

# Patch & Pin Placement Guide for Royal Rangers Uniforms

The following patch and pin placement guidelines apply to all Royal Rangers uniforms utilizing insignia (boys and leaders). Some patches are standard, required items and must be worn on all uniform shirts while other patches are optional. Required patches are indicated below in red.

## PATCH FORMAT (Utility Uniform only)

### Right Sleeve

Geographic Patch (formerly District Strip), centered, ½ inch below shoulder seam **(required)**.

Outpost Numerals, centered, touching the bottom edge of the Geographic Patch OR the Staff patch **(required)**.

Advancement level patch (boys) or Rangers Ministry Academy training level patch (leaders), centered ½ inch below outpost numerals.

**Note:** National and Regional organizational leaders may wear the National Staff patch in place of a Geographic Patch and Outpost Numerals.

### Right Pocket

Event Patch (any Royal Rangers event), centered on pocket.

#### ABOVE RIGHT POCKET

Group Name Tag (boys) or Royal Rangers name tag (leaders), centered above and along the top edge of the pocket **(required)**.

FCF or RRA Membership Patch centered ½ inch above name tag.

### Left Pocket

Training Patch, centered on pocket.

### Left Sleeve

Royal Rangers emblem patch, centered, ½ inch below shoulder seam **(required)**.

Local Office Insignia, centered ½ inch below RR emblem.

## COLLAR (utility and dress)

Only position insignia for adult Organizational Leaders may be worn on the collar. Pins should be worn on the Dress Uniform and patches on the Utility Uniform in PATCH format. When wearing the Utility Uniform in PIN format, patches or pins may be worn. Insignia should be worn ½ inch from leading edge of collar and ½ inch from bottom edge, axis running parallel with leading edge.

Leaders not serving in any organizational leadership position will wear no insignia on collar.
