★★★ VACATION PREVIEW DAY ★★★

Saturday, August 28, 2021 • 9am, 11:45am, 2:30pm

At the KVIE Studios, 2030 West El Camino Avenue, Sacramento

If you are a mature traveler, and like the comfort and safety of traveling with others, allow us to introduce you to Sacramento's favorite LOCAL tour operator. Join us at our annual Vacation Preview Day.

- Each two hour session gives you an overview of some of the destinations we will offer in 2022, both domestic and international. **Plus**, get an advance copy of our **2022 Catalog**.
- **You must have a reservation to attend.** Space is limited at each session. There is a $10 admission charge (donated to charity), payable at the time you make your reservation.
- **Why is there a $10 charge?** Because space at the event is limited, we find that having an admission charge holds down the no-shows. If travelers have "skin in the game," i.e., a $10 admission, they are much more likely to show up.
- **100% of the admissions are donated to charity**, including: **The Wreath Project**, which decorates the graves of the fallen in the Sacramento Valley Military Cemetery near Vacaville; and **The Mustard Seed School**, part of the Loaves and Fishes Ministry.

Viewer Voice

"I donated last week and requested a thank you gift. When can I expect to receive my gift?"
- J.T. in Folsom

Thank you for your contribution! Delivery of thank you gifts generally takes about 4 to 6 weeks from the time we receive payment of your donation (this time frame excludes event tickets). As a nonprofit organization, PBS KVIE has neither the storage capacity nor the financial capability to pre-order pledge items and carry a large inventory like a retail business. Orders for the exact number of gifts are placed with the vendor within days of the pledge being taken. You will receive notification via email or mail if there is a significant delay beyond the average 4 to 6 weeks. Event tickets are sent about 1 to 3 weeks prior to the event.

NOVA: Emperor's Ghost Army

August 4 at 9PM

Travel to central China, where a vast underground mausoleum conceals a life-size terracotta army of cavalry, infantry, horses, chariots, weapons, administrators, acrobats, and musicians, all built to serve China's first emperor, Qin Shi Huang Di, in the afterlife. Lost and forgotten for over 2,200 years, this clay army, 8,000-strong, stands poised to help the first emperor rule again beyond the grave. With exclusive access to pioneering research, follow along as *NOVA* reveals the secrets of one of archaeology's greatest discoveries.

Lucy Worsley's Royal Myths & Secrets: Henry VIII's Reformation

August 29 at 8PM

British historian Lucy Worsley is back to sort out fact from fiction and reveal that royal history isn't always what it seems. The popular series continues with an inside look at the infamous Henry VIII and the motivations behind his split from the Catholic Church in what became known as the English Reformation. Look for new episodes on the Regency era and the Russian Revolution in September.

1913: Seeds of Conflict

Now streaming

Examine the seeds of today's Middle East conflict, sown in pre-World War I Ottoman Palestine, during 1913: an overlooked moment when people's identities overlapped, and Jewish, Muslim, and Christian communities intermingled freely. Breaking new ground, this 1-hour documentary explores the divergent social forces growing in Palestine before World War I, when Arabs and Jews co-existed in harmony as Ottomans, each yearning for a land to call their own.

Born at the dawn of the 21st century, they landed in a world where the 9/11 attacks initially drew the nation together. But by the time they entered high school, America was more divided than ever.
