Lexmark X560n
Effective color for medium-sized workgroups!

Who's the right customer?

Medium-sized workgroups that want a reliable, cost-friendly solution for their everyday color printing needs. In addition to enhancing business documents with high-quality color, they also want to increase office efficiency by consolidating print, copy, fax and scan function into a single high-performance device.

Three ways to benefit

Lexmark X560n base model – Quality color-laser MFP for medium-sized workgroups
Plus optional duplex print unit – Lets you drive down paper waste while helping the environment
Plus optional extra drawer with floor stand – Boosts your total input capacity up to 950 sheets

Three great reasons to buy!

Adapts to medium-sized workgroups

- Delivers quality color and multifunction performance all at a reasonable price
- Offers a compact, network-ready solution to print, copy, scan and fax
- Gives you cost-reducing options, like high-yield cartridges and duplex printing

Helps you elevate office productivity

- Race through print jobs as fast as 31 ppm in black or 20 ppm in color
- Work faster with the 50-page automatic feeder, intuitive workflow software and more
- Make a striking impact on your documents with rich, vibrant color

Makes everyone's workday easier!

- With straightforward setup and configuration, you'll be up and running in no time
- The consumables are 100% front-loading, so they take just seconds to replace
- Perform document tasks quickly and easily with the intuitive operator panel

Lexmark X560n in brief

Workgroup integration
Ideal for medium-sized workgroups, it comes network-ready for easy sharing. And at just 52 dBA in printing mode, it's perfect for quiet environments.

Performance
Zip through print runs fast. Backed by a powerful 400MHz processor, it prints up to 31 ppm in black or 20 ppm in color – with the first page out in just 10 seconds.

Color quality
Make your business really stand out with rich, high-quality color. You'll benefit from newly enhanced toner and crisp 2400 x 600 dpi print resolution.

Ease of use
User-friendly features include 100% front-loading consumables, fax speed dials and an intuitive operator panel to simplify workflow tasks.

Paper capacity
Combine the standard 250-sheet drawer and 150-sheet multipurpose feeder with the optional 550-sheet drawer and stand to run various media and boost your input capacity.

The competitive edge - Lexmark X560n

Innovation runs in the family — The Lexmark color-laser MFP range

Lexmark X500n
- 31 ppm black / 8 ppm color
- Colour printing, copying and scanning
- Affordably priced and network-ready

Lexmark X502n
- 31 ppm black / 8 ppm color
- Also includes advanced faxing
- Up to 70 speed-dial/email shortcuts

Lexmark X560n
- 30 ppm black / 20 ppm color
- Offers PCL 6 and PS 3 compatibility
- 50-page Automatic Document Feeder
- Up to 950-sheet input capacity
- Optional duplex printing

Lexmark X782e
- 40 ppm black / 35 ppm color
- Advanced solutions and cost-control tools
- Standard duplex printing
- 1600-sheet standard input capacity

Lexmark X940e
- 40 ppm black / 30 ppm color
- Multi-format printing, up to A3
- Advanced copy and scan functions
- 1140-sheet standard input capacity

Lexmark X945e
- 45 ppm black / 40 ppm color
- Multi-format printing, up to A3
- Adapted to higher-volume output needs
- 3140-sheet standard input capacity
