EnGenius DATASHEET
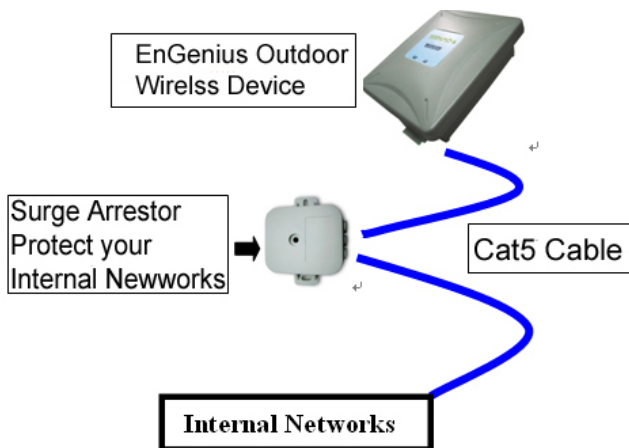

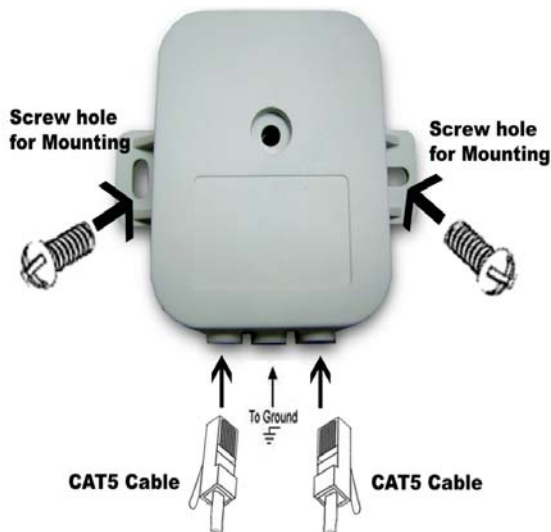

● **Installation Guide**

1. Place the unit in an appropriate place.
2. Plug one end of the Ethernet cable of Surge Arrester into the Wireless Device port of the RJ-45 Injector.
3. Place one end of another Ethernet cable of Surge Arrester into the Internal Network.

● **Product Highlight**

1) 10/100 Base-T CAT5 protection.

2) Convenient and integral mounting.

3) DC spark-over voltage ：75V +-25%

4) Impulse spark-over voltage ：at 100V/us <=500V

   at 1kV/us <=600V

5) RoHS Compliant

6) PCBA components

RJ-45
Surge absorber ES75XPA*10
PCB   2-layer FR-4 50x40x1.6mm
EARTH PARTS INCLUDE SCREW
