Jabra BT8030

First ever combined Bluetooth® speaker and headphones

BT8030 is like no other. Never before has Bluetooth technology been combined in such a dynamic and innovative manner.

For those on the move, BT8030 offers complete flexibility - wherever you are and whatever you are doing.

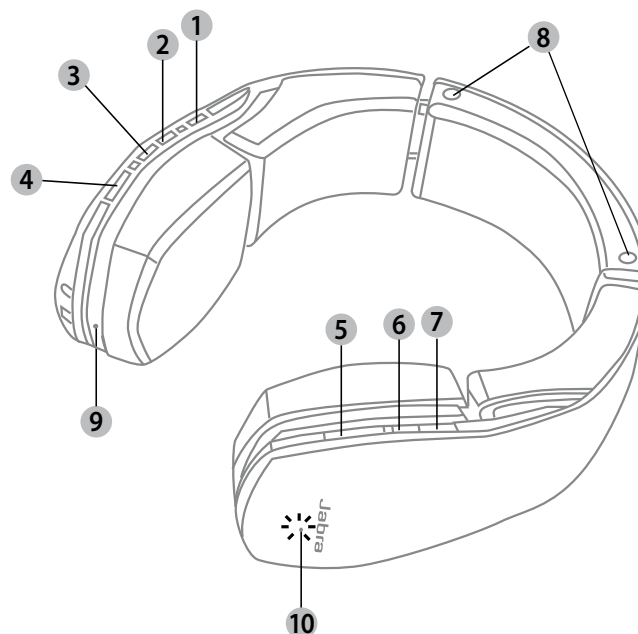

Listen to music from your mobile phone, PC or media player* in headphone or speaker mode.

All the traditional features of a Bluetooth headset are present, plus the in-built microphone offers speakerphone capability.

With Zirene® POWER BASS software, BT8030 offers a rich and full sound.

This is a must have product for music lovers on the move. Once you've used it, you'll wonder how you ever lived without it!

* Requires Bluetooth connection

Quick start guide

Pairing the Jabra BT8030

Follow the below instructions to pair BT8030 with your mobile phone or a second Bluetooth device:

Make sure the headset is off

1. Press and hold the on/off /pairing button for approx 5 sec. until the light turns solid Blue.
2. Set your Bluetooth phone to 'discover' the Jabra BT8030. Follow your phone's instruction guide for Bluetooth connection.
3. Your phone will find the Jabra BT8030.
4. Your phone will then ask if you want to pair with it. Accept by pressing 'Yes' or 'OK' on the phone and confirm with the passkey/PIN = 0000 zeros). Your phone will confirm when pairing is complete.
5. In case of unsuccessful pairing, repeat steps 1 to 4.

Follow the above procedure when adding additional Bluetooth enabled devices such as a PC, Mp3 or an additional mobile phone.
