MICKEY'S and MINNIE'S HOUSES

HISTORY

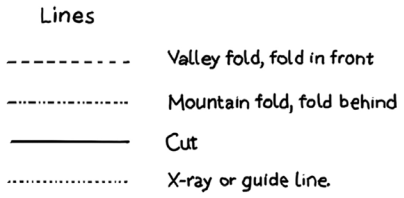

November 18 is Mickey's and Minnie's birthdays, and you're invited to celebrate with them! Hip hip hooray!

Throw a party to celebrate the occasion and build Mickey's and Minnie's own houses on Neighborhood Lane in Mickey's Toontown in Disneyland® Park! Mickey and Minnie will be joined by their friends, Goofy, Donald, Daisy, and Pluto for an outdoor picnic complete with a toppling, giant cake. Join the Disney Parks Blog and have a paper picnic with all your favorite pals right in your own home.

MATERIALS

GUIDE

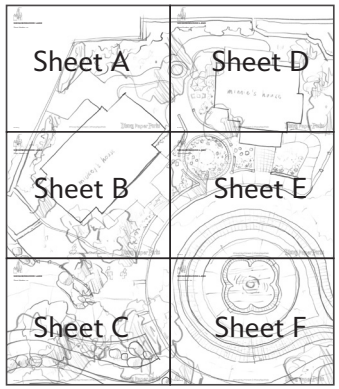

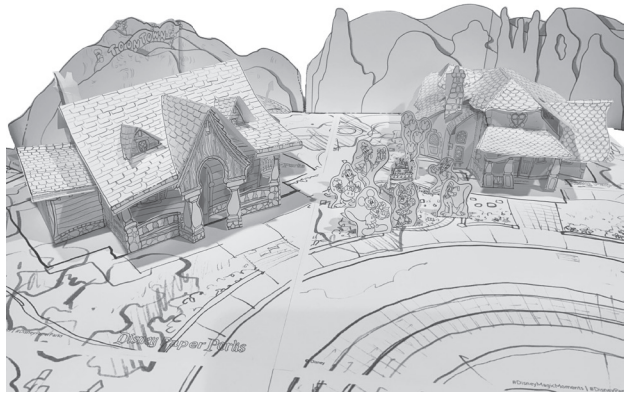

Please Note: When cutting with scissors and working with any of the materials listed above, adult participation and supervision is recommended.

INSTRUCTIONS

NEIGHBORHOOD LANE

Sheet Numbers: A, B, C, D, E, F, G, H, I, J

1. Color the sheets as you see fit.

2. Lay out the sheets according to the guide above. This will be where you place Mickey's and Minnie's house! You can tape the sheets together or leave them loose for easy storage later.

3. For sheets G and H: Cut along the solid exterior line and where indicated. Fold along the lines according to the guide and glue "Toontown Hills Left" to "Toontown Hills Right," overlapping on the glue tab.

4. Bend the paper slightly where it overlaps and place roughly along the long wall line indicated on sheets A and B.

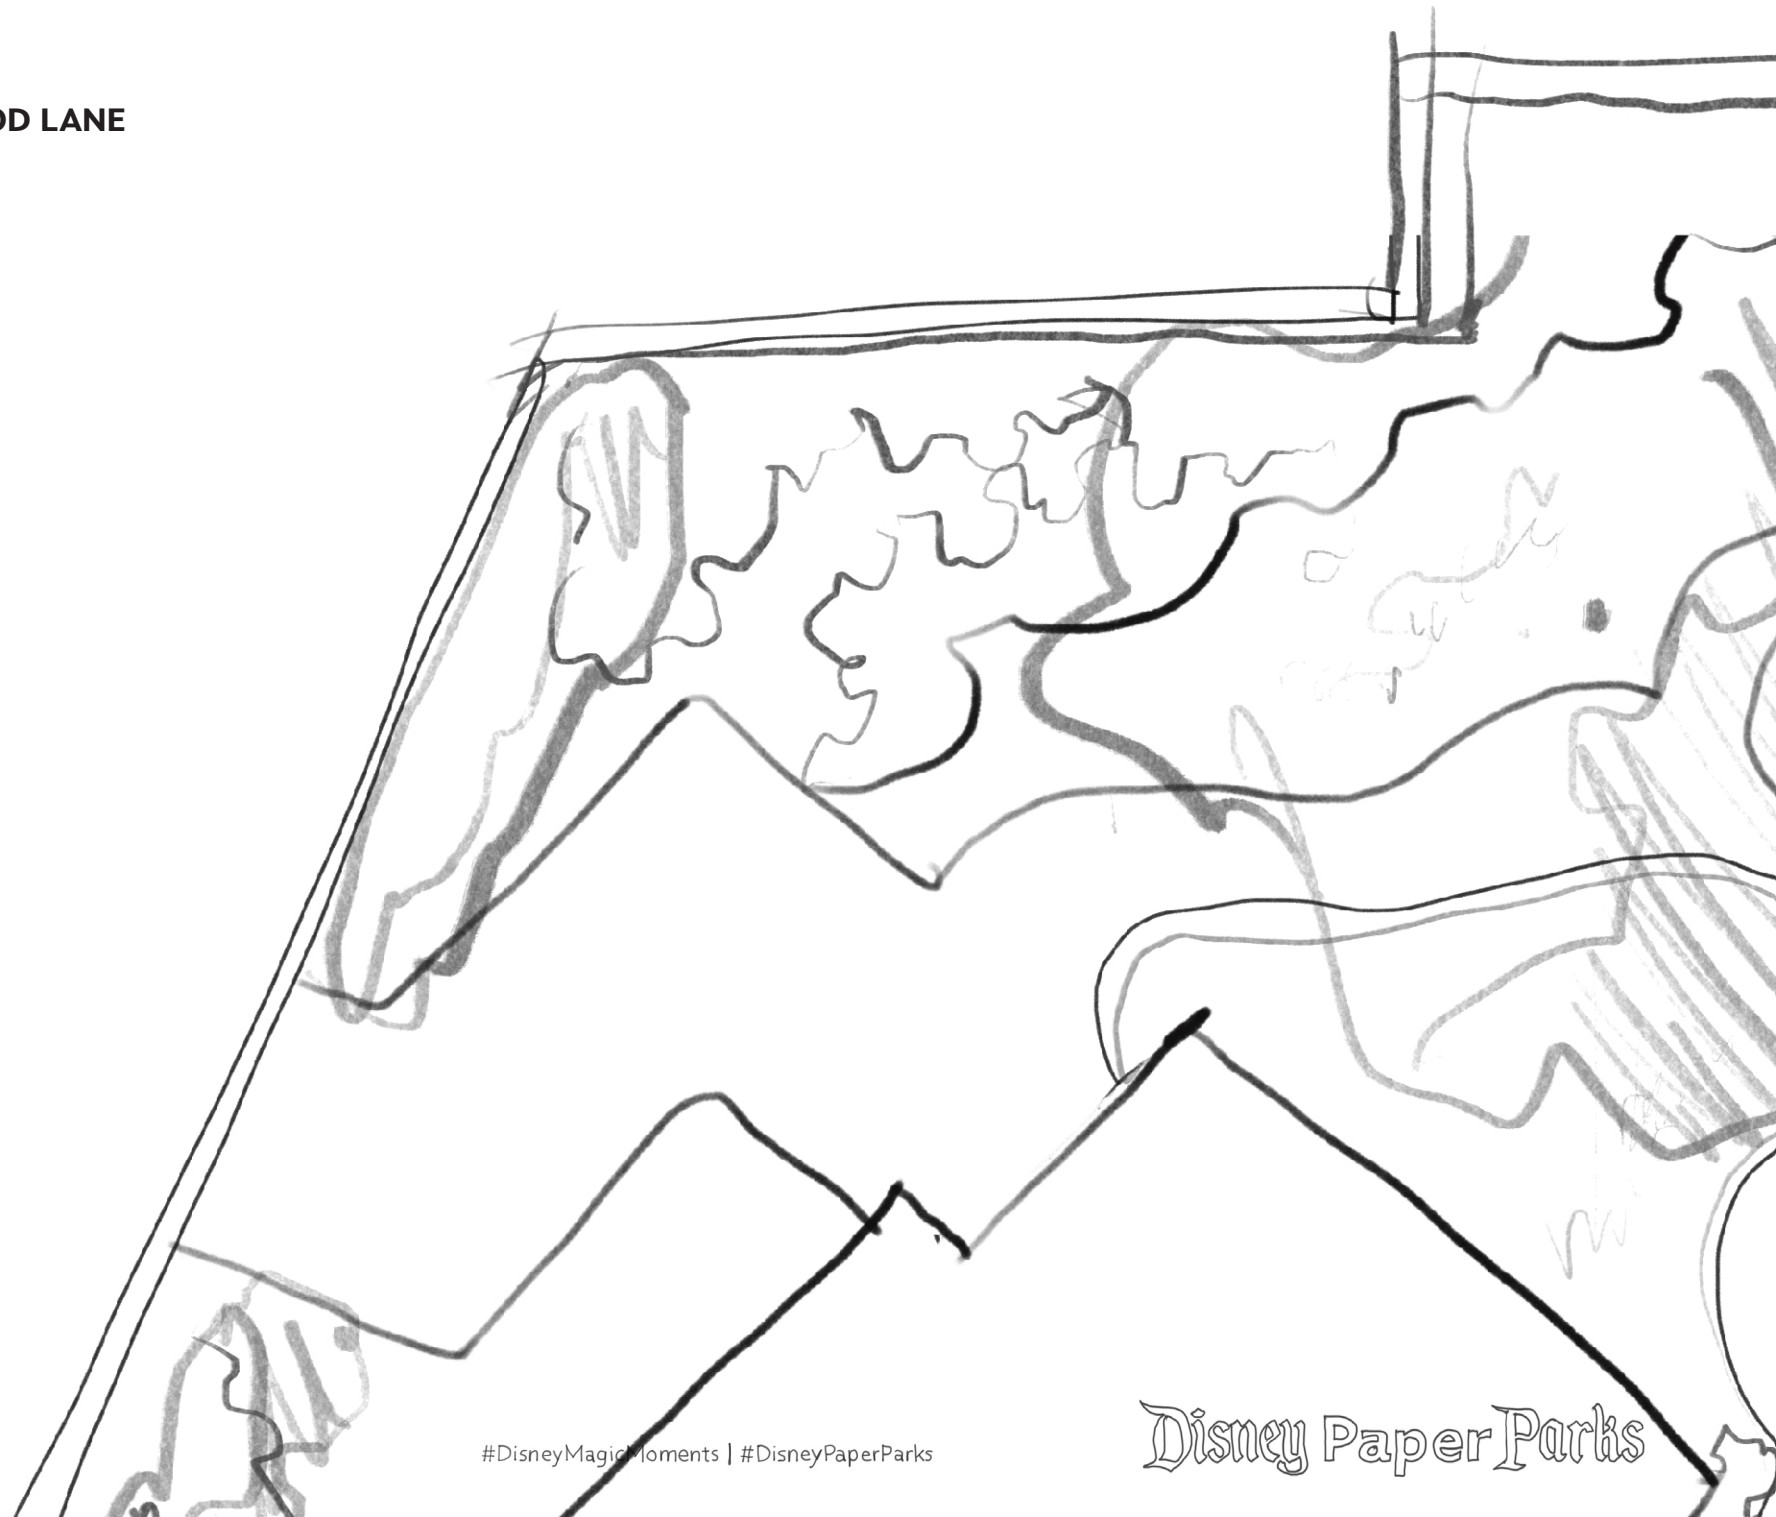

5. For sheets I and J: Cut along the solid exterior line and where indicated. Fold along the lines according to the guide and glue Backdrop Left to Backdrop Right, overlapping the glue tab. Place behind Minnie's house on sheet D.

INSTRUCTIONS

MINNIE'S HOUSE

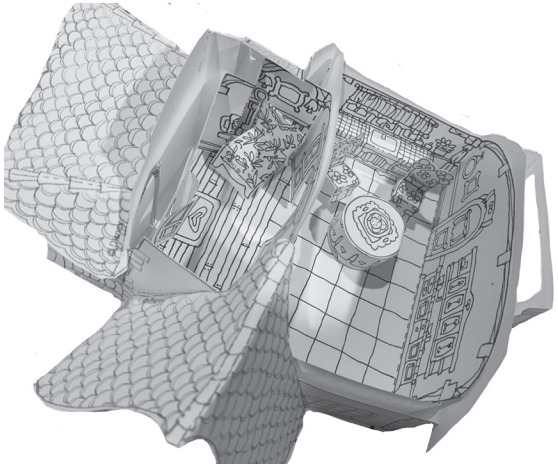

Sheet Numbers: 7, 8, 9, 10, 11

EXTERIOR

Sheet Numbers: 7, 8, 9

1. Color the sheets as you see fit.
2. For sheets 7 and 8: Carefully cut along the solid exterior line and where indicated. Fold lines according to the guide and glue tabs where indicated.
3. Cut and glue the porches on the front and back of the house. Place the dormer and chimney off to the side, as these will attach to the roof.
4. For the roof (sheet 9): Cut and fold the roofs. When folding along a curve, we recommend "pinching" along the line to make the fold. Some "sculpting" will be required to get the wavy effect. Glue tabs to their corresponding locations where labeled. Place largest roof over the house but do not attach.

INTERIOR

Sheet Numbers: 10, 11

1. Color the sheets as you see fit.
2. Cut along solid lines where indicated.
3. Fold tabs and pieces according to Guide.
4. Assemble table, (piece 5) by gluing tabs to top.
5. Assemble kitchen chairs (piece 6) by gluing pieces together to form back legs.
6. Glue kitchen sink counter (piece 8) to piece 11. Glue piece 9 tab to piece 11. Glue piece 10 to other side of piece 10. These form the walls.
7. Assemble wingback chair, (piece 12) and glue backs together, see image.
8. Lift the roof off the exterior and place the interior walls inside. For dissasembly and storage, remove interior and models can be flattened down.
