sense and simplicity

Highlights

Pixel Plus HD

Pixel Plus HD offers the unique combination of ultimate sharpness, natural detail, vivid colors and smooth natural motion on all qualities of HD, standard TV signals and multimedia content, for high definition displays. Artifacts and noise in all sources from multimedia to standard TV and also in highly compressed HD are detected and reduced ensuring that the picture is clear and razor sharp.

100Hz Clear LCD (2ms)

100Hz Clear LCD creates extreme motion sharpness. The Double Frame Rate Insertion increases the sharpness of motion reproduction to more than twice that of conventional LCD, resulting in a performance with a response time of 2 milliseconds. Now you can enjoy clear images even with fast on-screen motion.

Clear Sound

Critical moments in a movie or your favorite show are too often missed. Clear Sound is an innovative audio technology that significantly increases the intelligibility of vocalizations, whether spoken or sang. It ensures you hear every word, so you can enjoy what you're watching to the fullest.

WiFi USB adaptor

Experience a rich selection of online services with the Philips WiFi USB Adaptor (PTA01) for Net TV*. Simply insert the adaptor to the USB connector at the side of the TV and connect your TV directly to your home network through on-screen instructions and navigate to what you want to watch with the TV remote control.

3 HDMI inputs with Easylink

HDMI is a single cable to carry both picture and audio signals from your devices to your TV, saving you from cable clutter. It carries uncompressed signals, ensuring that you have the highest quality from source to screen. Together with Philips Easylink, you need only one remote control to perform most operations on your TV, DVD, BluRay, set top box or home theatre system. Enjoy high quality picture and sound without clutter or fuss.

28W RMS Ambi-wOOx

Feel the power of new Philips Ambi-wOOx technology. It creates a superior bass sound by

capturing and enhancing low frequency bass for a dramatically enhanced bass and sound experience. Ambi-wOOx also projects the sound to better occupy the ambient space of the room. With the powerful 28W RMS speakers, Ambi-wOOx create a lifelike soundstage. It gives a clear and spacious sound stage complementary to the rich viewing experience.

Energy Class A

EU Energy Label

For many years Philips has pro-actively been working on the reduction of both on-mode and standby power consumption of its televisions and as a result most Philips televisions has achieve green EU energy labels in 2010. The greener the label, the lower the on-mode power consumption and the lower your energy bill and friendlier to the environment.

Smart TV

Smart TV for an easier TV experience in 4 areas. Net TV lets you rent movies, watch catch-up TV and enjoy social media. Control your TV with your Smartphone or tablet. Use SimplyShare to enjoy multimedia content from your computer, phone & tablet on your TV. Record your TV programs easily without additional bulky devices.
