

EPSON STYLUS PHOTO PX710W

EPSON STYLUS PHOTO PX710W

This sleek and attractive Hi-Definition all-in-one is ideal for the wireless home.

The whole family has the freedom to print Hi-Definition photos and documents from anywhere in the home with this wireless all-in-one. Its glossy photos exceed lab-quality and fast printing speeds mean you can print a 10x15 cm photo in approximately 10 seconds*2.

It is discreet and compact too, standing at only 150 mm tall. The hidden paper trays are ideal for storing A4 and photo-size paper simultaneously, so you don't need to change paper each time you swap between photo and document printing.

This is the perfect partner for your digital camera, with a 6.3 cm LCD viewer for direct photo printing from cameras and memory cards. You can even personalise your discs by printing directly onto suitable CDs/DVDs. And you save money with individual inks, as you only need to replace the colour used.

- Compact Hi-Definition all-in-one
- Built-in wireless and Ethernet for printing and scanning anywhere in the home
- Photos exceed lab-quality
- Separate A4 and photo paper trays – no need to keep changing paper
- High-speed printing – a 10x15 cm photo in approx 10 secs and documents up to 40 ppm*2
- Personalise CDs and DVDs with direct printing onto suitable discs
- Save paper with optional auto-duplexer for double-sided printing
- Save money with individual inks – only replace the colour used

RECOMMENDED INKS*1

EPSON CLARIA PHOTOGRAPHIC INK

Epson Claria Photographic Ink is a Hi-Definition, dye-based ink that gives better-than-lab-quality photos. It is the ideal partner for the latest D-SLR and compact cameras.
