mophie

powerstation plus

Compact, external batteries featuring a built-in USB-C cable.
Made for smartphones, tablets, and other USB-C & USB devices.

UP TO **18W** USB-C PD COMPATIBLE†

UP TO **45** HOURS OF BATTERY*

UP TO 12,000MAH BATTERY CAPACITY

Ranging from 4,000mAh to 12,000mAh battery sizes, the powerstation plus batteries can provide up to 45 total hours of extra battery.*

BUILT-IN USB-C CABLE

Charge a variety of USB-C devices using the convenient and discrete, built-in USB-C cable.

UP TO 18W FAST CHARGE

USB-C PD fast charging speeds send up to 18W of power to your phone, tablet, or other devices (6,000 & 12,000 models only).

ADDITIONAL USB PORT

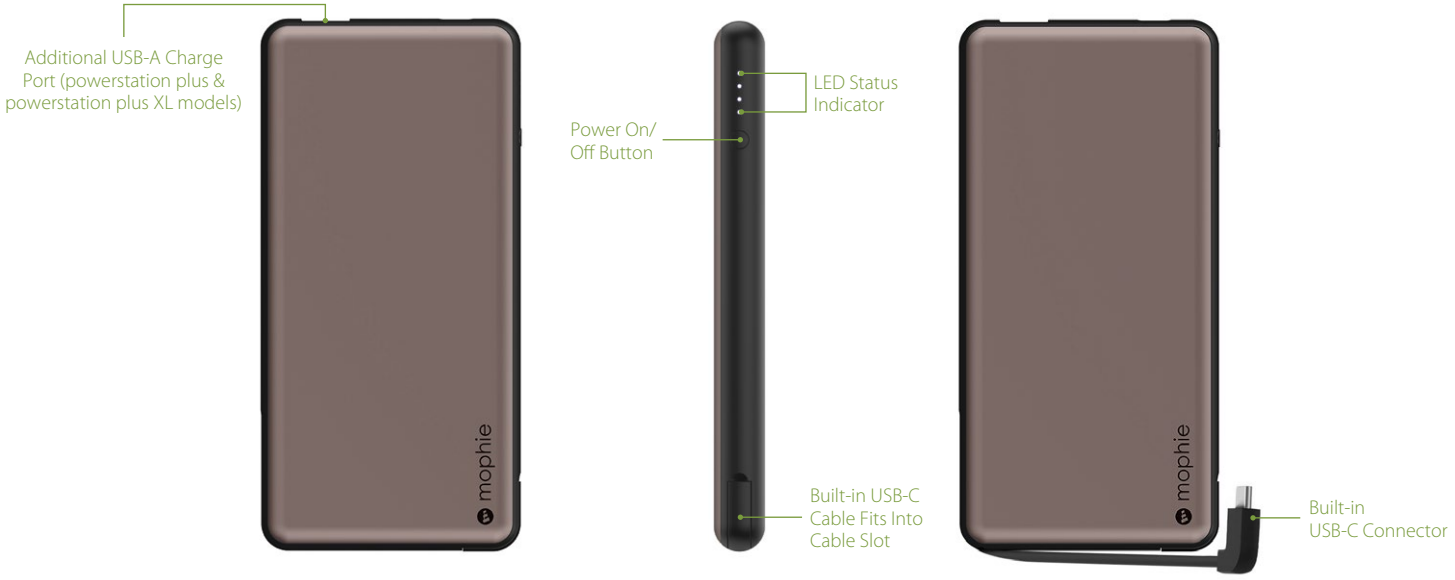

Additional 15W USB-A port allows you to charge a second power-hungry device simultaneously (powerstation plus and powerstation plus XL models).

Key Selling Points

- Rechargeable 4,000 / 6,000 / 12,000mAh batteries deliver enough power to charge your smartphone more than 2 times.*
- USB-C PD delivers up to 18W of power to charge your phone or other power-hungry USB-C devices in record time. (6,000 & 12,000 models only)
- Built-in USB-C charging cable is always available; when you're not charging it stores neatly inside for a clean, streamlined appearance.
- Additional fast-charging 15W USB-A output port allows you to charge a second power-hungry device simultaneously. (6,000 & 12,000 models only)
- Priority+ charging sends pass-through power to your device first then recharges the powerstation battery. (devices connected to USB-C cable only)

The next generation of universal power.
