

MANUFACTURER'S STATEMENT

We, Michael Guida and Robert Kirkpatrick, declare that the following products are assembled and tested in the United States of America by Agilent Technologies, Inc. at **2850 Centerville Rd Wilmington, DE 19808:**

Gas Chromatographs

G3440A-US Agilent Gas Chromatograph

Gas Chromatograph/Mass Spectrometers

5975C Agilent Technologies Single Quadrupole Mass Spectrometer

G7000A Agilent Technologies Triple Quadrupole Mass Spectrometer

Liquid Chromatograph/Mass Spectrometers

G6110AA Agilent Technologies Single Quadrupole Mass Spectrometer, VL

G6120AA Agilent Technologies Single Quadrupole Mass Spectrometer, VL+

G6130AA Agilent Technologies Single Quadrupole Mass Spectrometer, SL

G6140AA Agilent Technologies Single Quadrupole Mass Spectrometer, SL-HT

G6224AA Agilent Technologies Time of Flight Mass Spectrometer

G6230AA Agilent Technologies Time of Flight Mass Spectrometer, with JetStream Technology

G6410BA Agilent Technologies Triple Quadrupole Mass Spectrometer

G6460AA Agilent Technologies Triple Quadrupole Mass Spectrometer w/JetStream Technology

G6520AA Agilent Technologies Quadrupole-TOF Mass Spectrometer

G6530AA Agilent Technologies Quadrupole-TOF Mass Spectrometer w/JetStream Technology

Agilent Micro-Array Scanner

G2505C Agilent Scanner
