooperate with us to ensure that our rights to subrogation are protected.

Our right of subrogation and reimbursement under this group health plan applies to all rights of recovery, and not only to your right to compensation for medical expenses. A settlement or judgment structured in any manner not to include medical expenses, or an action brought by you or on your behalf which fails to state a claim for recovery of medical expenses, shall not defeat our rights of subrogation and reimbursement if there is any recovery on your claim.

We reserve the right to offset any amounts owed to us against any future claim payments.

Workers' Compensation

If you have received benefits under this group health plan for an injury or condition that is the subject or basis of a workers' compensation claim (whether litigated or not), we are entitled to reimbursement to the extent of benefits paid under this plan from your employer, your employer's workers' compensation carrier, or you in the

event that your claim is accepted or adjudged to be covered under workers' compensation.

Furthermore, we are entitled to reimbursement from you to the full extent of benefits paid out of any proceeds you receive from any workers' compensation claim, regardless of whether you have been made whole or fully compensated for your losses, regardless of whether the proceeds represent a compromise or disputed settlement, and regardless of any characterization of the settlement proceeds by the parties to the settlement. We will not be liable for any attorney's fees or other expenses incurred in obtaining any proceeds for any workers' compensation claim.

We utilize industry standard methods to identify claims that may be work-related. This may result in initial payment of some claims that are work-related. We reserve the right to seek reimbursement of any such claim or to waive reimbursement of any claim, at our discretion.

Payment in Error

If for any reason we make payment in error, we may recover the amount we paid.

Glossary

The definitions in this section are terms that are used in various sections of this coverage manual. A term that appears in only one section is defined in that section.

Accidental Injury. An injury, independent of disease or bodily infirmity or any other cause, that happens by chance and requires immediate medical attention.

Admission. Formal acceptance as a patient to a hospital or other covered health care facility for a health condition.

BlueCard Program. The Blue Cross and Blue Shield Association program that permits members of any Blue Cross or Blue Shield Plan to have access to the advantages of PPO Providers throughout the United States.

Compounded Drugs. Compounded prescription drugs are produced by combining, mixing, or altering ingredients by a pharmacist to create an alternate strength or dosage form tailored to the specialized medical needs of an individual patient when an FDA-approved drug is unavailable or a licensed health care provider decides that an FDA-approved drug is not appropriate for a patient's medical needs.

Creditable Coverage. Any of the following categories of coverage:

- Group health plan (including government and church plans).
- Health insurance coverage (including group, individual, and short-term limited duration coverage).
- Medicare (Part A or B of Title XVIII of the Social Security Act).

- Medicaid (Title XIX of the Social Security Act).
- Medical care for members and certain former members of the uniformed services, and for their dependents (Chapter 55 of Title 10, United States Code).
- A medical care program of the Indian Health Service or of a tribal organization.

Group. Those plan members who share a common relationship, such as employment or membership.

Group Sponsor. The entity that sponsors this group health plan.

Illness or Injury. Any bodily disorder, bodily injury, disease, or mental health condition, including pregnancy and complications of pregnancy.

Maintenance. An industry-wide classification for prescription drug treatments to control specific, ongoing health conditions.

Medical Appliance. A device or mechanism designed to support or restrain part of the body (such as a splint, bandage or brace); to measure functioning or physical condition of the body (such as glucometers or devices to measure blood pressure); or to administer drugs (such as syringes).

Medically Urgent Situation. A situation where a longer, non-urgent response time to a pre-service notification could seriously jeopardize the life or health of the benefits plan member seeking services or, in the opinion of a physician with knowledge of the member's medical condition, would subject the member to severe pain that cannot be managed without the services in question.

Medicare. The federal government health insurance program established under Title XVIII of the Social Security Act for people age 65 and older and for individuals of any age entitled to monthly disability benefits under Social Security or the Railroad Retirement Program. Participating Pharmacy. A pharmacy that participates with the network used by your prescription drug benefits. Pharmacies that do not contract with our pharmacy benefits manager are considered Out-of-Network Providers.

Participating Providers. These providers participate with a Blue Cross and/or Blue Shield Plan in another state or service area but not with a preferred provider program. Pharmacies that contract with our pharmacy benefits manager are considered Participating Providers.

Plan Member. The person who signed for this group health plan.

Plan Year. A date used for purposes of determining compliance with federal legislation.

PPO Provider. A facility or practitioner that participates with a Blue Cross or Blue Shield preferred provider program.

Services or Supplies. Any services, supplies, treatments, devices, or drugs, as applicable in the context of this coverage manual, that may be used to diagnose or treat a medical condition.

Specialty Drugs. Drugs that are typically used for treating or managing chronic illnesses. These drugs are subject to restricted distribution by the U.S. Food and Drug Administration or require special

handling, provider coordination, or patient education that may not be provided by a retail pharmacy. Some specialty drugs may be taken orally, but others may require administration by injection, infusion, or inhalation.

Spouse. A man or woman lawfully married to a covered member.

Urgent Care Centers are classified by us as such in Iowa or South Dakota if they provide medical care without an appointment during all hours of operation to walk-in patients of all ages who are ill or injured and require immediate care but may not require the services of a hospital emergency room. For a list of Iowa or South Dakota facilities classified by Wellmark as Urgent Care Centers, please see the Wellmark Provider Directory.

We, Our, Us. Wellmark Blue Cross and Blue Shield of Iowa.

X-ray and Lab Services. Tests, screenings, imagings, and evaluation procedures identified in the American Medical Association's Current Procedural Terminology (CPT) manual, Standard Edition, under *Radiology Guidelines* and *Pathology and Laboratory Guidelines*.
