

ViewSonic®

VE170/VE170b LCD Display

17.0" TFT LCD display is the clear value.

If you're looking for a large-screen flat panel display, but have limited work space, your search is over. The ViewSonic VE170, with its slim 3.5" panel profile, delivers brilliant, color-rich images along with sharp, crisp text. It's available in either black or beige, and at an amazingly affordable price. Plus, it meets global environmental and safety standards. The value-rich VE170 is the ideal choice for a wide variety of applications, from high-end graphics to spreadsheets and word processing.

- **Full 17" viewable screen**

- **1280 x 1024 true resolution**

Displays a crisp, clear native resolution of 1280 x 1024 for easy-on-the-eyes viewing. Automatically scales lower resolutions to full screen.

- **OnView® controls including ViewMatch®**

All screen adjustments are made via an on-screen menu using simple controls. ViewMatch allows the user to adjust color temperature and individual color intensity for screen-to-print matching.

- **VESA® wall mount compliant**

Hang the flat panel on most walls with ViewSonic's optional wall mount kit (WM-U1) available at ViewsonicOutlet.com.

- **TCO and Energy 2000 compliant**

This display complies with the world's strictest standards for low radiation, safety, ergonomics, recycling and power management while saving costs through automatic power savings mode.

- **Slim 3.5" profile (panel only)**

- **Weights 17.9 pounds**

- **Available in black or beige**
