je veux cette cablle pour travaille personnele

*** sony ericsson dcu-11 data cable driver ***

hi i managed to find the drivers online for the dcu-11 data cable driver for sony ericsson models.

if you want the drivers, i am willing to help you out, and i'll send them to you via e-mail.

Sony Ericsson K300 manual, tips, reviews

however, i will charge a small paypal fee... as i might as well be paid, because its very stressful finding the drivers.

contact me: samueldamulira@hotmail.co.uk

regards.

*sony ericsson secret codes*

plz tell me the secret codes of sony ericsson cell phones i m waiting of ur response

*how to coonect dcu-11 with k300i*

sir,

  i bought a dcu-11 cable.but after installing, when i try to access the phone memory the coonection breaks up.pls help

               with regards

                suryya

*driver to use k300i as amodem witj my pc*

sir/madam

  i want to connect my k300i with my pc and use it also as modem through ira with my pc. so please guide me where to find software for it

i am in ludhian punjab in india

plz. guide me to a shop or site to download the software

*from k300 to pc*

guyz i need help im trying transfering ma pics fromk300i to ma pc using ... infra.port.. well de infra is workin one way dats from pc to mobile. hence ma cell phone is now ..stuffed n i wana take ma pics to pc... can any one help me abt dat.. wht i need to download n wht i have to do????
