Highlights

Patented Let-down Massage Cushion

Five, soft petal massagers gently flex in and out as you pump and work with the vacuum to imitate your baby's suckling.

Gentle-draw vacuum

The gentle-draw vacuum mimics baby's suckling to create a steady milk flow that requires less pumping.

Soft massage cushions

Patented massage cushions flex in and out, replicating baby's suckling action and stimulating a fast, natural let-down.

Easy to assemble and use

Quiet and portable.

Clinically proven

Clinically proven to express more milk than a hospital electric breast pump*
