Ridgid 535 manual chuck machine

Grid is 1-inch square. Watch TheRepair Video Part Number: 670178004 Date Available: Unknown Das Modell 535 ist das Arbeitstier, eine der robustesten und leistungsstärksten Gewindeschneidmaschinen auf dem Markt, während es zusätzlich Merkmale bietet, die das Gewindeschneiden noch produktiver machen.

Die 535 ist für die maximale Betriebszeit konstruiert, mit Verbesserungen, die für den Rohrbearbeitungsprofi am meisten zählen. Zusätzlich profitiert der Anwender von gemeinsamen Bauteilen bei den Ausführungen 535 und 535A sowie anderen RIDGID® Modellen. The Model 535 threading machine pipe threader maintains the ruggedness of the industry workhorse while adding the features that makes the threading operation more productive. A large chip tray and oil reservoir makes the 535 ideal for longer uninterrupted threading. The 535 is designed around maximum uptime with the upgrades that matter most to the pipe working professional. Users also benefit from the part commonality between the 535, the 535A Automatic and other RIDGID® equipment.
