7. Report

7.1 Sonologist Details Report

This part of user manual describes how a User can view the reports of Sonologist. Detailed procedure described in 7.1.2.

7.1.1 Process Flow

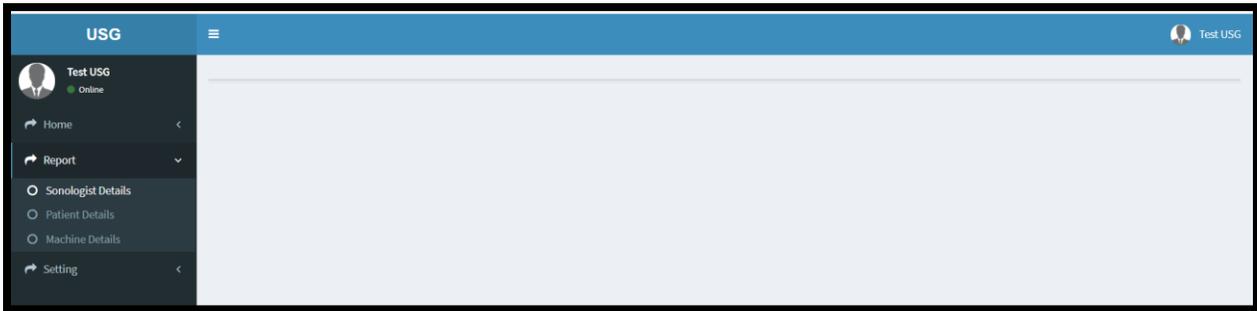

7.1.2 Detailed Steps

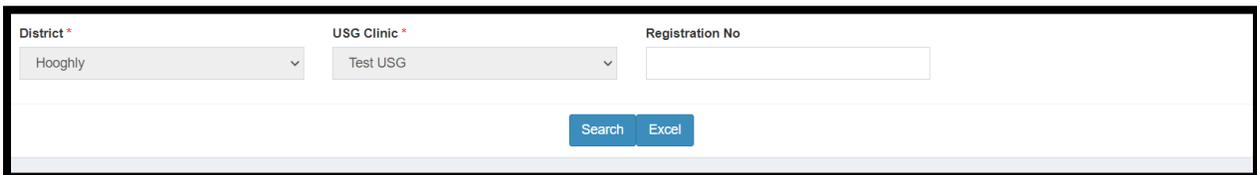

- The User clicks on the 'Sonologist Details' from the 'Report' main menu.
- The page will be redirected to the 'Sonologist Details' report page.
- User can either click on search button to display all the reports of sonologist oo the clinic or they can search by registration number of the sonologist to display the searched sonologist details. User can download the sonologist details by clicking on export to excel.

7.1.3 Screen Details

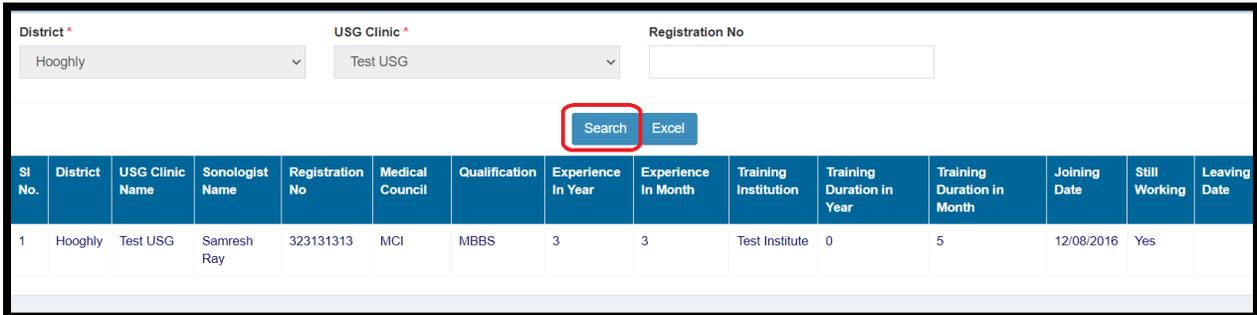

The User clicks on the 'Sonologist Details' from the 'Report' main menu.

The page will be redirected to the 'Sonologist Details' report page.

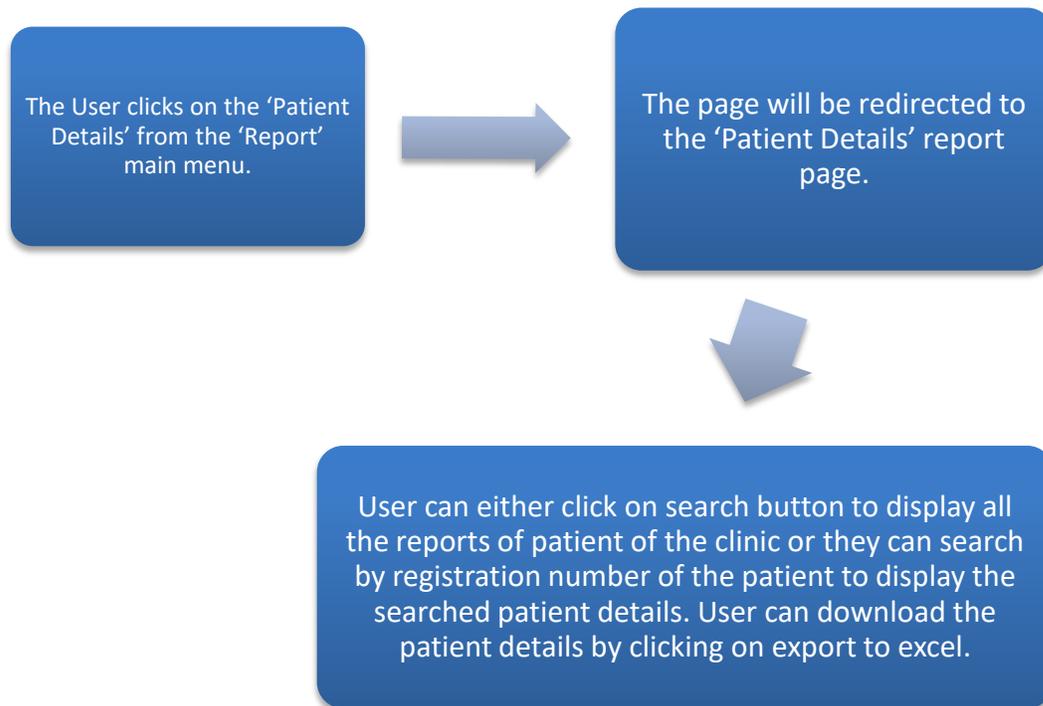

User can either click on search button to display all the reports of sonologist on the clinic or they can search by registration number of the sonologist to display the searched sonologist details. User can download the sonologist details by clicking on export to excel.

7.2 Patient Details Report

This part of user manual describes how a User can view the reports of Patient. Detailed procedure described in 7.2.2.

7.2.1 Process Flow

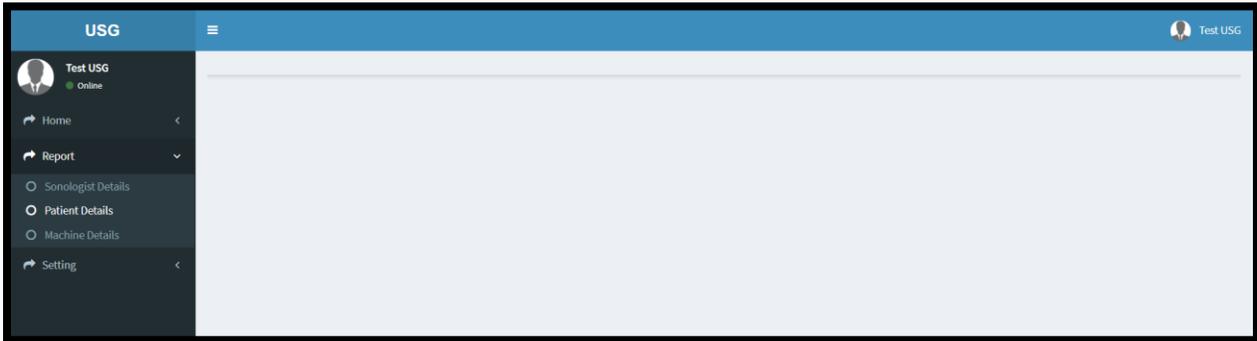

7.2.2 Detailed Steps

- The User clicks on the 'Patient Details' from the 'Report' main menu.
- The page will be redirected to the 'Patient Details' report page.
- User can either click on search button to display all the reports of patient of the clinic or they can search by registration number of the patient to display the searched patient details. User can download the patient details by clicking on export to excel.

7.2.3 Screen Details

The User clicks on the 'Patient Details' from the 'Report' main menu.

The page will be redirected to the 'Patient Details' report page.

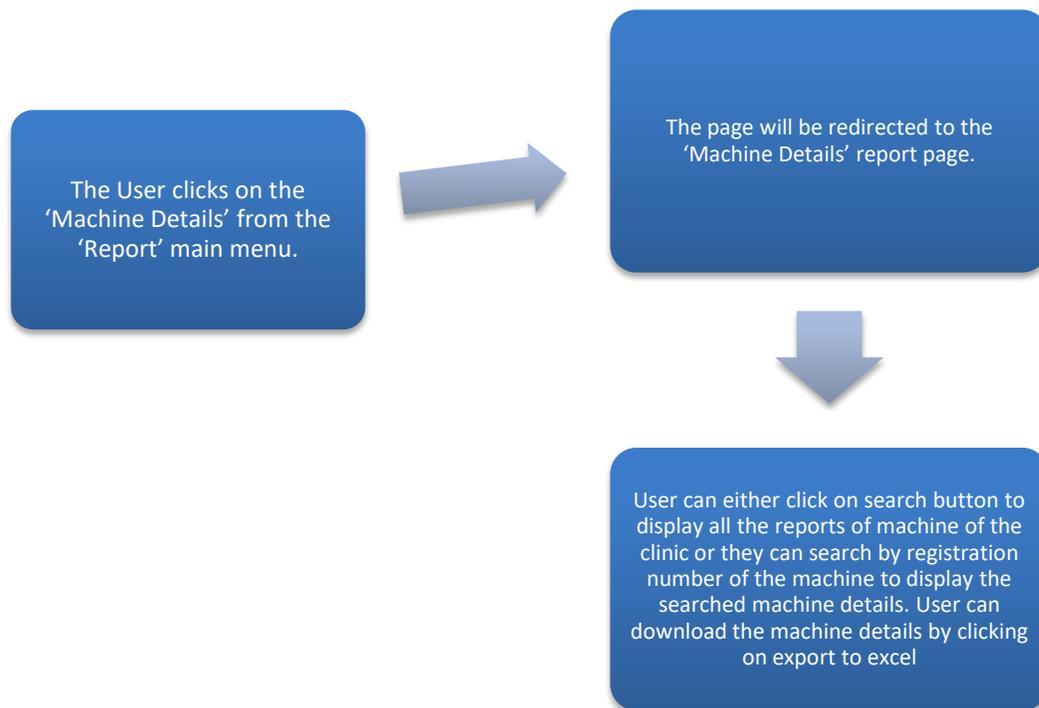

User can either click on search button to display all the reports of patient of the clinic or they can search by registration number of the patient to display the searched patient details. User can download the patient details by clicking on export to excel.

7.3 Machine Details Report

This part of user manual describes how a User can view the reports of Machines. Detailed procedure described in 7.3.2.

7.3.1 Process Flow

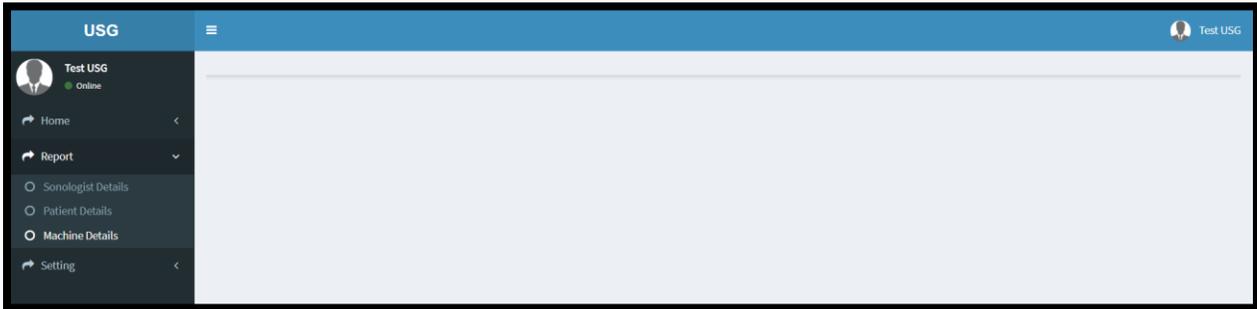

7.3.2 Detailed Steps

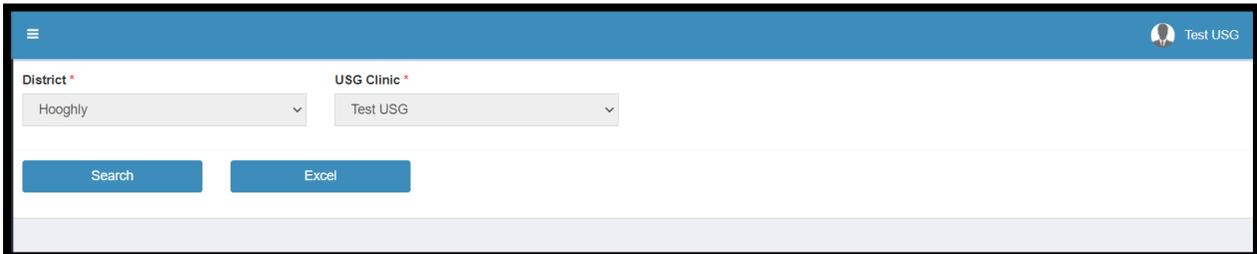

- The User clicks on the 'Machine Details' from the 'Report' main menu.
- The page will be redirected to the 'Machine Details' report page.
- User can either click on search button to display all the reports of machine of the clinic or they can search by registration number of the machine to display the searched machine details. User can download the machine details by clicking on export to excel.

7.3.3 Screen Details

The User clicks on the 'Machine Details' from the 'Report' main menu.

The page will be redirected to the 'Machine Details' report page

User can either click on search button to display all the reports of machine of the clinic or they can search by registration number of the machine to display the searched machine details. User can download the machine details by clicking on export to excel

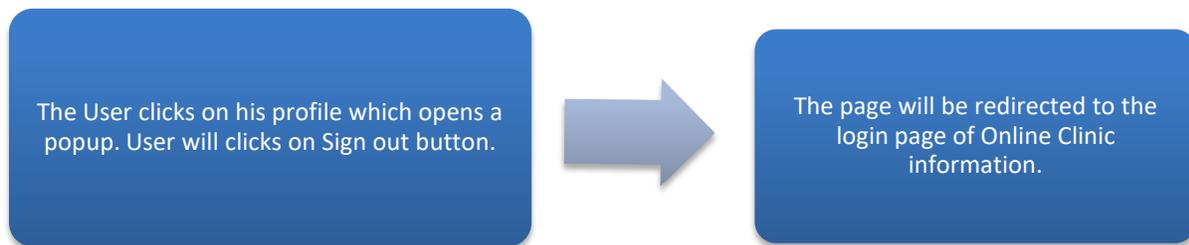

The screenshot shows the 'Machine Details' report page with a table of machine data. The table has 13 columns: SI No., District, USG Clinic Name, Manufacture, Model No, Serial No, Machine Type, Colour Dopler, PCPNDT Licence No, Document Submitted, Submission Date, Installation Date, and Current Status. There is one row of data.

SI No.	District	USG Clinic Name	Manufacture	Model No	Serial No	Machine Type	Colour Dopler	PCPNDT Licence No	Document Submitted	Submission Date	Installation Date	Current Status
1	Hooghly	Test USG	Test	46664	MEHO/222	Fixed	Yes	23456543336	Yes	08/01/2020	03/09/2020	Working

8. Logout

This part of user manual describes how a User logout from Online USG clinic. Detailed procedure described in 8.2.

8.1 Process Flow

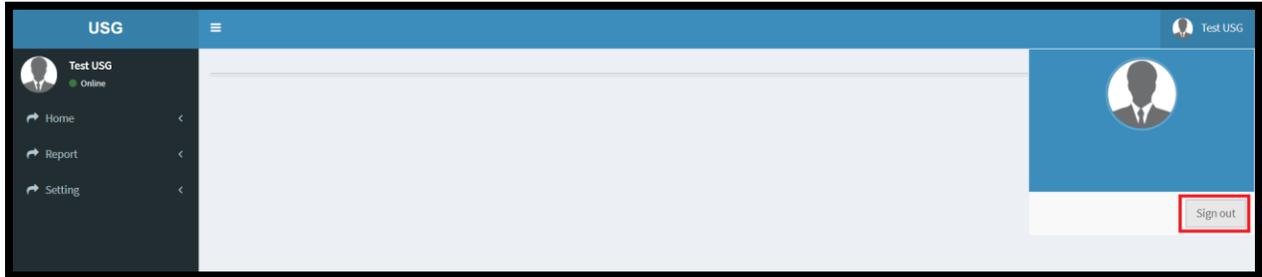

8.2 Detailed Step

- The User clicks on his profile which opens a popup. User will clicks on Sign out button.
- The page will be redirected to the login page of Online Clinic information.

8.3 Screen Details

The User clicks on his profile which opens a popup. User will clicks on Sign out button.

The page will be redirected to the login page of Online Clinic information.
