Rosetta Stone on Computer Access and User Guide

Provided by our Library!

It's the World's number 1 language learning tool.

Teaches languages with “Dynamic Immersion” method allows users to learn just like they did with their native language.

It's possible to access anytime, anywhere via computers and mobile devices.

Consists 30 languages.

Takes users to B1 level upon completion of a language.

Access Rosetta Stone:

- Launch Rosetta Stone® Foundations
- Contact Support

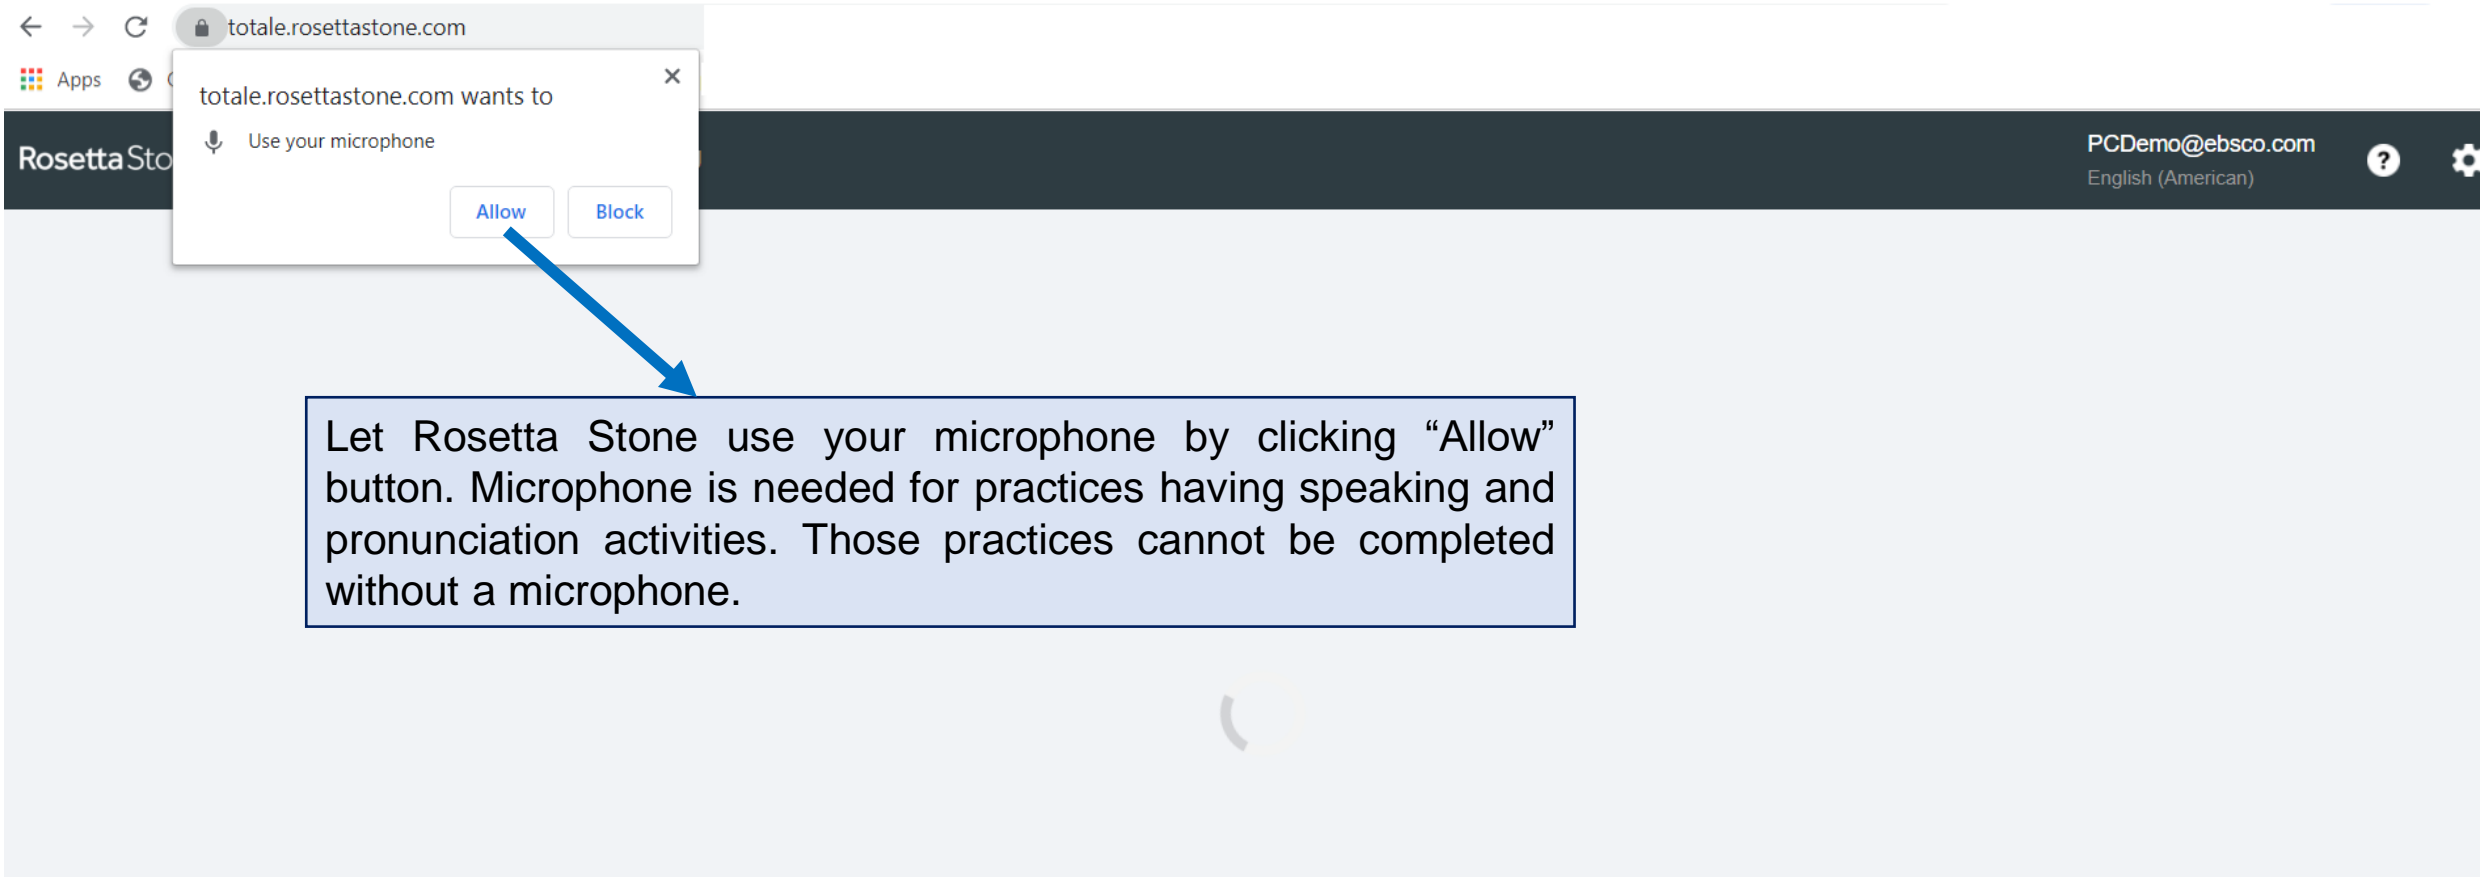

Click "Launch Rosetta Stone Foundations" link

Rosetta Stone and EBSCO Information Services have combined to offer your library the Rosetta Stone courses for 30 different languages.

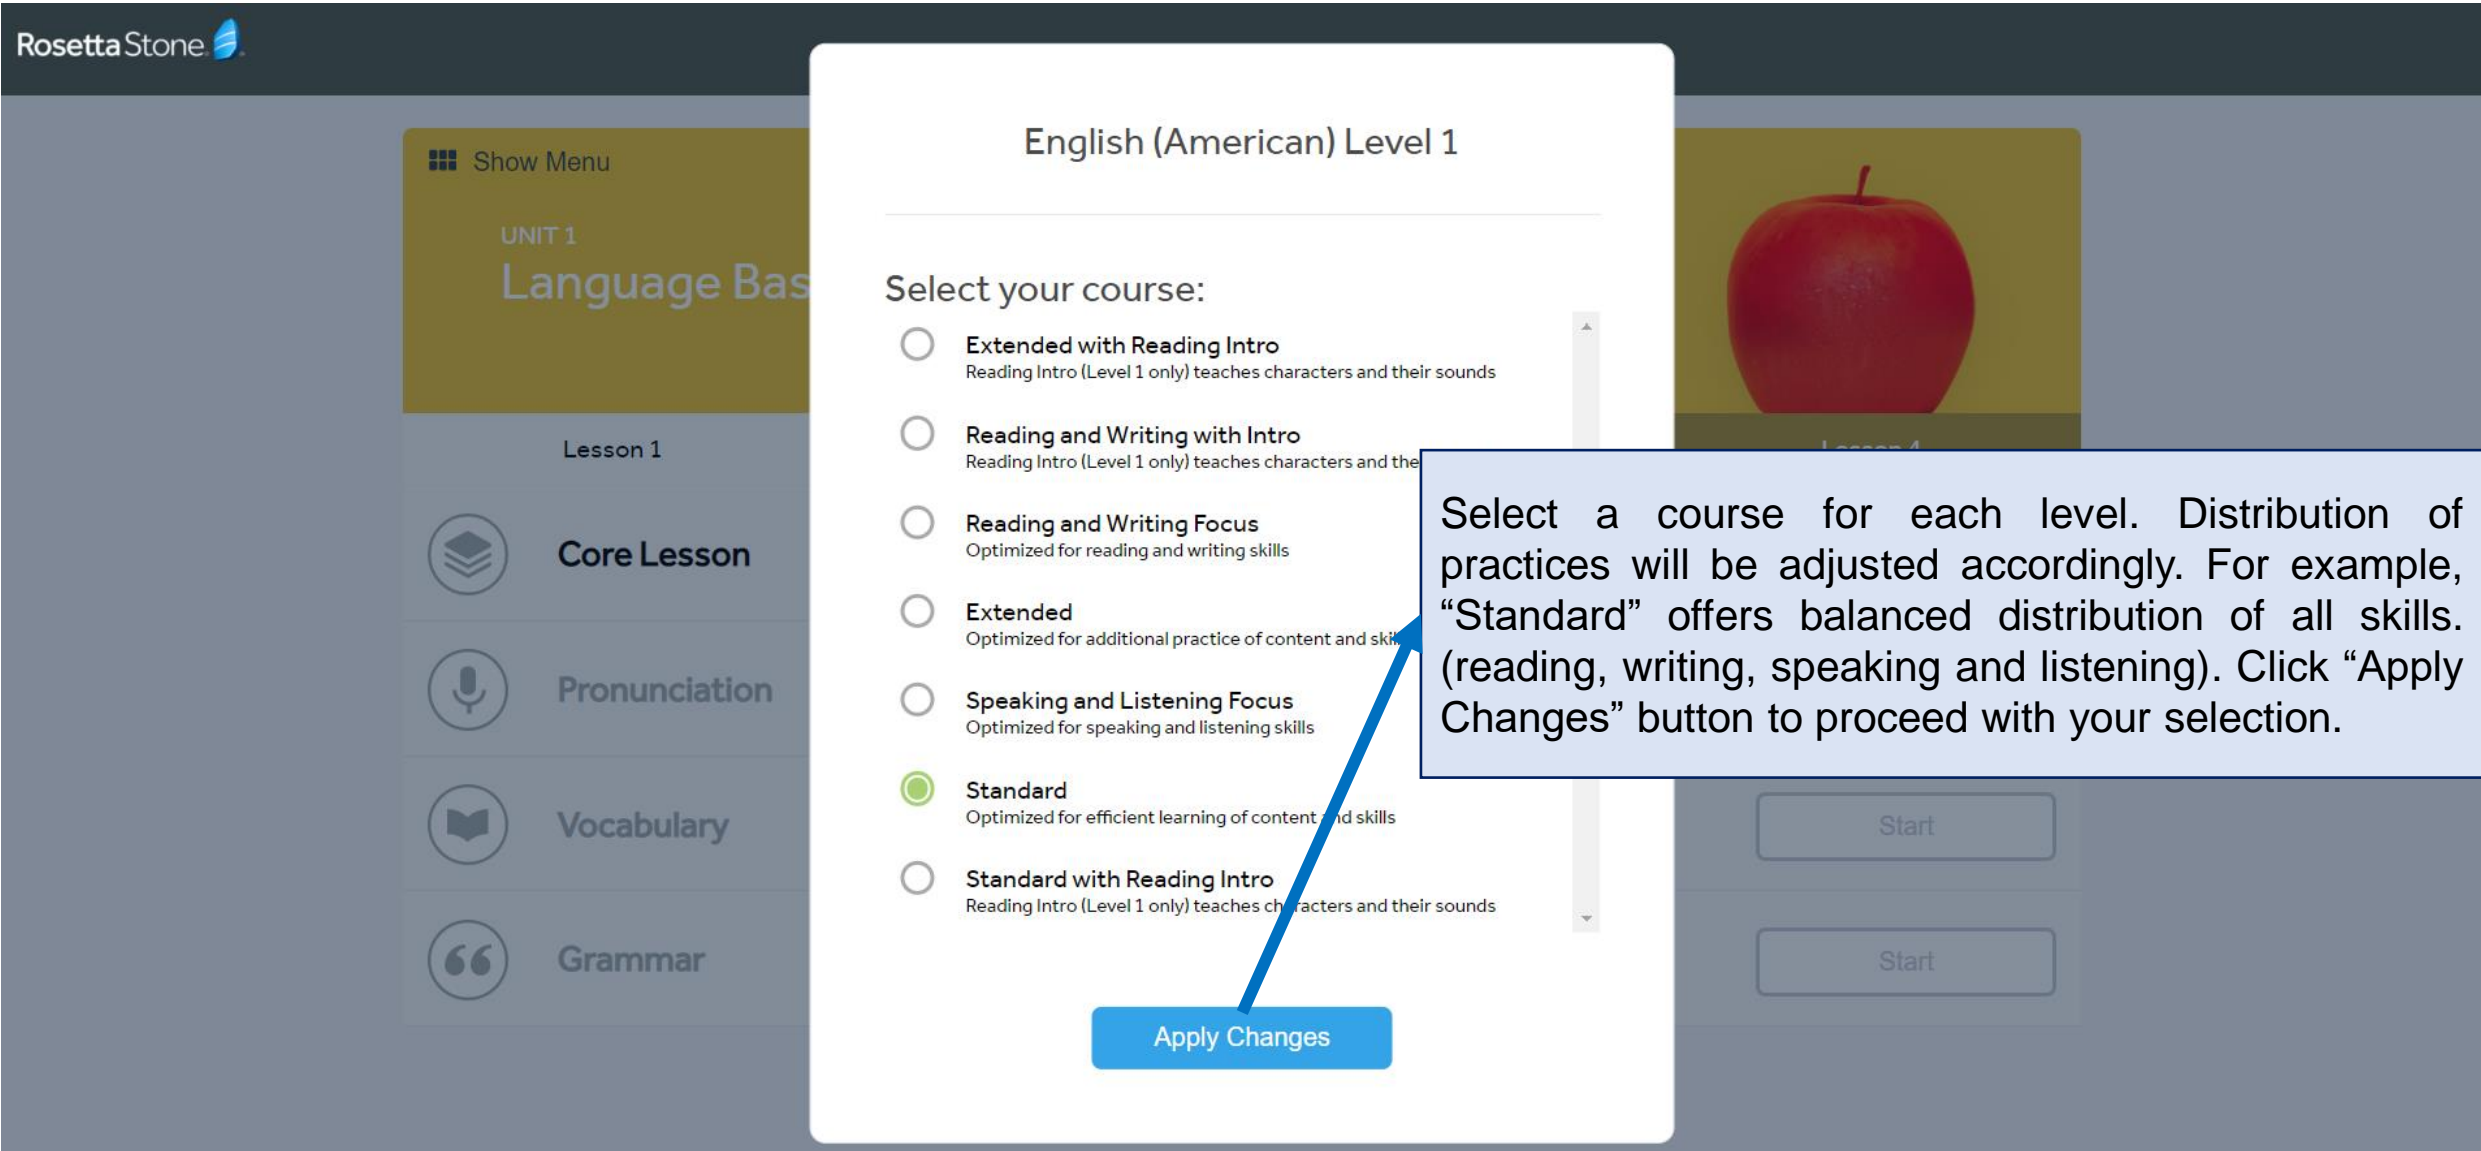

Rosetta Stone support handles authentication (access) questions and issues for rosettastone.com, rosettastoneenterprise.com, and all other product support requests. They can be reached [HERE](#).

At this time, EBSCO support teams handle all authentication (access)

Allowing Microphone

Selection of Course

The image shows the Rosetta Stone interface for selecting a course. On the left, a sidebar contains a 'Show Menu' button and a list of units: 'UNIT 1 Language Basics', 'Lesson 1', 'Core Lesson', 'Pronunciation', 'Vocabulary', and 'Grammar'. The main area is titled 'English (American) Level 1' and contains a 'Select your course:' section with seven radio button options. The 'Standard' option is selected, indicated by a green circle. A blue arrow points from a text box to the 'Standard' option. At the bottom of the selection area is a blue 'Apply Changes' button. On the right, a large red apple is visible, and below it are two 'Start' buttons.

- ☐ Extended with Reading Intro
Reading Intro (Level 1 only) teaches characters and their sounds
- ☐ Reading and Writing with Intro
Reading Intro (Level 1 only) teaches characters and their sounds
- ☐ Reading and Writing Focus
Optimized for reading and writing skills
- ☐ Extended
Optimized for additional practice of content and skills
- ☐ Speaking and Listening Focus
Optimized for speaking and listening skills
- ☒ Standard
Optimized for efficient learning of content and skills
- ☐ Standard with Reading Intro
Reading Intro (Level 1 only) teaches characters and their sounds

Apply Changes

Start

Start

Select a course for each level. Distribution of practices will be adjusted accordingly. For example, "Standard" offers balanced distribution of all skills. (reading, writing, speaking and listening). Click "Apply Changes" button to proceed with your selection.

Units and Lessons

You'll be directed to unit screen. You can start by clicking "Start" next to "Core Lesson" if you would like to progress in order. It's also possible to practice focused activities (pronunciation, vocabulary, grammar, etc.) only, you don't have to follow any order. Click "Show Menu" button on top left corner of the colored area to see all units.

The screenshot displays the 'Language Basics' unit interface. At the top, there's a navigation bar with a home icon, 'Home', and 'Explore All Content'. Below this, a yellow header bar contains the text 'UNIT 1 Language Basics' and 'Basic sentences', along with a 'Show Menu' button and a red apple image. A table below lists four lessons: Lesson 1, Lesson 2 (highlighted), Lesson 3, and Lesson 4. Under Lesson 2, there are four activity rows: Core Lesson (30 minutes), Pronunciation (10 minutes), Vocabulary (5 minutes), and Grammar (10 minutes). Each row has a 'Start' button. A blue arrow points to the 'Start' button for the Core Lesson.

Record yourself reading it aloud.

A Ride in a Hot Air Balloon

It's a beautiful day in October in [Albuquerque, New Mexico](#). Emily and Frank, her husband, are walking on the sidewalk near [Balloon Fiesta Park](#). Emily is 75 years old, and Frank is 79 years old. Thomas, their son, is with them. They can hear music and laughter, and in the sky, hundreds of [hot air balloons](#) of different colors are flying above the city. Today is the first day of the [Albuquerque](#)

Selecting a New Language or Studying Multiple Languages

- It's possible to study multiple languages with Rosetta Stone.
- You can either use a single e-mail address (username) for multiple languages or prefer different e-mail addresses for each language.
- Your progress is always saved so that you can move back and forth between languages without losing your completed practices.
- Everytime you want to change the language, you need to access Rosetta Stone through your browser (Google Chrome, Safari, Mozilla Firefox, Internet Explorer, etc.) as explained on slides 3 and 4.
- Mobile app is synchronized with your browser so it will display the last language chosen on browser.
