Jabra BT 160

Style it. Wear it. Love it.

Explore the options

At Jabra, we make sure Bluetooth mobile headset design moves with the times. With the new Jabra BT160, we have developed a headset that lets you express yourself in any style. You can, in fact, choose between a total of 33 different cool ways to look – and still enjoy the latest technology can offer in hands-free mobile communication.

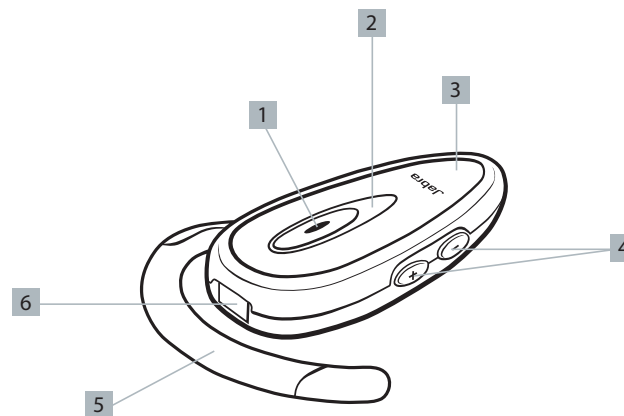

It's your call

However you're feeling, you'll find a headset style to match your mood. Wild, sporty, elegant, daring or just plain gorgeous, the Jabra BT160 has a look to match. Communicate in the style that's right for you, and when your mood changes, simply change your style. And remember, it's your call – so make it fun!

Whatever you're up to

Whether you're shopping, surfing, dressing up, chilling out, working out or just taking a walk in town, you can keep your hands free for what you need them for and let your style do the talking.

Style it. Wear it. Love it. Release your Jabra.

Quick start guide

Pairing the Jabra BT160 to a Bluetooth mobile phone

1. Charge your Jabra BT160 until the solid blue LED turns off (approx. 2 hours) and switch on by pressing the answer/end button **2**
2. Press the answer/end button and the volume up (+) button **4** together, to put the Jabra BT160 in pairing mode (solid blue LED)
3. Set your mobile phone to 'discover' a Bluetooth device
4. Press Yes or OK when asked if you want to pair the phone with the Jabra BT160
5. Enter passkey or PIN = 0000 (4 zeros), then press Yes or OK
6. Your phone will confirm when pairing is complete and the headset will flash

Basic functions

Making a call

When you make a call from your mobile phone, the call will automatically transfer to your headset (subject to phone settings).

Answering and ending a call

Tap the answer/end button on your headset to answer a call. To end your call, just tap the answer/end button again.

Changing your style

Remove the plastic cover plate and current design. Press out your preferred design, insert it and clip the plastic cover plate back into place.
