

PETBIT

PET ACTIVITY TRACKING

USER MANUAL

www.petbit.com

Petbit **Pet Activity Tracker**

Petbit tracks your **pets activity** 24 hours a day. You get the data and statistics directly on your smartphone, using the free Petbit app for iPhone and Android.

An active pet, is a healthy pet!

Pet points represent the activity of your pet during the day and are counted towards your set goal. Help your pet reach the daily goal by being more active with your pet.

4752°
OF 6000 PET POINTS

First Time Use (1) **Charge**

Please charge the Petbit device by using the included USB charging cable. Connect it to your PC or via a Tractive USB charger. A full battery icon on the display will indicate when Petbit is fully charged.

You can also order a wall outlet USB charger or car charger on www.tractive.com

First Time Use (2) **Download App**

Download the free Petbit application from the Apple App Store or the Google Play Store.

First Time Use (3) **Pair & Sync**

- 1) Make sure Bluetooth is enabled on your mobile phone
- 2) Turn on Petbit by pressing the hardware button for 3 seconds
- 3) Open the Petbit app & follow the instructions to add a new pet
- 4) Your phone will automatically pair with your device

Whenever your phone is close to Petbit your app will **automatically** sync the collected data.

Petbit has enough memory to store 7 days worth of activity data.

DECLARATION OF CONFORMITY

EMC Directive 1999/5/EC:

Short text of the Declaration of conformity: Tractive GmbH hereby declares that the Tractive PetBit (item no. TRAPB1) conforms to the fundamental requirements and other relevant provisions of directive 1999/5/EC. The full text of the declaration of conformity can be viewed on our website: www.petbit.com

FCC Compliance Statement

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

1. This device may not cause harmful interference, and
2. This device must accept any interference received, including interference that may cause undesired operation.

WARNING: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful inter-

ference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and the receiver.
- Consult the dealer or an experienced radio/TV technician for help.
