

MOOD+AARON'S

MOOD VISUAL PLAYER INSTALLATION GUIDE

Welcome to Mood Media.

This document contains the step-by-step instructions you will need to connect Mood's MVP195 Visual Player to your Aaron's TV System

The complete installation should take no more than 30 minutes.

STEP 1

- + The Visual Player comes in a white box with a label saying Visual.
- + Open the box & unpack all contents

STEP 2

- + Take a moment to check you have all the necessary parts.

Included & Required

1. MVP195 Video Player
2. A/C Power Adapter
3. Remote Control
4. WiFi Antenna

STEP 3

- + Attach the WiFi antenna to the media player

STEP 4

- + Build the power supply unit using the U.S. outlet connection (the other 2 international connections can be discarded).

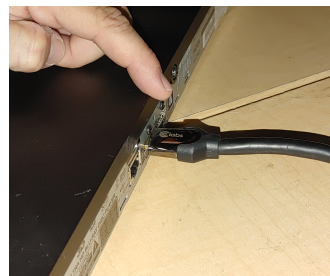

STEP 5

- + Power up the visual player using an outlet at your TV displays and close to the current Aaron's Blu-ray player. Connect to the 5V DC in on the back of the visual player

STEP 6

- + Disconnect the HDMI cable from the Aaron's Blu-ray device and connect it to the HDMI port on the back of the visual player.

CONGRATULATIONS YOU ARE NOW CONNECTED
