

Why Sponsor?

There is nothing better than being part of a family and at Guide Dogs Victoria that's how we think of our Sponsors. Puppy Sponsorship is a great way to be involved with Guide Dogs Victoria, and help change the life of a person with low vision or blindness.

Beth Foley has experienced firsthand the overwhelming pride and enjoyment associated with being a Puppy Sponsor. Beth found her initial puppy sponsorship so rewarding, she recently sponsored a second puppy, 'Danny'.

"Through my involvement with Guide Dogs Victoria, I've come to understand the enormous difference that a working dog can make in the life of a person with a disability. For someone with low vision or blindness, a Guide Dog gives independence and a level of mobility that otherwise wouldn't exist. It's such an important gift and it gives me great joy to be able to support this wonderful charity in this way." Beth Foley
