- Pulse function for smoother blending

Enjoy healthy smoothies, even on the go
- On-the-go bottle accessory with line level marks

Highlights

2 year warranty

You enjoy a 2 year worldwide warranty on our blenders—which is our guarantee of long-lasting quality and operation.

Powerful 1000 W motor

Powerful but energy-efficient 1000 W motor for balancing power efficiency and perfect blending results. Designed to maximise the performance of the ProBlend Crush technology.

ProBlend Crush Technology

ProBlend Crush technology turns the toughest ingredients into the finest smoothies twice as fast. Our unique 6 star blades in combination with our efficiently designed 1000 W motor crush ice and big pieces to perfection

Large-capacity glass jar

The large 2 L jar has a working capacity of 1.5 L for deliciously blended smoothies to share with the whole family or save for later

Large ribbed glass jar

The innovative ribbed glass jar design ensures the optimal flow of ingredients for the finest blending results.

Dishwasher-safe parts

All detachable parts of your Philips blender are dishwasher safe.

EasyClean

Its removable blade unit is designed for more thorough cleaning. All detachable parts are also dishwasher safe.

Multiple speeds

Our control dial is moulded with a non-slip grip, so you can easily control the blender speed. From gentle blending for soft fruits to a burst of power for harder fruits and vegetables, it's up to you with our manual speed control.

Pulse function

Blend your mixes thoroughly smooth by using the handy pulse control — so all the bits and pieces are brought down to the blades for another round of fine blending.

On-the-go bottle accessory

Enjoy healthy smoothies even on the go with the on-the-go tumbler accessory
