## Full Comfort Rechargeable Desktop RF Wireless Keyboard + Wireless 800 CPI Optical Mouse

The Full Comfort Wireless Desktop IS A DIFFERENT KEYBOARD FROM WHAT YOU EVER HAD. IT HAS A NUMERIC KEYPAD ON YOUR LEFT HAND SIDE!! Nowadays, Windows OS demands a great deal of mouse operation. The location of the numeric keys on a conventional keyboard could cause discomfort when working for a period of time since the mouse is further to reach. The greatest advantages to place the numeric keys on the left-hand side are:

Advantages are:

- 1) The working line coincide with the computer monitor center; therefore, the proper working gesture is sustained.
- 2) Allows left hand to input numbers while right hand controls the mouse simultaneously
- 3) Mouse is closer to your right hand.
- 4) Two sets of editing keys each separately allocated on the left hand and right hand side for convenient purposes!
