

User manual, Oppo BDP-83 DIY kit

How to use the mod:

- After successful installation of the DIY Kit, your BDP-83 should be Region Free for DVD and Zone A for Blu-ray by default.
- If applicable, remember to go to Video Setup > TV System and set the TV system to Multi-system to enable 60Hz NTSC and 50Hz PAL output.
- Region & Zone changes should be made with the player in standby mode (Red Light).
- To switch to a different Zone for Blu-ray, press and hold the blue button on the Remote Control for about 5 seconds until you hear beeps. Then press 2 for Zone B (you will hear 2 beeps), press 3 for Zone C (you will hear 3 beeps), or to revert to Zone A, press 1 (you will hear one beep).
- To switch to a specific Region for DVD (other than Region-Free), press and hold the red button on the Remote Control for about 5 seconds until you hear beeps. Then press 2 for Region 2 (you will hear 2 beeps), press 3 for Region 3 (you will hear 3 beeps), etc. To switch back to Region Free, press 0 (you will hear a long beep).
