Print: To release Secure Print jobs

Files will be printed upon entering your passcode. The following describes how to print, or delete secure print jobs

- 1. From machine control panel, tap 👼 icon.
- 2. Tap [stored print jobs].
- 3. Tap [Secure Print]

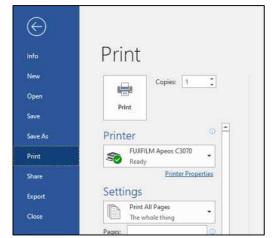

- 4. Select your User ID: If using a password, enter your passcode to continue.
- 5. Select required files to be printed. Enter Print Quantity and press **[Start]** to print or **[Delete]** to delete files stored in secure print folder.
- 4. Choose [Print & Delete] or [Print & Save].
- Or, press [cancel] to cancel the print job

Print: Booklet Creation (optional finisher)

Document can be printed into a 2-side multi-page booklet layout. Output can be finished with booklet finishing, fold and center stapling (optional)

 From application, select [Print], select the printer model, click [Printer Properties] / [Preference].

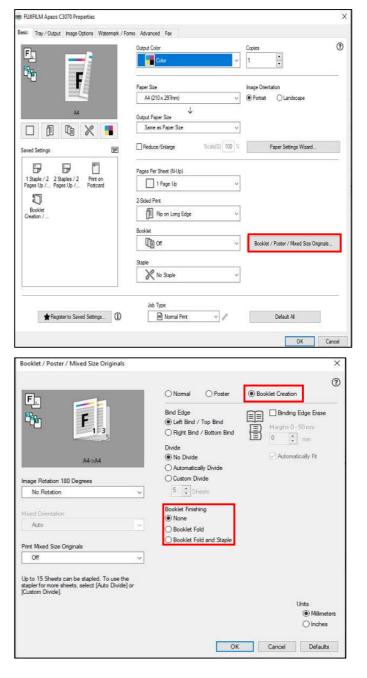

- 2. From the [Basic tab], select [Booklet/Poster/Mixed Sizes Originals...]
- 3. On **[Booklet /Poster/Mixed Sizes Originals...]** select options: Normal Poster Booklet Creation

 Select [Booklet Creation] [Bind Edge]
Left/Top Bind
Right/Bottom Bind
[Divide]
Automatically Divide
Custom Divide
[Booklet Finishing]*optional Feature
Booklet Fold
Booklet Fold And Staple

For more printing options, click on the other tabs.

Click **[ok]** on all open windows to proceed to print.

Print: Pages per Sheet N-Up

Allows you to combine multi page document and print onto one sheet of paper

 From application, select [Print], select the printer model, click [Printer Properties] / [Preference].

 From the [Basic] tab, select options: [Pages Per Sheet (N-up)] Choose from 2 to 32 ups. Select Image Order.

3. From the [Basic] tab, select options: [Paper Size] [Output Paper Size] [Image Orientation]

From the [Tray/Output] tab, select options:
[Paper Tray]
[Select By Trays]
[Advance Tray Settings...]

For more printing options, click on other tabs to select.

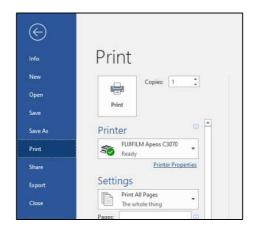

Click **[OK]** on all open windows to proceed to print.

Print: Watermark

Document can be printed with texts such as 'confidential' over the print job

 From application, select [Print], select the printer model, click [Printer Properties] / [Preference].

Maintenance : Replacing Consumables

Note: The machine will prompt a message when it is time to order a new Toner Cartridge.

Replacing Toner Container

Caution: Place a few sheets of paper on the floor before removing the cartridge.

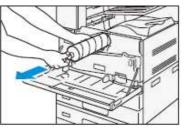

- This will allow any excess Toner to fall on the paper.
- Replace Toner Cartridges while the machine powered ON.
- Powering the machine OFF will erase all information stored in the machine's memory.

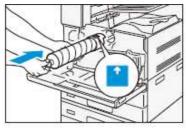

1. Ensure the machine is not operating, before opening the Front Cover.

1

I

2. Place your hand under the toner cartridge and slowly pull out the toner cartridge. Gently shake the cartridge

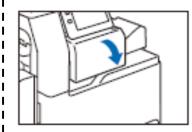

3. Orient the toner cartridge with the arrow facing up and insert the cartridge until it stops. Close the front cover

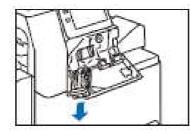

For used cartridges disposal/collection, please call us @ 1-300-88-1163

Maintenance: Replacing Consumables
