TRIPLE ARM TV WALL MOUNT

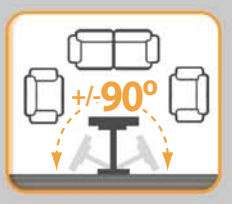

SGS

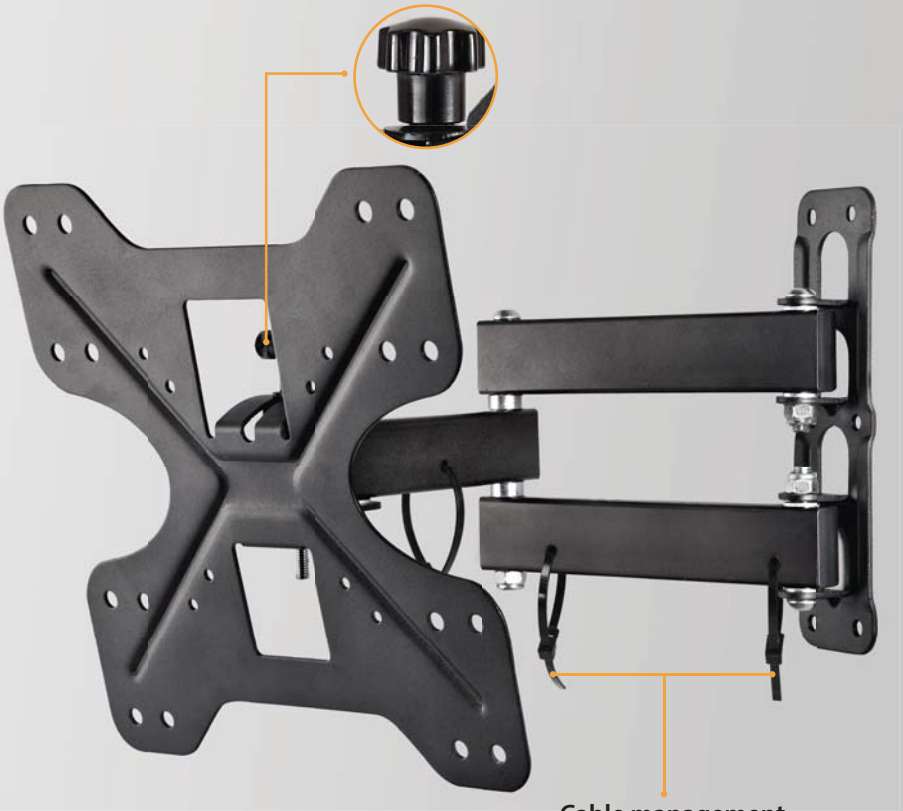

Simple, safe and attractive

The **Ross Essentials** series TV wall mounts offer a simple and elegant solution to wall mounting of a flat panel TV. They offer a range of adjustability features and articulation formats to suit every mounting situation and every customer preference for easy and convenient TV positioning.

Each format is available in a range of sizes to permit safe and efficient mounting of almost any brand of flat screen TV.

Features:

- Triple arm motion with tilt and turn for ultimate viewing flexibility and added screen support
- TV screen can be rotated at 90° to wall
- Tool-free adjustment of tilt action
- Easy slide-on installation
- Secure mount for safety and peace of mind
