Teacher	

2 Enter your username and password and click Log in. If you wish to stay logged in on the device you are using, click Keep me logged in. However, we do not recommend this if you are using a shared or public device.

If you have registered yourself, your teacher may provide you with a Class Code so you can join their class.

The first time you log into Navio, you will be prompted to join a class.

Enter the Class Code provided by the teacher.

Select Join Class.

(1

The new class will appear under **My Classes**.

If you want to join a class later, you can go to your Settings on the app.

1 The first time you use Navio, you need to choose your avatar. Don't worry, you will be able to make changes later!

Choose your avatar and use the sliders to customise it.

#### Then click **Done**.

#### Next, choose your guide.

3 Meet your guides! Tap or click on one of the guides. You can change your guide whenever you want.

**Tip:** Your avatars and guides may vary depending on your course. You will see a variety of avatars throughout this guide.

If your teacher has graded some of your activities, you will see the notifications here.

Select the **Map** icon to open the unit menu.

Go to **Settings** to adjust your audio or display settings, join another class, log out or close the app. For step-by-step guidance, go to page 17.

In your **Student Profile** you can edit your avatar, change your guide and find out how many points and badges you have won. For step-by-step guidance, go to page 15.

Use the arrow keys to move between worlds. Tap or click **Play** to enter the world. For step-by-step guidance, go to page 12.

**Tip:** You can jump between the different units if you are not starting from Unit 1.

If you have a digital-only subscription, you will find your Digital Books in the home screen.

Click the book icon to open the menu.

**2** Select the book you want to open.

3 Use the buttons on the right to download the lessons you want to use.

Then click on a lesson to open it.

#### Explore the Digital Book screen.

Navio contains hours of language activities that follow the syllabus of your Macmillan course.

- Each lesson in the course is represented by a blue octagon in the world. Click on the blue octagon to make your avatar jump and enter the lesson menu.
- (2) Click on the Play button to open the activity.

**Tip:** Students must successfully complete each activity to unlock the next.

As you complete activities, you earn points and badges.

After each activity you can find out how many points and badges you have won, play the next activity or try again.

When you have won enough points, you can use them to customise your avatar.

1 Open your Student Profile and select **Edit** your avatar.

2

Choose the items you want to buy with your points. When you've finished, select **Done**.

In the Rewards screen, you can view your badge collection and track your progress.

You will earn different badges according to the types of activity you complete:

- **Presentation** activities, such as songs, stories and videos, earn a **blue badge**.
- Practice activities earn a green badge a life is lost for each wrong answer.
- When you successfully complete a Practice activity, you unlock a Challenge activity, which has three lives and a timer. The more you repeat these activities, the more points and badges you earn - bronze, silver and gold.

**Tip:** Navio encourages students to repeat activities to win extra points and badges. They can only get bronze, silver and gold badges by playing several times.
