Life-Shot FHD300

Mini Wi-Fi Cam

Genius
Live with Ideas

Wi-Fi Connect to your smartphone or tablet pc

Genius announces a new addition to the Genius Life cam family: Life-Shot FHD300.

It features a Sony 8MP sensor for vibrant and rich clear images. It's a smart device to use with your smartphones. This "attach it, wear it" camera lets you take videos, photos and create a time-lapse video while you are walking, running, riding a bike, in the rain, and underwater! It has a built-in Wi-Fi feature that lets you connect to your smartphone to transfer videos and photos. Just download the Genius Life-Shot App to your Android or iOS smart phone and you're ready to go.

Wi-Fi | 8MP | Time Lapse | Rechargable Battery | IPX8 | FHD 1080P

Stunning outlook

Tiny design, portable, and versatile for your adventures

Easy to share videos / photos

Built-in Wi-Fi connects to your smartphone / tablet devices with the Genius Life-Shot APP for Android and iOS devices

Provides vivid images

Uses a Sony 8MP sensor for vibrant and rich clear images

Time lapse

Capture videos over a period of time for a short movie

Pass IPX5 & IPX8 certification

IPX5 water resistance without casing
IPX8 submersible waterproof casing (for underwater use – up to 3 meters)
