

# **CASIO LAMP FREE PROJECTORS**

 Low Total Cost of Ownership
Eco Friendly
Lamp Change "Down Time" Eliminated
Extended Operating Life NOW WITH Automatic Brightness Control
On-Screen Presentation Timer

### SLIM XJ-A241

#### 2500 LUMENS • WXGA (1280 X 800) • 2X POWER ZOOM

By combining a laser, a fluorescent element and LED's Casio has created an original mercury-free hybrid light source capable of generating high brightness.

Red is emitted by a high-lumen red LED. Blue is from a Blue laser. Green is achieved by converting blue laser light using a phosphor element.

#### 2X POWER ZOOM

board room the 2X power soom lens gives ve the flexibility to easily position the projector.

#### SUPERIOR COLOR

One of the benefits of the hybrid light sources is an increased color gamut –

these projectors will show about 50% more of the spectrum (compared to our previous mercury lamp projectors), for more accurate renditions, subtle shadings. Images appear brighter as well.

#### **3-YEAR WARRANTY**

3 year warranty on the projector and 3 years or 6,000-hour usage on the light source.
