

EPSON STYLUS OFFICE B1100

EPSON STYLUS OFFICE B1100

The fast Epson Stylus Office B1100 allows your business to think big and print big. Producing high-quality results up to A3+, it brings new freedom to your office printing.

With this A3+ printer your office has the flexibility to print large, vibrant graphics and documents at fast speeds of up to 30 ppm in black and 17 ppm in colour*¹.

The Epson Micro Piezo™ printhead and DURABrite Ultra Inks produce bright graphics, detailed photos and laser-like prints that are water, smudge and even highlighter resistant. Featuring the International Colour Consortium profile (ICC), you get exact colour reproduction for all your materials.

The high capacity individual ink cartridges let you print more pages and deliver a cost per page that's comparable to a laser printer*³. This means less frequent cartridge changes and more cost-effective business prints.

- Fast A3+ business printer
- Print everything from laser-like text to full colour business presentations
- High speeds of up to 30 ppm in black and 17 ppm in colour*¹
- Laser-like print speeds at up to 13 ppm in black and 5.3 ppm in colour (ISO/IEC 24734)*²
- Prints dry instantly and resist water, smudging and even highlighter pens
- Print more with high capacity individual inks
- Low cost per page comparable to a laser*³

INK CARTRIDGES

EPSON DURABRITE ULTRA INK

Save money. With Epson DURABrite Ultra individual ink cartridges you only replace the colour used.
