1920 x 1080

SurfTab® twin 11.6 3G

2in1 SurfTab with Windows 10, 11.6" Full-HD IPS display, 3G and Intel® Atom™ x5-Z8300 processor

11.6-inch Full-HD IPS display

Experience brighter colours, clearer pictures and the exhilarating feeling of being right in the middle of it. IPS technology and a resolution of 1920 x 1080 pixels ensure a top-class visual experience on your SurfTab twin.

High speed

With its Intel® Atom™ x5 processor, the SurfTab twin combines powerful performance and fantastic battery life in an impressive two-in-one device.

Celebrate with us!

Become acquainted with Windows 10 including the Anniversary Update and marvel at the numerous new and useful features on your SurfTab twin.

My mobile office

Thanks to Office 365, you can use your SurfTab to create impressive documents, analyse extensive data, present your ideas, manage your e-mails, contacts and appointments and access files saved in the cloud.

Can it do more?

Of course it can! In addition to the usual high-end configuration, the SurfTab twin offers a fully functional keyboard, ultra-fast USB 3.0 and two fully functional USB 2.0 ports.

Connects across all boundaries

Surf the Internet, stream, chat and email at top speed using a WiFi connection. Exchange music, images and data via Bluetooth®. You are completely unbound.

Allows greater independence

With the integrated 3G module, you can easily network whenever and wherever you want – whether at home or on the go.
