HMD400

# 3 reasons to buy

## Performance

- ┆ Mixes up to twice as fast with more power 1/3 Hp motors
- ┆ Minimized motor vibration - each motor individually balanced
- ┆ 3 speeds plus unique pulse switch for maximum mixing control

## Durability

- ┆ Heavy-duty, die cast construction
- ┆ Motors are built to last with sealed, pre-lubricated ball bearings

## Ease of Use

- ┆ 2 ways to start & stop mixing action: with switch or cup guide

Includes 3  
Stainless Steel  
**Cups**  
Model  
110E

## history

Mixing the world's most amazing milkshakes since 1911.

**Optimum Output** - The ideal choice for high-volume milkshake prep.

**Performance** - 1/3 Hp motor mix up to twice as fast, so you can maximize service and minimize the wait.

**3 Separate Motors** - Each motor works independently and has its own power switch, so you can use two while cleaning the third.

**Precision Motors** - Each motor is individually balanced to minimize vibration. All three motors are built to last with sealed, permanently lubricated ball bearings.

**Two-Way Motor Activation** - Operators can start and stop mixing action by inserting the cup into the cup guide, or by using the pulse switch on top of the mixer.

### Specifications

Standard: Unit comes with base, three motors, three spindles, three solid agitators, and three stainless steel cups

Controls: 3 speed rocker switches and three unique pulse switches (one for each spindle)

Motor: 1/3 Hp on each motor

Electrical: 120 V, 60 Hz, 900 Watts

Weight: 37 lbs / 16.783 kg

Warranty: 1 year parts & labor

I 2 of 5: 00040094911028

- Removable cup guides clean up quickly dishwasher

## Unique Features

3 speed switch plus unique fingertip-action pulse switch that starts and stops the motor.

Motor starts when cup is inserted into cup guide and stops when cup is removed. To save time, the cup pulls out for easy cleanup in the dishwasher.

### All-Metal, Heavy-Duty Construction -

This classic design offers die cast durability in smooth rounded shape that's easy to clean.
