Making an Impact

The launch of our new **Impact Broom** has proven to be a great success! Already it has been used in events at all levels of play, winning everything from local club championships to multiple events in the Grand Slam of Curling.

We have already seen them used in the Scotties, the Brier, the Men's World Championships and Mixed Doubles World Championships. They are trusted by some of the top university programs in the world, and won gold at the Canada Winter Games and U SPORTS Championship.

What's New?

Our goal is to make the incredibly effective new Impact broom available to as many curlers as possible. In the 2023-2024 season we are introducing the **Fiberlite Impact Broom**, adding maximum performance to what is already the world's most popular line of curling brooms. ***See page 7.***

Our new *Momentum* series of shoes has also been extremely well received. We are excited to launch three new designs in the Momentum series, with **Dash**, **Dart** and **Charge** available this season. ***See page 4.***

Sometimes a Personal Broom Bag simply isn't enough. Carry everything for your whole team in Goldline's new **Team Bag**. ***See page 14.***

UnitedWeCurl

We at **UnitedWeCurl** came together in a time of need, to commune, to heal, and to advocate for change in the face of racial injustice.

Our goal is create safe spaces for those who have not experienced that special quality, where they can see themselves and express their entirety with the empathy and caring of a supportive community. We want to ensure everyone's experience matches those feelings of fun, joy, and social bonding free of discrimination due to race, religion, physical ability or lifestyle. We believe in fostering a passion for the game playing the sport we love: to connect and learn about each other, and elevate curling to new heights.

When you donate to **UnitedWeCurl**, all proceeds are used to support our programs and operations. As a not-for-profit, we are committed to using your generosity to achieve our vision: **to change our world through curling.**
