- Notes:
- 0 Not all parts are drop-in replacements. Please refer to individual datasheets for specific replacements.
 - 0 TI recently acquired the Harris Semiconductor line of logic products.
 - 0 IDT recently acquired the Quality Semiconductor line of logic products.
 - 0 In addition to the logic families listed above, Fairchild Semiconductor also offers ACQ versions of FACT Quiet Series™ (FACT QS™) as well as FASTr™ and 74C, all of which are sole-source to Fairchild.
 - 0 Also available from Fairchild Semiconductor is the SCAN family of IEEE 1149.1 board- and system-level test products.
