Vizix 2.0 Print Technology

Wireless-N

Overview

Tablet, Mobile and Network Printing

Print from almost anywhere via a wireless-N or Ethernet network.¹ You can also print via your Android or Apple device using your wireless network.²

More Pages per Cartridge

Replace cartridges less often with high-yield supplies that deliver three times the number of pages as standard-yield cartridges.³

Automatic Document Feeder

Quickly copy and scan documents using the 35-sheet automatic document feeder.

Easy to Use

The easy-to-use 2.4-inch (6-cm) colour LCD and time-saving 1-touch shortcuts make it easier and faster to complete common tasks, such as scan to email.

Automatic Two-Sided Printing

Reduce paper consumption by up to 50% and reduce your impact on the environment with automatic two-sided printing.

Vizix 2.0 Print Technology

The new printhead technology creates sharp results and brilliant printouts every time.

Lexmark 1-Touch Shortcuts

Simplify everyday tasks with time-saving Lexmark 1-touch shortcuts. Eliminate unnecessary steps and save time by customising shortcuts to run commonly performed tasks.

Scan to Email

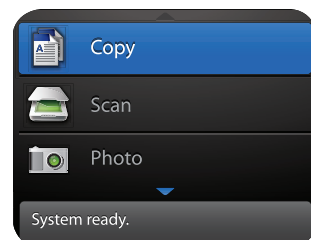

Sometimes faxing isn't convenient or available. Easily scan a document and send it directly to an email address.

Customisable Copy

Quickly make customised copies by automating commonly used copy settings.

Scan to Computer

Back up your documents. Easily scan documents and then save them to your computer in popular file formats such as PDF and JPEG.

Lexmark S515 Colour All-in-One Print. Copy. Scan. Fax.

Footnotes

¹ When used with a wireless-N enabled router. Also subject to the range of the router. Compatible with Wi-Fi CERTIFIED IEEE 802.11 b/g/n routers.

² Compatible with Android 2.1 and higher and Apple iOS 4.2 and higher. The device must be on the same Wi-Fi network as the printer. Performance is dependent upon network connection quality and speeds.

³ XL cartridges not included. Available for aftermarket purchase.

⁴ "Recommended Monthly Page Volume" is a range of pages that helps customers evaluate Lexmark's product offerings based on the average number of pages customers plan to print on the device each month. Lexmark recommends that the number of pages per month be within the stated range for optimum device performance, based on factors including: supplies replacement intervals, paper loading intervals, speed, and typical customer usage.
