SUMMER 2020  
APRIL - JULY

# Welcome to our Summer Adult Course Guide

## What we do...

Lancashire Adult Learning is the second largest adult community learning provider in the country and provides exceptional learning opportunities across Lancashire. In total, Lancashire Adult Learning delivers in more than 300 venues across Lancashire, working with over 200 partners to reach over 14,000 learners.

We offer a wide range of programmes to help you get back into work, courses for leisure, Maths and English and programmes to improve your digital skills.

In addition, at our main centres in East Lancashire, Nelson and Colne College and Accrington and Rossendale College offer a range of Professional Skills and Higher Level qualifications for adults that are looking to get back into work, change their career or simply looking to upskill within their current job role. This term's Professional Skills courses include Hair and Beauty, and Construction. More can be found in the East Lancashire section of this Guide. To find out more about our Higher Level qualifications starting in September, visit our website [www.nelson.ac.uk](http://www.nelson.ac.uk) or [www.accross.ac.uk](http://www.accross.ac.uk)

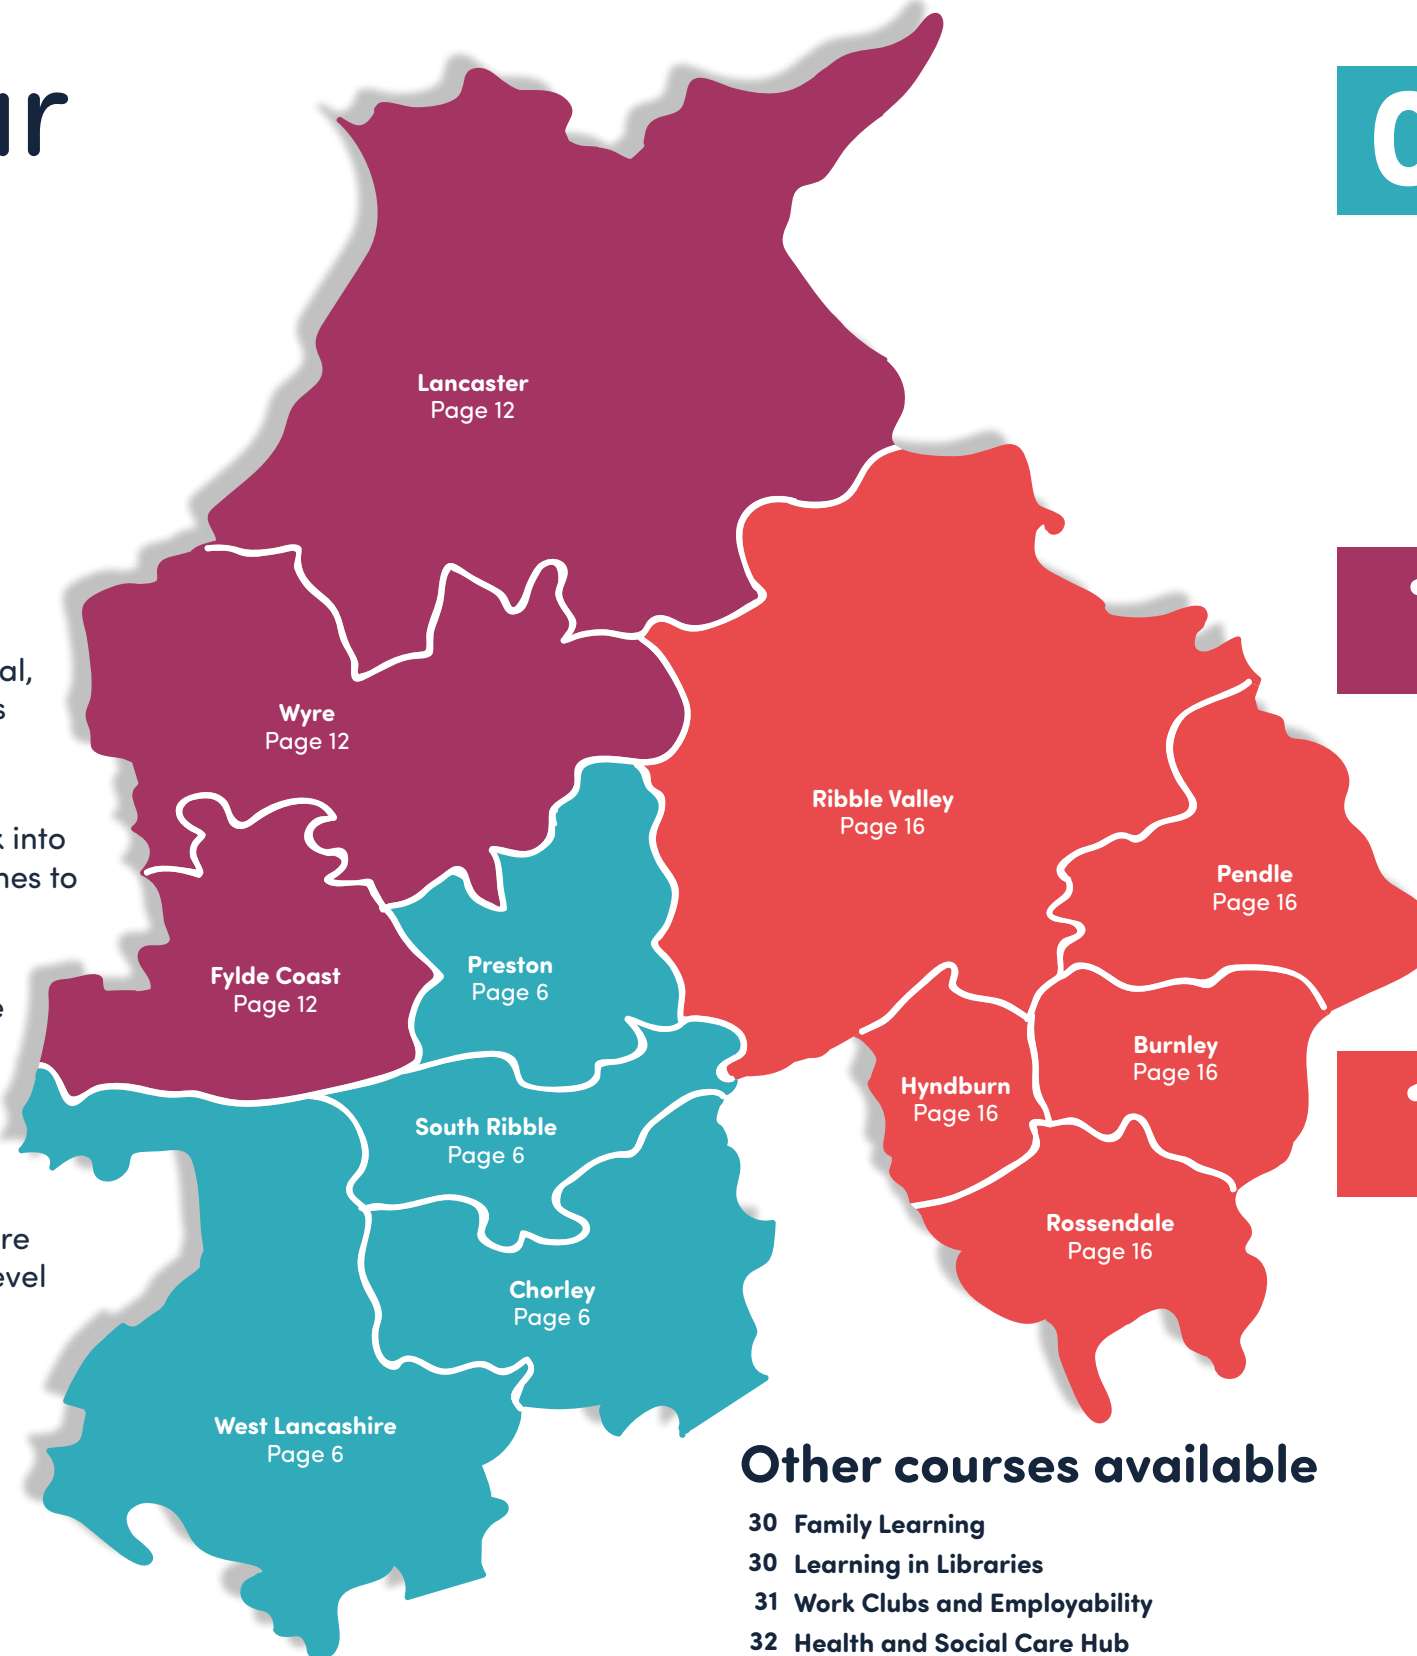

## What's on offer this Summer...

For this Summer, why not have a go at something new with one of our free introductory sessions? Try out a new language, learn the art of creative writing, discover your cooking skills or immerse yourself in a number of ways to improve your health and wellbeing.

We have a variety of free, high-quality Functional Skills and GCSE courses in Maths, English, ESOL and ICT taking place across the county too. You could also get back into work with one of our FREE Work Clubs.

It's never too late to learn with Lancashire Adult Learning. So, why not learn something new today?

# Family Learning

**Do you already work in a school or nursery?  
Are you a parent with school age children?**

Lancashire Adult Learning's Family Learning Team works in partnership with local schools and nurseries to offer a wide range of FREE, fun courses to families across Lancashire.

Our courses are a great way for parents, grandparents and carers to learn together with their child and discover more about how their children learn. Courses take place within the school or nursery setting and

are delivered by fully qualified teachers. They include sessions such as LEGO Robotics, Let's Engineer, Look Who's Talking (speech and language development), Family English and Maths, plus many more!

If you work with families and would like to know how our Family Learning Team can work with your organisation, or if you are a parent and want to find out more about our courses, call **0333 003 1717**.

# Additional Learning Support

## Need support with learning?

We have a dedicated team of professionals who support learners with any disability or learning support needs. Our team is committed to ensuring that every learner has the support and resources to achieve their full potential. Whether you have a special educational need or a disability, the ALS team will be there for you every step of the way, providing tailored support to help you get the most out of learning.

If you have a physical disability, visual impairment or hearing impairment, we will do our best to provide you with all the support, equipment, access and learning resources you might need throughout your time with Lancashire Adult Learning. This support is confidential and information provided will only be shared with the appropriate professionals to meet your individual needs.

If you have a learning difficulty or disability, for example, Dyslexia, Dyspraxia or Asperger Syndrome, we have

specialist teams of staff who will be able to support you throughout your time at our college.

If you have learning support needs, please mention this when you enrol onto your course, to your teacher, or during your interview. A member of our Additional Learning Support Team will then contact you to discuss your needs and ensure that the appropriate support is in place for the start of your course.
